Videos are posted on our website.

**TERMS & CONDITIONS:** Terms of the sale are cash, check or other terms agreed to in writing between seller, buyer and sale manager, payable immediately upon conclusion of the sale before animals will be moved. Sale Manager reserves the right to require a certified check as settlement before releasing any cattle

**PURCHASER'S RISK:** All animals are the seller's risk prior to their sale and become property of the purchaser as soon as declared sold by the auctioneer. **ALL SALES FINAL.**

**BIDDING:** Any disputes or challenges regarding bids or tie bids will be settled by the auctioneer and his decision will be final.

**CERTIFICATE OF REGISTRY:** A certificate of registry for each animal will be transferred to the buyer at the seller's expense.

**ANNOUNCEMENTS:** Any errors or changes in information contained in the catalog will be announced from the block and such announcements shall take precedence over the information contained herein.

**LIABILITIES:** All persons who attend the sale do so at their own risk. The seller, auction facility and sale manager assume no liability for any accidents that may occur. Neither does the seller, auction facility or sale manager assume liability for the loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God. It is to be clearly understood that the sale manager and its representatives act only as a medium between the buyer and the seller. They are not responsible in any way for the failure on the part of the buyer and seller to live up to their obligations or for the truth of any warranties or representation, express or implied. Neither does the sale manager assume any financial obligations to collect or to enforce collection of monies between parties. Any legal action, that may in exceptional cases be taken, must be between the buyer and the seller. This catalog has been prepared by the sale manager and Hereford America from pedigrees and information supplied by sources deemed reliable, however, the sale manager & Hereford America will in no way guarantee the pedigrees of the animals selling or data included in this catalog. Any exceptions taken are between the buyer and the seller.

**CONTRACT:** The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction.

**CONFERENCE CALL BIDDING:** We are offering conference call bidding on sale day.

**Pre-register to bid:** Please call Art Handel at 605-391-8233 prior to sale day to register for a buyer number. (You may call several days in advance to pre-register.)

To register on sale day call 605-244-9066 between the hours of 9 and 11 AM (Mtn. Time). All Conference Call Bidders must be approved by 11:00 AM in order to bid.

The conference call number on sale day for bidding is 605-244-9066, password code when prompted: 21368.

**VIDEO AUCTION:** The sale will be conducted with a live auction, however, sale cattle will not be run through the ring. They will be shown on three large video screens in the Baker sale ring. All cattle will be on display in pens.

**INTERNET BIDDING:** Absentee bidders who wish to utilize the internet may bid online at [www.liveauctions.tv](http://www.liveauctions.tv). Please register online in advance of the sale.

**HERD HEALTH:** All current sires are tested I.E. free. We have tested all cows that could be possible carriers. All cows in the sale, to the best of our knowledge, are I.E. free. All bulls selling are tested free of trichomoniasis. Health management through Dr. Bill Hines. Every precaution has been taken to ensure vaccinations are current. Health of herd is excellent and scheduled vaccines are regularly given.

**Airlines:**

Rapid City is served by United, American, Delta and Allegiant Airlines.

**Hotels:**

Rapid City has a wide variety of hotel accommodations. However, with several other events in the area it is advisable to call early for reservations. Following are several hotels which are close to the ranch:

The conference call number on sale day for bidding is 605-244-9066, password code when prompted: 21368.

# Welcome...

Dear fellow cattlemen and friends,

It is with a heart full of thanks that we welcome you to our final female sale. We thank all of our friends and colleagues in the Hereford and cattle business over the past 69 years for your support and friendships. We feel blessed to have been in a business with such great people to work with.

*John, Jim, Jay, Jeff, Joel and Ken*

For nearly seven decades it has been our goal to improve the breed and the cattle on God's earth. In doing this we have been blessed over and over in so many ways. These cattle have supported several families over the years; but with no one to take over from here, some health issues that need to be addressed and an offer from a wonderful family to buy the ranch, we have decided to sell the ranch and thus the cattle we love dearly.

Our goal from the beginning, starting with our father, Ken Baker, was to raise cattle that could improve the herds that bought them and thus keep them in business. A no nonsense approach has always been taken and we have not gotten caught up by the "frill of the moment" breeding of cattle. We feel the cattle we have raised are the performance kind and will go on and produce for their new owners. All of the females and herd bulls will sell and we will have our final production sale on February 14, 2015. The herd can be inspected at any time and we would welcome your visit before the sale. The cattle will be on display the days before the sale and on sale day and we will be your hosts for a video sale. A special thank you goes out to Art Handel, Marc and Jill Hotchkiss and their staff for helping us put this sale together. We could not have done it without their great help. If there is anything we can do to assist you please let us know.

