We are celebrating our 45th year in the Registered Cattle Business!

We are thankful for all those we have met along the way and their guidance and friendship. I purchased my first registered females in 1972 and we have enjoyed working with all of our customers and friends in the cattle business. We are excited about the future and what it will bring. Please let us know how we can serve you better.

Here at Amdahl Angus & Hereford we have seen a lot of changes through the years, but the one thing that remains the same is the sound, solid productive mother cow. That's what it takes in the commercial and registered operations to stay in business. We are excited to build the best genetics for ourselves and our customers. We value your comments and suggestions.

We are offering some new genetics again this year and feel it is the strongest bull offering we have had. We have a number of the industries top AI sires represented and bulls from our ET Donor program.

Be sure to look through our offering and feel free to ask us any questions you may have.

We've enjoyed our relationship with the Bakers in our Hereford business. There are some very outstanding Hereford cattle available through our joint Embryo and AI program.

If we can assist you in any way be sure to contact us. God's Blessing to you and yours in the new year!

Tim & Marcia Amdahl

Welcome to the Amdahl Angus & Hereford production sale

This year marks the 45th year in the Registered Cattle Business. We feel so blessed to be working with God's creation every day. We consider it a privilege to serve you in your purebred needs. The 2017 sale offering is full of the industries leading genetics. Including bulls like Aviator, Big Sky, Amdahls Heavy Duty, CLI Domino 2121Z, CLI Domino 215Z and Tour of Duty. This year we are very excited to offer bulls like Rocketeer, that rank in the top 1% in many of the most important traits. Along with the yearling and two year old bulls, we are making available a select group of females that provide the opportunity to add success to your operation. The profitability of our customers is #1 and it is an honor to serve you as your seedstock source.

If we can assist you in anyway, please contact us. We look forward to seeing you sale day.

JD Amdahl

JD, Marcia & Tim Amdahl

Jim and Karn Baker

Dear fellow cattlemen and friends,

2017 marks the 71st year of Baker Hereford Genetics. These last two years has been a pleasure to work along side the Amdahl family to make a great breed and herd even better. We feel we are offering a top set of bulls and genetics that will benefit both the purebred and commercial cattlemen. We work very hard to strive for quality in what we produce. We have used A.I., Embryo Transfer and planned matings to obtain the quality and kind of cattle we feel our customers are wanting. We have never selected cattle to use based on any single trait but rather all traits combined so that we can produce functional cattle at all levels. We feel our cowherd and the sires we have used will keep not only our herd but yours as well in business for the long haul. The Hereford breed continues to excite many and we at Baker and Amdahl are excited to be a part of that excitement. Our goal is to continue producing quality cattle that will work for you. We are thankful for our many friendships we have made in the past and we look forward to working with you all in the future. We thank you for your interest and let us know if we can be of further assistance.

Jim Baker

We use VitaFerm products in our program and encourage our bull customers to continue using these great products. We are giving one 50# lick tub for each bull purchased. This is a 20% all natural protein and mineral VitaFerm Tub. This has the nutrition and essential elements to continue to prepare your bull for the breeding season.
Call Tim or JD for your future VitaFerm needs

Inspection of Cattle: Cattle will be available for inspection at the ranch anytime prior to the sale, call to make arrangements.

Health: Interstate health papers furnished on all cattle selling.

EPDs & \$Values: The American Angus Association is now calculating EPDs on a weekly basis using all available carcass harvest data, ultrasound data and the Igenity Angus specific genome profile data. It is possible new data has been submitted between the date the catalog was finalized and sale day which will affect the individual EPDs and \$Value Indexes of the animals selling. If your purchasing decision relies highly on the most current carcass data available, please look up animals of interest on the American Angus Association web page prior to viewing the sale offering.

Terms: Cash - please settle for cattle promptly.

Terms & Conditions: All cattle sell according to the standard terms and conditions of the American Angus Association. Amdahl Angus will retain a 1/3 semen interest in all bulls and 1/2 interest on a select few. New owner has Full Possession.

Sight-Unseen Purchases: If you can't attend our sale, we would be happy to help you select and purchase your bull. We know our bulls well and by visiting with you, we feel we can buy a bull that will fit your program. Some people prefer this. Call anytime at 605-929-3717.

