Unfortunately all birth weight records were lost for the 2014 calves. Here is a list of 2015 bull calf birth weights by sire groups to give our customers more information:

Sire	2008	Avg. BW on bull calves - 79 lbs.
	292	Avg. BW on bull calves - 81 lbs.
	9162	Avg. BW on bull calves - 77 lbs.
	113Y	Avg. BW on bull calves - 81 lbs.
	930	Avg. BW on bull calves - 90 lbs.

Not every bull can index over 100 because we have a very strict culling process at branding and again during fall shots.

The Bull's Purpose #1

Your bull's #1 purpose is to get your cows bred and produce a live calf, that is why at Carmichael Herefords we put so much emphasis on moderate birth weights because we range calve all our cows. Our program is built on raising structurally correct, sound footed bulls with big scrotal measurements. It is a proven fact that large scrotal measurements translate to fertility and milk.

The Bull's Purpose #4

Your bull's #4 purpose is to breed fertility, longevity and durability into your cowherd. It is in Herefords' DNA to endure every curve ball Mother Nature throws at them. Whether it's an early fall snow storm, harsh winters, droughts or floods, at Carmichael Herefords we strive to produce cattle with proven genetics to add fertility, longevity and durability to your program.

Carmichael Herefords looks outside the numbers to see the most important purposes of your bulls.

Woodrow is a home raised five year old gelding that is broke to ride. I was going to keep this horse as a stud but ended up cutting him and buying my in-law's stud. I can't say enough about this young gelding. He is easy moving, level headed, quiet and nice to be around. These horse have natural cow sense and athletic ability to do anything you want. For sale because I raise them to sell them. For more information on Woodrow, call me at 605-788-2981.

Cody is a six year old ranch broke gelding. He comes from Doc Fords program that Ryder Peterson, my nephew, and I bought as a colt. I bought Shambo Sam (the sire to Cody) from Doc and used on my mares for three years. These horses are big, stout, quiet and people friendly. Ryder does great with these horses and helps me start all of my colts. Cody is a been-there, done-that kind of horse that anyone can ride. For more information on Cody you can call me at 605-788-2981 or call Ryder at 701-800-1439. Thanks for the interest!