What a wonderful market we have in today's cattle business with all indication that it will stay very strong. We thank you for your interest in this young herd of cattle with their entire future ahead of them. We welcome you in advance and look forward to seeing you and visiting with you. A heart full of thanks!

Jim and Jeff Baker and families

## **BAKER HEREFORDS 69 YEARS OF HEREFORD EXCELLENCE**

The end of an era is at hand. This final dispersal of the Baker cow herd brings to a close 69 years of genetic know-how, two generations of dedication and devotion to the Hereford breed and the livestock industry.

THE RANCH HAS BEEN SOLD. This very young set of females being sold represent the latest in Line One genetics that are available in volume anywhere this year. We recently finished videoing and photographing every individual offered in this sale. All I can say is WHAT A SET OF FEMALES. The quality is exceptional and the EPDs are right on target for anyone's cow herd. The DISPOSITION IS AWESOME. This will be a group of young herd matrons that can be utilized in any program, whatever your needs are. Enough size to provide the extra performance desired, quality to give the look and a strong genetic background.

Ken Baker started this herd 69 years ago with a basic Real Prince Domino herd, then about 40 years ago he initiated the Line One genetics from Miles City, Holden and Cooper. The Baker sons, Jim and Jeff, have carried on this sound breeding program for the past 20 years. Over the years they have always incorporated the best of the home raised bulls derived from the very best of the herd sires purchased.

Marketing breeding stock for 69 years is a testament to the cattle and to the people that produced them. Over the years, all the Baker families have supplied input and labor.

The cattle will be available for viewing at any time prior, through sale day.

The sale will be a video production with Marc Hotchkiss and Art Handel in charge.

Trucking: We will assist in putting loads together and making trucking arrangements to be most cost effective for the buyers.

The sale will be broadcast on LiveAuctions.TV along with conference call bidding and excellent cell phone service to help those that cannot attend. See the catalog information page for details.

All videos are available for viewing at [www.BakerHerefords.com](http://www.BakerHerefords.com) or [www.TheLivestockLink.com](http://www.TheLivestockLink.com).

We, the BEEF INDUSTRY, need to all say a big THANK YOU to Bakers.

Art Handel & Marc Hotchkiss

281 is a terrific son of 454P. He, like his sire has mass, length, muscle and pigment, yet a smooth, angular front end with calving ease. His dam is voluminous, big hiped, great uddered and highly pigmented. Her dam, 389, is the dam of the great 0186 bull that sells as Lot 9. Owned by Behm Herefords. **Service sire of bred heifers.**

We believe 337 will be a great breeding bull. He, like his sire, is long, full of meat, correct and heavily pigmented. 337 has a 4.1 CED EPD to go along with his performance. We really think his mother, Lot 48, has a tremendous future ahead. This pedigree is full of great cows. Owned by Scott Huber. **Service sire of bred heifers.**

3033 is the \$50,000 son of 0002X that sold for \$55,000 for half interest and out of the great \$95,000 6155S cow. He is extra long made, big hiped, well marked, great fronted and very attractive. He is also a wide based, sound moving bull with great testicle size. Owned by Broken Pick Land & Cattle, White's Hereford Farm, White Bros. Herefords, and Bartholomew Herefords.

3006 is the cover Holden bull and \$80,000 co-top seller in the 2014 sale. He is long made, thick, well marked and fancy. He is out of some of the top Holden cows, ie. 365, 1088 and 8163, the mother of our 2036 bull that sells as Lot 5. 3006 ratioed a 109 on REA and a 141 on Marb. His service in this sale should really be of value. Owned by Flying S Herefords.

We fell in love with this bull, along with his mother, at Coopers. Described by Mark Cooper as a thick topped 9122W son with loads of natural thickness and muscle. His pedigree combines top-end maternal power and outstanding performance and carcass numbers into one complete package. He ranks second in his contemporary group for Marbling and CHB Index and third for WW and YW. Backed by powerful donor cows that include 440P and 475P and his outstanding donor dam, 924, his maternal pedigree is tough to beat. Dam ranks in the top 2% of the breed for Milk, M&G and Marbling. 107 WW ratio, 110 YW ratio and gained 4.12 ADG on test. An opportunity to own a bull that will be a breeding giant. Owned with Helbling Herefords.

We really wanted to own 1207 for many reasons. He is a bull with excellent length, thickness, style, pigment and maternal. His first calf crop was very well received. His daughters look like they will make fantastic cows, as they should, being out of the \$60,000 6054S cow whose sons have sold for a \$30,000 average as well as being the mother of Holden's 0132X and 2181Z herd sires. 1207 also has the 1088L cow, one of my favorites, right up front in his pedigree. Here is a breeding bull with all kinds of potential.

