Where Quality Runs Generations Deep

Dear fellow Cattlemen and Friends

The Bakers would like to welcome you and invite you to our joint annual Premier Performance Sale with Amdahl Angus and Herefords on February 14, 2015 at the ranch just north of Rapid City.

2015 marks our 69th year of breeding registered Hereford cattle. Many changes have come and some gone over the years in the kind of cattle being produced. Our philosophy in breeding cattle has remained unchanged; we have always selected for cattle that would perform at all levels in the industry from a quality live calf to an outstanding eating experience. In order to accomplish this we have never selected for one or two traits but have pursued them all using all tools available to us. We were some of the first to even A.I. and do E.T. work and were on the ground floor with the AAA's national reference sire carcass collection. We have also put tremendous emphasis on the maternal side of the equation with fertility, udder quality and teat size, milking ability, and overall efficiency in the cow herd.

Joel, Jay, Jeff, Jim, and John

We feel that this set of bulls offered depicts the efforts we have put into assuring you, our valued customers, that you will have a quality product to bid on and purchase in this sale. When we see and hear of our cattle doing well for others, it makes our work that we have been blessed to do, more than rewarding.

Another reward we are all now enjoying is the blessing of an absolutely tremendous cattle market with a long term prognosis that it should stay that way for some time. What a great time to own cattle. We hope the offering in this sale can help you in adding to the quality of your herds.

You are always welcome to come and visit our ranch if you are ever in the Black Hills area. We would enjoy showing you our cattle. We would like to thank our past buyers and repeat customers for your confidence in our program. Again, we invite you to our annual sale. If you need anything give us or Art Handel a call. We hope to see you February 14, 2015, at the ranch. Come early for the girls homemade dinner and fellowship with friends.

Welcome to our 2015 Bull and Female Sale on February 14, 2015. Thank you for your interest in our program! We invite you to stop by and view the bulls any time prior to the sale. Feel free to call anytime with any questions that you may have.

This is our 44th year in the registered Angus cattle business and we and our sons JD and TJ are excited about a new ranch location. We purchased the Baker Hereford Ranch from Jim and Jeff Baker. We have also had the opportunity to purchase a number of their Registered Hereford Cows. We appreciate the Bakers and are impressed with their program cattle, and their faithful customers. We will continue their Genetics with cows, embryos, and semen.

In the future we will continue to feature Baker, Holden, and Cooper Hereford Genetics along with our Angus genetics.

We are now located 12 miles north of Rapid City, SD. The sale will be held in the sale barn at the ranch with a noon meal provided and coffee and rolls for the early arrivals.

This is the strongest, stoutest, most even set of bulls that we have ever offered. We are offering some of the same proven genetics with four new herd sire groups from Select Sires and sons of Connealy Consensus. All performance data is available along with our 5 star rating system for calving ease, fleshing ability, and disposition of the bulls. Please see the enclosed chart for a detailed explanation.

60% of the bulls offered are suitable for use on heifers! Those will be the 3, 4, and 5 star calving ease ratings. The 1 and 2 rated bulls are recommended for cows.

We welcome Brian and Andrea Barber, A&B Ranch, who are selling 80 commercial Angus Bred Heifers in our sale. They are bred to Amdahl Angus Calving Ease Bulls. They will start calving March 20th for 14 days.

Since 1988, we have worked closely with RK Angus: Roger, Todd, and Scott Knochenmus. We look forward to working with Roger and Scott in the future. We will miss Todd who passed away from pancreatic cancer this year. Our thoughts and prayers continue to go out to his family. He will be missed by many and it reminds us of how short life is. We all need to be ready to meet our Creator and Redeemer, Jesus Christ. It is certain that 100% of us will die some day. We need to be ready.

Again this year, our sale will be on DV Auction. All cattle will be videoed and on our website, Baker Herefords Website and DV Auction. These videos will be displayed on big screens on sale day.

We thank our past customers for their support and interest in our program. We welcome past and new customers any time that you are in the area or coming to the Black Hills. If we can help with any questions please don't hesitate to call. We are humbled by you letting us be your seed stock source.

