5031R's EPDs might not wow you but at seven years old he still travels like a good saddle horse. 5031 sons are easy fleshing with big scrotal measurements, much like their sire. They are sound footed bulls that get out and really travel and last a long time. With the cost of bull replacement, don't underestimate the importance of longevity. Nine powerful sons sell.

I started this six year old mare as a two-year-old for my in-laws and purchased her the next spring to calve on. She is as gentle as they come. Has been used for all kinds of ranch work. She is an easy mover with a ground-covering walk. If you are looking for a good, honest horse she is your mare. Contact Jed Seim for additional information @ 605-788-2981.
