# OPEN HOUSE & ONLINE BULL SALE

## 3-20-2021

### Open House starting at 1 PM

### Bidding will end at 3 PM

### At the Ranch

# Welcome!

Welcome to our Open House and Online Sale!

We would be thrilled to have you come to the ranch for our open house and online sale to view this set of bulls for yourself. If you are not able to make it we feel confident any purchases made online will meet your satisfaction.

We are really proud of this set of bulls! We are offering a set of yearling bulls that are structurally sound with exceptional muscle and depth of body. The two-year-old bulls we have are big, thick bulls ready to go to work. All these bulls are backed by a cowherd we have worked hard to develop. Cows with consistent, high udder quality that have the look and high quality cattle in their pedigrees.

The cattle can be viewed any time it is convenient for you. Check out the videos on [TheLivestockLink.com](http://TheLivestockLink.com). Also sign up there to bid. Online bidding will begin on March 15th and will end on March 20th at 3 PM. It is a horse race style sale so any bids inside of 5 minutes extends the bidding by another 5 minutes, giving everyone a chance to bid again. We think you will like this format. Any questions about the cattle or bidding process, don't hesitate to give us a call.

Once again Thank You!

DOB 3/29/2012 • REG. # 43326843

*Bella is truly one of the elite cows of the breed phenotypically. She is flawless in her structure, beautiful uddered, feminine, good footed and has plenty of mass and muscle. Her first two natural calves are herd bulls: K&B Red Brand 417B and K&B Acclaim 622D. To date we have calves by her with eight different sires and she hasn't missed with any one of them. We own Bella with Hoffman Herefords, Thedford, NE, and her story is far from being written as her influence will be strong in both of our herds.*

002 is a powerful prospect by Bella 219Z and 27A. He's long, clean-fronted, correct made and carries more than adequate muscle down his top and through his rear end. He has very nice EPD figures and was only 79 lbs. at birth. He definitely has a bright future and is bred to be a herd bull. MD Free. Retaining 1/4 interest.

Herd bull prospect. Super exciting young bull with low birth, high growth and great carcass numbers. Made thick from end to end, yet smooth with a great look and loads of pigment! His dam is a beautiful daughter of Red Bull 200Z and a natural calf of our great 219Z donor cow. She is a full sister to Hoffman Herefords herd bull, Redbrand 417B. A powerful herd bull mother! Retaining 1/4 interest.

Real performance bull by 622 and his dam, 15B, that we purchased in the 2015 Delaney/Atkins sale. 997 is a big hipped, deep sided bull that can really get out and move. We missed dehorning him till they got a little too big so he still has them. Real solid rancher's bull. Maternal brother is Lot 24.

Solid marked, sound made young bull with good pigment. His dam is one of our good older cows by our 5037 donor cow. This guy should work on a color cow. Full brother sells as Lot 14.