Hope to see you Saturday, February 14, 2015 at the ranch (12 miles north of Rapid City, SD)!

CATTLEMEN IT'S TIME TO STEP UP TO THE PLATE!!

The future of the livestock industry is challenging, interesting & will require superior cattle and management. As we look at the declining acres of productive agricultural lands, the smallest number of producing cows and a Beef Hungry growing world population, it certainly appears that the demand for beef will continue to increase.

You, as grassroots beef producers will need to utilize new technology as it comes available and will need to demand performance, predictability and uniformity from your herds.

You do rely on your seed stock providers for the bull power that will genetically improve your cow herd weaknesses. The industry will continue to emphasize carcass, carcass, and more carcass predictability. You will select bulls with genetic calving ease but you will demand the performance for acceptable grass or feedlot performance.

The American Cowboy will ride tall in the saddle as they provide the world with a healthful, tasty and dependable piece of red meat.

We are on the world market with our agricultural products today and in the future. Your success and your future generations depend on common sense decisions today.

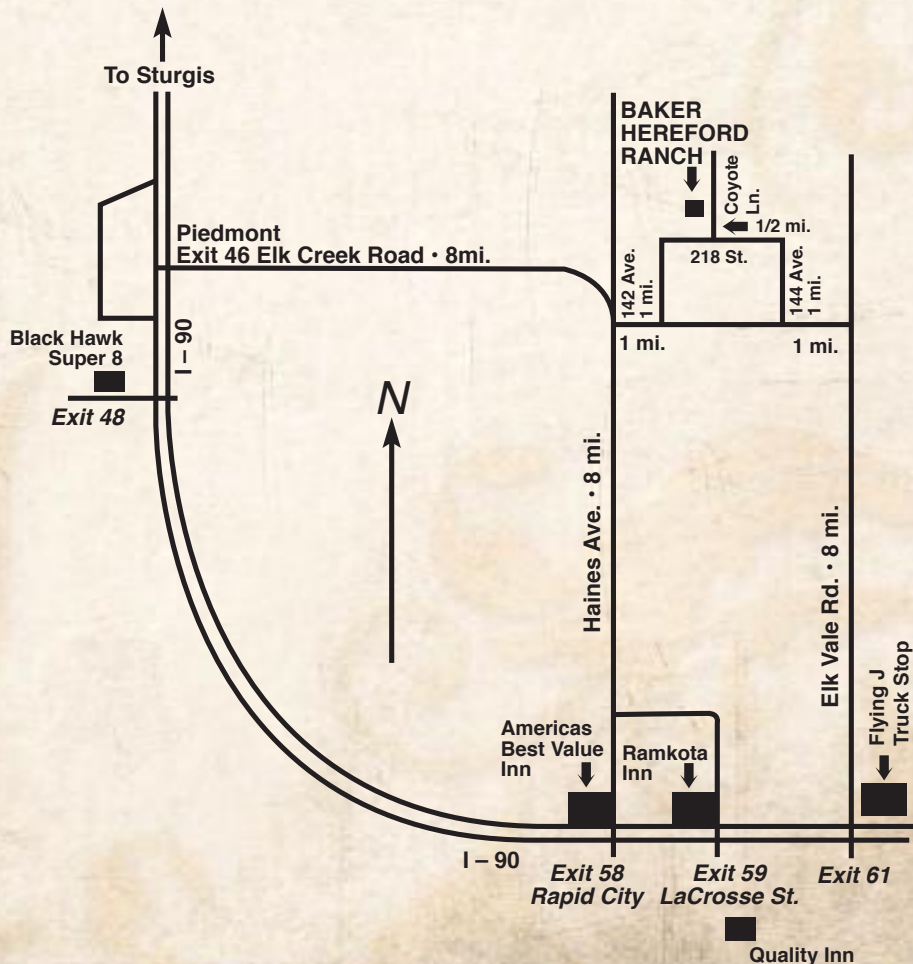

THE BALLS IN OUR COURT!!