Supplement Sheets: Will be available sale day with any updates.

Guarantee: *The Best Bull Guarantee and that's Guaranteed.* All bulls will be covered through October 1st. If a bull becomes injured and does not recover we will give you full credit towards a replacement bull or credit in next year's sale less salvage value.

We want to help work with our customers in their future success. We are here to help and encourage you in the cattle business.

Trucking: We will be glad to assist in making the best possible trucking arrangements. FREE delivery up to 300 miles. A \$50 discount per bull will be given if they are taken home sale day week.

Insurance: Will be available sale day.

Liability: All persons attending this sale do so at their own risk, legal or otherwise for their safety or the behavior of the animals. The Owners, Auction Service and Sale Staff assume no liability for property loss or any accidents that may occur.

Announcements: From the block will take precedence over the catalog. Buyers unable to attend may send their bids to the Auction Service, Field Representatives or Auctioneer.

Lunch: Lunch will be available sale day.

**\$50 OFF EACH BULL TAKEN
HOME SALE DAY**

OUR 5-STAR SYSTEM

★★★★★

GUARANTEED 5-STAR CALVING EASE BULLS

We are so sure of our 5-Star bulls that we are going to provide a one-year calving ease guarantee on all of our 5-Star bulls. Our 5-Star bulls would be the absolute best but the 4 stars are also recommended for use on heifers.

We are so confident in our 5-Star calving ease bulls that we are willing to pay \$25 for every calf you have to pull that is sired by one of our 5-Star bulls. If veterinary assistance is required, we will pay your vet bill. We feel that you should be able to look forward to your next calving season.

This will require you to use our calving ease bulls by themselves or only with other guaranteed calving ease bulls. This means you will need to record which heifers are run with which bulls. We are willing to rely on your honesty.

CALVING EASE

5-Star Rating System: Most of our bulls offered for sale could be used on first calf heifers due to shape and size. To help you identify our calving ease proven bulls, we have a 5-Star rated system, 5-Star being our easiest calving. Our 1 and 2 Stars are for cows, because the sires are less proven on heifers. Our 4 & 5-Star rated bulls are out of proven calving ease bloodlines for birth weight and shape. These bulls will work the easiest on heifers.

FLESHING ABILITY

Fleshing ability has always been important, but will be even more important in the future as input costs increase. Easy fleshing bulls should sire daughters that are easy fleshing and more fertile. Our sale bulls are rated 1 to 5 Stars for fleshing ability with 5 being the best and 3 being about average. These scores will reflect the future fleshing ability of the bull, his offspring and daughters. We believe you should pay special attention to this trait if you are raising your own replacement heifers.

DISPOSITION

We have always been concerned about the disposition of our cattle and how we handle them. With this in mind, we have rated our bulls from 1 to 5 stars, with 5 being the best and 3 being average. We have kept track of how bulls have responded when working through the chute and as we pressure them when we intentionally sort them off and crowd them. Disposition problems are relatively easy to spot when you first walk into the cow herd or the bull pen. Life is much too short to put up with nervous or ill-tempered cattle.

2121Z was a standout and our pick in Cooper's 2013 sale and has turned into a great breeding bull. He is a 5/8 brother to the 215Z bull. 2121Z's calves are long, pigmented, deep and thick. He has been used hard since a yearling here and at Helbling Herefords. We think you will like his calf crop.

215Z is a great breeding bull and a brother to the 2121Z bull. He is out of the 055 cow that is leaving her mark. She is the mother of Cooper's top selling \$130,000 bull last year. She posts ratios of 105.7 and 106.5 on weaning and yearling. Her dam is the legendary 7136T cow that has two bulls in this sale! 215Z's EPDs are terrific across the board. Look up his top set of bulls.

MR. HEREFORD

Art Handel Jr. was inducted into the Hereford Hall of Merit on October 28, 2016.

With millions upon millions of miles logged, thousands upon thousands of sale meals eaten, hundreds of thousands of cattle moved and the respect of cattlemen across the nation this award is more than fitting - Congratulations Art and Pat!

ART HANDEL JR.