1202Y was a standout in our 2011 crop. He has exceptional length, thickness, pigment and breed character. He is a calving ease specialist with a 5.8 CED, as is his sire and the 454P bull. His dam was one of our favorite cows selling as a donor to Whispering Pines. His pedigree is loaded with Dams of Distinction and donor cows. We feel 1202Y will be a breeding bull that will leave outstanding replacement females and herd sire prospects, just like his sire.

**Selling full interest and full possession with 120 straws of semen.**

2215Z really caught our eye at the Cooper sale. Mark Cooper described him as a bull with lots of natural thickness and good depth of rib. 2215Z has as much shape and eye appeal as any bull in the sale. A bull with 100% eye pigment, smooth shoulders and nice neck extension. Dam, 5142R, is a favorite on the ranch and a Dam of Distinction. Look up the 2215Z calves in the sale. They are good. Owned with Helbling Herefords. Selling 1/4 semen interest and 100 straws of semen.

1038Y is a breeding bull owned with Holden Herefords. He has style written all over him with tremendous thickness and breed character. He really passes these traits on to his offspring. There were several herd bull prospects in his first calf crop. His calves on the sale cows will speak well for him. His half brother is a herd bull for Coopers. His dam is a top donor cow and 1038's daughters, like his full sister will make great cows.

Selling 1/2 semen interest and 80 straws of semen.

9027 was Holden's cover bull and a high seller from their 2010 sale. He is a powerful son of one of Miles City's best bulls, 03571, and the 6074 that many believe to be one of Holden's best cows. The 9027 calves are low birth, as he has a 6.6 CED, but then they take off and grow. They have length, thickness and style. 9027's daughters are super uddered as his pedigree shows they should be. 9027 has a lot to offer the breed. Owned with Harrell Herefords and Ottley Herefords.

0186 is a powerhouse breeding performance bull that is long, thick and full of pigment. He sires more pigment than any bull we have used. His first sons were tremendous and were our top selling sire group and his daughters in this sale will really make top cows. His mother was one of our best cows, purchased by Whispering Pines and raised many calves. She is a donor cow and the grandmother of the 281 service sire on the heifers. Note the 1088 cow in his pedigree as well. Here is a herd bull deluxe.

Here is a great opportunity to buy a cow builder. We really wanted to buy the 592 bull at Coopers after seeing his full sister, the 440 cow the year earlier. She, of course, has turned out to be one of their all time great cows. The 592 daughters have been tremendous. When he shows up in a pedigree they will be good. His calves are thick, correct and have had excellent carcass data in them.

826U was our 2009 top selling bull to Stroh Herefords. He has turned out to be a real breeding bull, siring sale toppers for Strohs and here as well. He and his calves are long, clean, thick and very attractive. His calves have a 103 weaning ratio and have very good carcass figures in them. 826's dam had a great udder and her dam was a top donor here and a Dam of Distinction. Owned with Stroh Herefords. Selling 1/4 semen interest and 120 straws of semen.

414B is the best outcross bull we ever used. You could count on every single calf being a good one. He sires mass, muscle, volume, pigment, length, style and breed character. His sons carry his stamp and his daughters have been just fabulous cows. You couldn't ask for a bull to do more than 414 has done. Selling 1/4 semen interest and 250 straws of semen.

# YEARLING HEIFERS

These heifers are the result of generations of selective breeding. They were bred for performance, milking ability, disposition and doability. KB L1 Domino 337A, KB L1 Domino 281Z and KB L1 Domino 1202Y were the service sires used on these heifers. They are top young sires with great conformation and smooth front ends along with having size and performance. We feel this is a powerful group of females with a lot of earning power.

- PE to KB L1 Domino 1202 from 4-11 to 8-7. Bred on 5-13. Due on 2-19-15.
- Act. BW 80 lbs., Adj. 205 wt. 684 lbs. (102 WR), Adj. 365 wt. 933 lbs. (94 YR).
- Check her over, she has a lot of maternal strength and some great individuals in her pedigree.
- Dam, 945, was the high selling cow in 2011 at \$19,000 to Sandra Martsching. She had a top set of ET sons in our 2014 bull sale and will again in 2015. She is also the dam of herd bull "121"...110 WR, 108 YR.

# FALL 2013 YEARLING HEIFERS

These half sisters are all very similar in their type. They are all short marked, exhibit excellent length and possess good thickness. We used 454 to infuse his maternal genetics to build a new cow herd. These open heifers have a lot of future ahead of them and should make great cows. They are very hardy as they survived the Atlas blizzard out in the open as baby calves.