The **Premier Performance Sale** is a joint venture of 2 longtime proven seed stock providers. The BAKER'S @ 69 years & The AMDAHL'S @ 42 years provide many generations of superior seed stock selection. Both outfits have been involved in total performance record keeping and do provide you with seed stock that is predictable in calving ease traits but still have the balanced growth, carcass and maternal characteristics needed for your continuing cowherds. These longtime herds provide the performance data & EPD's that can be counted on.

HEREFORDS and ANGUS - ANGUS and HEREFORDS!!! Still the only way to get the ever popular F1 BWF. The consistent market toppers!!!!

**2 HERDS - 2 BREEDS = 1 GREAT SET OF BULLS.
TAKE ADVANTAGE OF THE OPPORTUNITY!!!!**

Our pick from Holdens 2012 sale that has become a great breeding bull. He sires stylish, thick made bulls with a lot of performance. His offspring have wide tops, excellent capacity and eye appeal. This set of sons are tremendous. Coopers are using a maternal half brother and his dam is a top donor cow. Owned with Holden Herefords and Hillview Herefords.

Performance sire that has exceptional length, thickness, and EPD's. He is a complete 9122 son backed by three of Coopers greatest cows 475P, 440P, and 924W. His EPD's and performance ranked at the top of his contemporary group and gained 4.12 ADG. We feel 2121 is going to be a great breeding bull with his first sons being a highlight of this sale. Helbling Herefords purchased 1/2 interest in our dispersion for \$20,000.

454 is a bull that can put or keep you in the cow business. His daughters are simply superb with great udders and lots of milk. He is a beef bull full of pigment and still bred cows at age 10. His sons have sold well with good reports on what they have done. We kept a top son, 281, to breed some of the heifers to. 454 is a calving ease bull and his calves have lots of vigor. 9027 was Holden's cover bull and a high seller from their 2010 sale. He is a powerful son of one of Miles City's best bulls, 03571, and the 6074 that many believe to be one of Holden's best cows. The 9027 calves are low birth, as he has a 6.6 CED, but then they take off and grow. They have length, thickness and style. 9027's daughters are super uddered as his pedi- gree shows they should be. 9027 has a lot to offer the breed. Owned with Harrell Herefords, Ottley Herefords, and Hills View Ranch.

Accommodations:

Rapid City has several good motels. We have negotiated a good rate at the Ramkota Inn and Americas Best Value Inn. If you need help with any accommodations please feel free to call any of the Bakers or Amdahls.

Transportation:

Rapid City Regional Airport is served by Allegiant, American, Delta, Northwest and United Airlines. Call in advance if you need transportation to the sale.

Terms and Conditions:

Terms of the sale are cash. Every animal will be sold to the highest bidder with the auctioneer set-

ting any disputes as to bids. Announced changes in catalog information sale day will take precedence over printed material in this catalog. All cattle are the buyer's property as soon as sold and will be cared for a reasonable length of time at the buyer's risk. We highly recommend that you insure your purchases. Any person attending the sale does so at his own risk. Neither owners nor any person connected with this sale, assumes any liability, legal or otherwise.

Guarantee:

All animals in the sale are guaranteed breeders. If an animal fails to breed after a trial of six months, it may be returned to the seller in good condition and in compliance with the health regulations of South Dakota. The seller reserves the right to try said animal for six months, and if it proves a breeder, to return it to the buyer at the buyer's expense. If the animal proves to be a non-breeder, an animal of comparable ranking from the next calf crop will be substituted. Bakers assume no other liability, legal or otherwise, to make any further compensation to the buyer should an animal purchased in this sale be a non-breeder. No other warranty of any nature is expressed or implied.

Health:

Our herd is accredited for brucellosis, tuberculosis and anaplasmosis. Individual health papers will be furnished on each lot. Annual vaccination for blackleg, malignant edema, the clostridium spectrum, leptospirosis, parainfluenza, BVD, homophilis, pasteurilla and IBR has been followed. The health of this herd is excellent and we have guarded our herd's health over the past 69 years with every precaution and means available. Dr. Bill Hines DVM has assisted with our herd's health and will be at the sale.

