## *Cattlemen,*

Welcome to our 2016 performance bull sale at Blacktop Farms. This is our 23rd year providing practical, honest breeding stock for the beef industry. This is the best set of bulls we have ever raised. It is truly a pleasure to enjoy this life with our family which will include a son-in-law, Connor Powell, in October!

You will find our bulls are strong in growth and their progeny excel in the feedlot. You will find our cow herd moderate in frame with good udders. We have partnered with J & R Feeds to optimize the growth of our bulls while keeping the soundness we strive to provide. You will like what you see. Feel free to stop by anytime to view the bulls.

The cattle market this year has certainly been a challenge. Our bulls continue to bring reasonable prices and have genetics to increase your return on investment. We would like to be a partner in your operation's success. Come take a look and see.

We would also be glad to help you select a bull. Just let us know your goals, and we will help you find a bull to fit your needs. We would be glad to answer any questions you have.

**Steve, Lori, Kelsey & Abby Repenning | Blacktop Farms**
