Welcome

to THE BLACK HEREFORD SALE for the 5th year. The most talked about and well attended event for Black Herefords throughout the United States.

We offer Black Herefords that fit any breed. Registered breeders, as well as commercial breeders are using Black Herefords and like the results. Cattle pedigrees in this year's offering is like reading the Who's Who of both Hereford and Angus associations. Regal, Keynote, Bismark, Miles McKee, Highbrow, Extra Deep, Rito, and Remital to name a few. Whether you are just getting started in the cattle business or long time ranchers, cattle from THE BLACK HEREFORD SALE will produce Black calves for you.

Triple L Ranch believes our cattle must get better each year. By adding new genetics from our Hereford and Angus friends, we not only create better Black Herefords, we supply you with NEW genetics. With new genetics added, we offer Total Outcross Black Herefords. Nowhere but Texas, offers excellent genetics like this.

Each consignor guarantees their cattle to be sound, with health papers, ready to be delivered to their new homes throughout the United States.

This year for those of you who can't attend, bid on our cattle live at DVAuction or for the first time ever a Black Hereford Sale will be broadcast live and bids taken through Superior Livestock Auction. This is a huge step forward for Black Hereford breeders everywhere, to have our sale live on RFD TV.

Along with the Sale we combine the WBHA National Black Hereford Show. This allows all kids the opportunity to compete in the show ring, learn about cattle, and have fun. AHA Board member Terrie Barber agreed to have a show workshop before judging our show again this year.

Join us Friday morning for the Show and Friday evening for a Ranch Gathering hosted by the Texas South Western Cattle Raisers Association, with the evening meal supplied by Certified Hereford Beef. Black Hereford cattle qualify for BOTH, Certified Hereford Beef and Certified Angus Beef programs. You can't go wrong with Black Herefords! Truly the best of both worlds!

Special thanks go to all the hard working kids who serve as Ambassadors helping us with this Black Hereford weekend.

I must mention, without help from my family, our ranch family, close friends, and our consignors, this sale would not be possible. Thank you!

Make plans now to attend The Black Hereford weekend event where ranchers from across the U.S. will gather in Waxahachie Texas. Another fun filled weekend for the cattleman or woman and their families.

Good people, good food and good cattle. This is the event you don't want to miss!

Consigned by Iron Lake Ranch. These two heifers are sired by the ever popular Catapult bull. We sold 1/2 interest in that bull in our October 2015 sale for \$74,000. These two F1's are solid all across with tremendous depth of rib and flank and will combine calving ease with growth and carcass while still being highly maternal.