Pedigree Examination:

To the best of our knowledge and all available research, all the cattle in this sale have no dwarfism in their ancestry. We will guarantee every animal in this sale to pass a pedigree examination by the American Hereford Association, if such an examination is initiated within 30 days following the animal's purchase in this sale. No other warranty whatsoever, implied or otherwise, that any animal in the sale is free of dwarfism or any other undesirable genetic recessive genes.

Registration and Transfer:

Registration certificates will be transferred to buyers upon request at seller's expense. When making settlement, buyers must give complete written name and address information for making transfers.

Insurance:

We highly recommend that if you want us to deliver your bulls or that you will be leaving them for any period of time after the sale that you insure them. Insurance can be arranged through Harding and Harding Livestock Insurance. Art Handel will be there to assist you with your insurance needs.

Absentee Bids:

Anyone wishing to bid who cannot attend the sale may place phone bids or mail bids by contacting any listed sale representative, Jeff Baker or Jim Baker.

Free Delivery:

Immediately after the sale on purchases that total \$5000 within 500 miles to central points.

Thank You for your Interest and Confidence!

AMDAHL ANGUS BULLS

The bulls have been grown out here on the Ranch and the majority of them summer pastured north of Kennebec - Presho, S.D.

The bulls were vaccinated spring, branding, preweaning and boosted. They have had Breeding, Anthrax, Pinkeye, Food Rot, wormed, and poured. All bulls are Freeze Branded on the left hip and carry our Freeze Brand on the right front shoulder.

The bulls have been bred and raised with the commercial man in mind. We stress calving ease with performance and carcass traits in balance. All bulls have Amdahl Angus Ratings for Calving Ease, Fleshing Ability, and Disposition. This tells you even more what we know about our bulls.

We stress udder quality, mothering, fleshing ability, and fertility in our Females. This year we moved our breeding and calving date up 30 plus days A.I. with over a 65% conception rate.

We have a breeding season guarantee, \$50 off if bulls are taken home in a week or we can make arrangements to keep bulls until April 1st. We offer a sight-unseen purchase guarantee.

Please feel free to call with any Questions.

-The Amdahls

Amdahl Angus bulls have been raised with the commercial rancher in mind. Amdahl Angus had many ranchers report back to us that the Amdahl bulls have stayed in better condition and did not melt away in pasture.

GUARANTEED 5-STAR CALVING EASE BULLS ☆☆☆☆☆

We are so sure of our 5-Star bulls that we are going to provide a one-year calving ease guarantee on all of our 5-Star bulls. Our 5-Star bulls would be the absolute bean but those 3 and 4 stars are also recommended for use on heifers, along with some of the 2-Star bulls.

We are so confident in our 5-Star calving ease bulls that we are willing to pay \$25.00 for every calf you have to pull that is sired by one of our 5-Star bulls. If veterinary assistance is required, we will pay your vet bill. We feel that you should be able to look forward to your next calving season.

This will require you to use our calving ease bulls by themselves or only with other guaranteed calving ease bulls. This means you will need to record which heifers are run with which bulls. We are willing to rely on your honesty

☆☆☆☆☆ 5-STAR RATINGS ☆☆☆☆☆

Calving Ease ☆☆☆☆☆

5-Star Rating System: Most of our bulls offered for sale could be used on first calf heifers due to shape and size. To help you identify our calving ease proven bulls, we have a 5-Star rated system, 5-Star being our easiest calving. Our 1 and 2 Stars are for cows, because the sires are less proven on heifers. Our 3, 4 & 5-Star rated bulls are out of proven calving ease bloodlines for birth weight and shape. These bulls will work the easiest on heifers. You may choose to use some of our 2-Stars on heifers calving under more supervision.

Fleshing Ability ☆☆☆☆☆

Fleshing ability has always been important, but will be even more important in the future as input costs increase. Easy fleshing bulls should sire daughters that are easy fleshing and more fertile. Our sale bulls are rated 1 to 5 Stars for fleshing ability with 5 being the best and 3 being about average. These scores will reflect the future fleshing ability of the bull, his offspring and daughters. We believe you should pay special attention to this trait if you are raising your own replacement heifers.

