Cattlemen,

Welcome to our 2014 Productions Sale at Blacktop Farms. It has been a cold winter so far. We look forward to warming weather for calving! Our family has been working hard to prepare your next herd sires. This year you will find an exceptional set of Hereford bulls, the majority working on heifers even. We also bring you another great set of Angus bulls including a large set of Consensus sired bulls that were so popular at our 2013 sale.

We invite you to stop by early and walk through the bulls and even their dams. We are proud of our moderate framed, easy fleshing, good uddered cows. We have always strived for a well balanced, efficient cow herd.

The bulls do not run through the sale ring but will be penned sale day for you to view. We have videod each bull and will display this during the auction. You can also pre-view these at www.blacktopfarms.com.

We invite you to join us for supper prior to the sale at 5 p.m. We want to be a partner in the success of your operation. Please feel free to ask any questions you might have. We will help you pave the way to profit.

Steve, Lori, Kelsey, Abby Repenning | Blacktop Farms

Lots 49-54 789, 522, 619, 5161, 912 & 954 These ET brothers have hit our goal and then some. Soggy, deep bodied, good looking calving ease sires. Dam, 10N, was a great donor with a 99 BWR, 108 WWR, 102.4 YWR on her calves. Her 26 progeny have done an exceptional job for our customers and our herd. There sire was the top selling bull at Topps in 2012, selling for \$170,000. These bulls should be the ultimate calving ease cow makers.

Lots 63-66 Another great set of ET brothers by the calving ease, now deceased About Time. The dam was many time Champion for Abby in 2011. Her mother is the famous Felton G11 cow, mother of Ozzie and many other practical great producing progeny. Hard to find calving ease Hereford genetics. Will be great black baldy makers.