Handel is the third generation of the Handel Hereford family. He attended South Dakota State University (SDSU) where he was involved in Block and Bridle, Little International, the rodeo club, the livestock judging team and the meats judging team. While at SDSU, Handel began raveling and working sale rings across the country. To date, he worked more than 5,000 sales.

In 1970, Handel began a 33-year career as a field representative with the AHA and the *American Hereford Journal*. He traveled across the United States, worked with the adult and junior organizations and conducted many state, national and international tours.

Art was instrumental in starting the South Dakota Junior Hereford Association and was an adult advisor for the program for many years. Art also buys Hereford and Hereford-influenced feeder calves for feed yards in Nebraska, Iowa and South Dakota.

558 is the youngest of the fall bulls. He could be a herd bull. He is long, deep pigmented and good haired. 558's weights are lower than the other bulls but he and his dam were in ET for quite some time. 558's dam 760 is one of our very best cows. She comes from a line of donor cows and is a DOD and continues to be a lead donor cow. She posts ratios on her calves of 104.4 on weaning and 106.6 on yearling and 112.0 on ribeye.

Here is a real opportunity to buy a herd bull deluxe. We debated long and hard about selling him. 623 is out of 215Z and one of the top cows of the breed, 1072Y. 623 is long, deep, thick, stylish and pigmented. His full brother sold last year at Holdens for \$70,000. 623 has tremendous EPDs across the board! 623's dam is one of Holden's best. She posts weaning ratios of 106, yearling ratios 106, ribeye 106.4 and marb 107.4. Look at the cows in this pedigree! **Selling 1/2 interest and 1/2 possession with buyer choosing spring or fall possessions. We will work with the buyer on possession.**

Here is a bull with herd bull potential. His full sister from last year is outstanding! 640 is super long, deep and has good thickness. He is a bull you could use on heifers. The dam side of 640 is outstanding all the way back. Many of our best cows are in this pedigree. 640's dam 207 has a weaning ratio of 109 and yearling ratio of 104 on 3 calves. **Selling 3/4 interest and full possession.**

Here is a herd bull by the \$50,000 3033A bull and a superior cow. 644 was raised on a first calf heifer. He is wide based, thick topped, correct and pigmented. 644's dam is elite, her mother recently sold for \$30,000. Also, 2143 has the 440 cow in her pedigree! We have flushed this cow again and have very high hopes of future offspring. She has ratios on her two calves this far of 114. Her last year's son sold to Bill Thompson Ranch in ND. **Selling 3/4 interest and full possession.**

Another herd bull prospect out of the \$50,000 3033A bull and the great 2143Z donor cow! 651 has that special look to him. He is long, deep sided and has a big top in him along with excellent markings. 651 didn't have the best recip mother but has really been turning it on now. We really wanted to own the 2143Z cow out of the \$30,000 9136W cow and she hasn't disappointed us. She has 2 calves weaning ratio fo 114, 2 calves REA @ 103.5 and 2 Marb @ 107.

Here is quite an opportunity to buy a uniquely bred herd bull prospect by 0011X, Holden's great cover bull and the legendary 7136T cow; it doesn't get much better than this for a bull and a pedigree. 648 is a complete package. He has length, depth and spring of rib, big quarter, pigment and style. He could be used on heifers also. It doesn't get any better maternally as you could write a book on the cows in his pedigree starting with 7136T and finishing with the legendary 5139R cow that sold for \$175,000 and who has produced well over a million dollars in progeny. Dam 7136T records 57 calves with a 101.3 average ratio on ribeye and 101.8 on marb! **Selling 3/4 interest and full possession.**

- Amdahl' Rocketeer 636 is in the top 1% of the breed in 4 categories; WW, YW, \$W, \$F, and top 2% for RADG. He also ranks near the top in many other EPDs.

Rocketeer also has amazing performance 205wt. 970# and 365wt. 1535# with a WDA of 4.21#s. (weight per day of age)

- Every so often a bull like Amdahl's Rocketeer 636 comes along that offers Performance, Correctness, Carcass, Maternal, and Balance. He is a long and deep sided bull with Great Phenotype feet and legs. A bull that will move your genetic future ahead, with all the stacked consistency bred into his pedigree. 12 Pathfinders in 4 generations.