Disposition ☆☆☆☆☆

We have always been concerned about the disposition of our cattle and how we handle them. With this in mind, we have rated our bulls from 1 to 5 stars, with 5 being the best and 3 being average. We have kept track of how bulls have responded when working through the chute and as we pressure them when we intentionally sort them off and crowd them. Disposition problems are relatively easy to spot when you first walk into the cow herd or the bull pen. Life is much too short to put up with nervous or ill-tempered cattle.

AMDAHL ANGUS
Raising Cattle in South Dakota since 1884
Registered Angus Since 1972

60% of Bulls can be used on Heifers

INSPECTION OF CATTLE: cattle will be available for inspection at the ranch anytime prior to the sale, call to make arrangements.

HEALTH: Interstate health papers furnished on all cattle selling.

EPDS & \$VALUES: The American Angus Association is now calculating EPDs on a weekly basis using all available carcass harvest data, ultrasound data and the Igenity Angus specific genome profile data. It is possible new data has been submitted between the date the catalog was finalized and sale day which will affect the individual EPDS and \$Value Indexes of the animals selling. If your purchasing decision relies highly on the most current carcass data available, please look up animals of interest on the American Angus Association web page prior to viewing the sale offering.

TERMS: Cash - please settle for cattle promptly.

TERMS & CONDITIONS: All cattle sell according to the standard terms and conditions of the American Angus Association. Amdahl Angus will retain a 1/3 Semen Interest in all bulls and 1/2 interest a select few. New owner has Full Possession.

SIGHT-UNSEEN PURCHASES: If you can't attend our sale, we would be happy to help you select and purchase your bull. We know our bulls well and by visiting with you, we feel we can buy a bull that will fit your program. Some people prefer this. Call anytime at (605) 929-3717.

GUARANTEE: All bulls selling for \$2500 or more will be covered 50% if they are injured during their first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bull. Fifty percent of the value of the

injured bull, minus \$1000 salvage will be given as credit in a future sale or toward a replacement bull if one is available. Please notify us as possible if injury should occur and prior to the injured bull being sold. All Injured bulls must be diagnosed by a veterinarian and claims made before September. *Example:* A \$5000 bull is injured and will not heal. A credit of \$2500 minus \$1000 salvage will be given towards a replacement or credit in next years sale.

VOLUME DISCOUNT: 5% discount will be given on purchase of 5 bulls to one ranch

TRUCKING: We will be glad to assist in making the best possible trucking arrangements. FREE delivery up to 300 miles. A \$50 discount per bull will be given if they are taken Home sale day week.

SUPPLEMENT SHEETS: Will be available sale day with any updates.

INSURANCE: will be available sale day.

LIABILITY: All persons attending this sale do so at their own risk, legal or otherwise for their safety or the behavior of the animals. The Owners, Auction Service and Sale Staff assume no liability for property loss or any accidents that may occur

ANNOUNCEMENTS: From the block will take precedence over the catalog. Buyers unable to attend may send their bids to the Auction Service, Field Representatives or Auctioneer.

LUNCH: Lunch will be available sale day.

- Posted a WWR of 105
- Dam's Production: 1 NR 105.
- Grandam's Production: 3 NR 103
- Sure Reward was featured in the 2012 Bush Angus Sale selling for \$15,500 to Roger Kockenmus, Sioux Falls, SD. Today he posts an astonishing BW to YW spread and stems from a second-generation Pathfinder dam.
- Sure Reward was used very successfully in the Amdahl program as he was bred to 42 heifers and only 2 required calving assistance. One of those was backwards.

14 Sons Sell.

• One of the top WW and YR EPDs.

We have worked closely with Todd, Scott, and Roger Knochenmus (RK Angus) since 1988.

Todd Knochenmus passed away April 5th 2014 from his year long fight with Pancreatic Cancer. "The Cowman" as his friends called him will be missed by All.
