Welcome to Texas,

Welcome to THE BLACK HEREFORD SALE for the fourth year. It seems like there is not much time between the years these days.

But here we are again ready for the Best offering of the New beginning for Black Hereford cattle, in the whole United States!

THE BLACK HEREFORD SALE and the NATIONAL BLACK HEREFORD SHOW have moved to the Youth Expo center in Waxahachie, Texas. We should be warm!

Thank you to all friends and family who help us get ready for this sale each year, and then keep on helping all throughout the sale to make it a success. We know that without your help this sale would not be possible.

Triple L Ranch, and consignors listed at the bottom of this page, have new beginnings with the best genetic package ever offered. Cattle offered this year will help take your breeding program to the next level.

We will always be thankful for our Hereford and Angus friends with good cattle, but improve each year with great genetics. As always we bid you God speed in your cattle operations. Black Hereford breeders are fortunate to be able to use your genetics to produce better Black Herefords. Three breeds working together to produce better cattle. This makes raising cattle even more enjoyable.

Each consignor in our sale guarantees their cattle to be sound, with health papers, ready to be delivered to their new home in any state in the U.S.

Black Hereford cattle work with all breeds, and are perfect for any cattle person wanting Black calves.

This year March 13th, Friday evening, following the National Black Hereford Show, the Texas and Southwestern Cattle Raisers Cattleman's Association will be holding a ranch gathering. This event will be very informative for all cattle people. Information on this event is included in this catalog.

Thank you to Terri Barber, who has accepted our invitation to judge THE WBHA NATIONAL BLACK HEREFORD SHOW this year. The show is the perfect place to show the world what kind of cattle you raise.

Once again we have a fun filled weekend for the cattleman and his family. Thanks to our young men and ladies who serve as our Ambassadors from throughout the U.S. who help us with the National Black Hereford Show, participate in the showing of their cattle, and then help us with the sale on Saturday.

Black Hereford breeders from across these great United States will gather in Waxahachie, Texas to show the world what they have to offer.

Opportunities are endless at this fun filled Black Hereford weekend with good people, good food, and good cattle!

Consigned by Triple L Ranch. We call him Kansas, a proven homozygous herd sire which is one of our best herd bulls who served us well. After going through our records we found his calves always topped the market. He produces herd sires and top quality show and replacement heifers. If you need or even think you may need a long, deep muscled bull with a lot of chrome you must take Kansas home with you.