- His dam #465 ranks in the top of the breed for: 1%W, 2%YW, 1%Milk, 10%Marbling, 1%\$W, 3%\$F, 10%\$G, & 10%\$QG. She is out of a very productive cow family.

- Rocketeer's Grandmother #431 (has 9@ 107 ww), the great grandmother, and the great great grandmother are all Pathfinder Cows.

- His sire Musgrave Aviator has proven himself as a true calving ease sire passing on Performance, Maternal, Carcass, & \$ Value. His sons have topped many sales in the last 2 years. He has been one of the most consistent sires here for calving ease and performance.

- Rocketeer, Navigator, and Amtrak were in our pen of 3 Heaviest Bulls at the Faith Stock Show and the Central States Fair Rapid City August 2016.

- **Retaining 1/2 Semen Interest**

- 365 Adj. Weight: 1,220 lbs.
- 648 is a great heifer bull with numbers as well being in the top 2% for CED and top 1% for ADG.
- 648 has our 5 star rating and offers what ranchers need, a calf that comes out right and is ready to put on the pounds.
- lot 53 continued
- 648 is backed out by a great line up of cows. His mother Miss Homer 380 ranks in the top 1% in \$YG, 4% CED & BW, and 10% \$EN.
- We have retained a beautiful bred heifer and look forward to what 648 can do in his future herd.
- Recommended for Heifers

- 365 Adj. Weight: 1,525 lbs. • WDA: 4.18 lbs.
- Amdahl Big Sky ET 688 has amazing performance with 205 wt. 854# and 365wt. 1525#. 688 is an exciting herdsire prospect out of Musgrave Big Sky and out of Amdahl Dixie 7402-014 one of our donor cows. He has a weight per day of age at 4.18#.
- His sire is turning heads in the Angus Industry and here also, with his sons and daughters. The depth, volume and phenotype these 1/2 brothers offer are so consistent.
- 688 ranks in the top 5% \$W, 10% \$QG, 15% RADG, 15% Marb, 15% \$F, 15% DMI, and the top 20-25% of the breed for the rest of these rankings: BW, WW, YW, Milk, & \$G.
- 688's paternal sister by Big Sky was our lead off sale heifer at the National Western Foundation Female in Denver, Co. Jan. 2017, along with 2 of her sisters. These Big Sky sons are features in Bull Sales where ever he has been used.
- His dam the #014 cow is one of the most attractive cows here and comes from genetics that have produced up to 21 years of age. Longevity and production is what this bull has to offer you and that's what this cattle business is all about.

LOT 70 DAM & LOT 74 GRANDAM: AMDAHL DIXIE 7402 014

We would like to thank all of you for
your past visits and support.
You make our business what it is and
we appreciate you.

- 365 Adj. Weight: 1,471 lbs.
- WDA: 4.03 lbs.
- Amdahls Wagon Train 649 was given that name because of his length and capacity. Another great Big Sky son out of a favorite cow #7401 because of her length depth and production. She has been part of our donor program and comes from the productive #109 cow we had here.
- 649 will add pounds to your calf crop and give you the right kind of females you want to keep. His 205wt. of 811# and 365wt. 1471# with a WDA (weight per day of age) of 4.03 will add profit to any operation.

LOT 78 GRANDAM - AMDAHL HOMER QUEEN 531-709

• Amdahl's Amtrak 618 is one of the longest correct bulls you will find anywhere. His performance reflects his length; 205 wt. 875# and 365 wt. 1473#

Amtrak's mother the #404 cow by GAR Prophet is out of one of our top producing cow families. Her rankings in the Angus Breed are in the top: 4% Marb, 4% \$B, 10% CED, 15% WW, 10% YW, 2% Milk, 10% \$F, 10% \$G, and 3% \$QG.

• Amtrak's Grandmother the #709 Donor cow was picked by a group from Argentina as their favorite cow and she is one of the deepest longest cows on the ranch. Her mother the #531 cow, by BAR Ext Traveler 205, was also one of the hardest working cows in the Herd.

• Amtraks sire VDAR Black Train is owned by Lee Van Dyke and Crook Mountain Angus.

Black Train also expresses that length and has proven to pass it on to his progeny.

• Amdahl's Amtrak 618's eye appeal, length, performance, feet & legs, and maternal will produce easy to sell sons and daughters that stay in the herd.
