

World Class Bull Sale

TUESDAY, JANUARY 26, 2016

CHURCHILL CATTLE
CO.

World Class Herefords

CHURCHILL CATTLE CO.

1862 Yadon Rd. • Manhattan, MT 59741

Welcome

Nancy and I would like to welcome you to the Churchill Bull Sale!

We are very excited to present this quality offering of Churchill bulls to you. We work very hard to offer you the very best genetics that we can to make your herd and your operation better and more profitable.

The bulls are sired by leading Churchill sires like Sensation, Red Bull, A1 and Stud as well as the best sires we could find from the best breeders like Advance 3022, Full Throttle and 88X. We have a very strong ET program which means the quality of our bulls just runs that much deeper. This is to your advantage so that you can buy better bulls for the same money.

Churchill Sensation and his influence have made our herd and the breed a lot better in so many ways. The Lot 1 bull, Churchill Kickstart 501C ET, has the ability to have the same kind of impact.

Our genetics are designed and raised for ranchers! We demand fertility, calving ease, calf vigor and fast growth. These bulls have very strong carcass traits. Our cow herd is run under real world conditions and is very efficient and practical.

Our donor herd is the source of most of the real genetic progress at Churchill. This sale offers you, the rancher, the opportunity to reap the benefits of the genetics of this amazing group of females.

We are selling more bulls this year and there will be a bull for every budget. We will keep these bulls until you are ready for them and develop them so that they will work hard for you. This is a rancher's bull sale!

If you have any questions about anything to do with the sale, please contact us. We appreciate each of our customers and we are committed to your success.

For updates and new data on the bulls, go to www.churchillcattle.com.

We are easy to get to; just two miles off I-90 and 8 miles from the busy Bozeman airport. We would love to have you come on Monday to view the bulls and then join us on Tuesday, January 26, for the sale.

Dale and Nancy Venhuizen

Thank you,

Dale and Nancy Venhuizen

Selling

- 82 Yearling Bulls
- 39 Long Yearling Bulls
- 27 Open Commercial Heifers

If you are not able to attend the sale, you can bid on the cattle by one of three ways:

- Over the internet at www.cattleinmotion.com
- Through Superior Productions while viewing it on TV on Dish Network
- Through a conference call line that is live at the sale.

The conference call number is 1-888-740-4219 and the password is 124909. If you wish to call in and bid, please contact Dale or Nancy Venhuizen prior to sale day if possible. A moderator will come on the line at 12:50 p.m. right before the start of the sale.

This sale will be broadcast live at: www.cattleinmotion.com
To view this sale live, simply log onto www.cattleinmotion.com
and click on the sale that will be listed on the
right hand side of the screen.

If you have never been to the CIM site, you must first
create an account to view a sale.

Be sure to view the videos prior to the sale at: www.cattleinmotion.com

LIVE AUDIO • LIVE BIDDING • LIVE BROADCAST

Questions and concerns please call: 888-554-VIDS (8437)

The Churchill Bull Sale is Tuesday, January 26 at 1 p.m. (MST) at the ranch, one mile north of Manhattan on Yadon Road. Lunch will be served at 12 noon. Sale cattle will be on display all day Monday, January 25. The entire offering will be sold via video. To view the video, go to www.churchillcattle.com or www.cattleinmotion.com. Join us Monday evening to view the cattle, visit and enjoy refreshments.

Air Travel

We are only 10 minutes from the Bozeman airport, served by United, Frontier, Delta, Northwest and Alaska.

Delivery

We will pay one-half the delivery cost on the bulls to central points anywhere in the continental United States. For Canadian buyers, we will deliver up to the nearest point of entry. Bob Woolsey, Woolsey Trucking, will do most of the longer deliveries. Phone 406-670-1877. Questions, contact Dale.

Terms and Conditions

TERMS:

Terms of the sale are cash unless other arrangements are made before the sale with Dale or Nancy Venhuizen. Every animal will be sold to the highest bidder with the auctioneer settling disputes as to bids. All cattle are the buyer's property as soon as sold and will be cared for a reasonable length of time at the buyer's risk. Neither Churchill Cattle Co. nor any person connected to this sale assumes any liability, legal or otherwise.

GUARANTEE:

Every animal in this sale is, to the best of our knowledge, free from any disease or defect. All animals are guaranteed breeders. If an animal fails to breed after a period of six months, it may be returned to the seller in good condition and in compliance with Montana Health Regulations. The seller reserves the right to try the said animal for six months and if it proves to be a non-breeder, either an animal of comparable rank will be substituted or credit will be given in a future sale on an animal for animal basis. All pregnant females are considered breeders. No other warranty of any nature is expressed or implied.

HEALTH:

Each bull will pass a semen test before leaving our ranch. The health of the herd is excellent. We guarantee that all sale cattle will be able to ship to any state or Canadian province. All females are officially calfhod Bangs vaccinated. All cattle are on a complete pre-conditioning program and herd health program. Our vet is Dr. Bruce Sorensen, 406-388-6275.

WINTERING OF BULLS :

We will keep any sale bull until spring, at no cost, if it helps you and if it is better for the bull. However, we do believe it is good for your bulls to get adjusted to their new home as soon as possible, especially if it is a different climate than here. We recognize that the purchase of bulls is a major investment and we will do everything we can to make sure your bulls are fully prepared for breeding season. No deliveries will be made the first three weeks of April as that is AI and ET season for us.

PERFORMANCE INFORMATION:

All footnotes were written with current EPDs as of Dec. 15, 2015. Many of the bulls in the sale have been DNA tested for parentage, genetic defects and have had their EPDs Genetically Enhanced to provide the most accurate EPDs possible on a yearling bull. All this information will be available sale day or go to www.churchillcattle.com for updated information. We are a strong believer in EPDs and measurements collected here at the ranch and have used both of them to make breeding decisions for 35 years.

BULL DEVELOPMENT:

All the bulls have been fed a high roughage ration using CHS Bull Challenger in limited feeding. They are not fed for maximum gain but for future usefulness. In January at sale time, the bulls are just starting to hit their stride. By late spring they are big and strong and ready for the work that you have for them. This program has worked very well for our customers in the past.

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding program for cattle buying. Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superorlicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superorlicktobid.com and follow the out-lined steps to get started. Input your information and select a username

and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on Dish Network channel 232. Please note that there is a short delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on. The sale will also be broadcast live on the internet at www.superorlicktobid.com – just go to the home page and select the auction. Remember you can call in to bid whether you watch on the TV or on the internet, but you must be a member of www.superorlicktobid.com to "click-to-bid". Your computer must have Flash Media Player installed to view the auction. If you have any questions, please call the Superior Productions office at 800-431-4452.

Bidders who are successful in making purchases via satellite or internet will be contacted by the ranch after the sale to settle payment and make shipping arrangements.

UPCOMING SALES FOR 2016

Pride and Performance Online Sale May 4
Featuring fall born heifer calves and embryos

World Class Female Sale Sept. 16
Featuring bred heifers, heifer calves, donors and commercial bred heifers

MARKETING ASSISTANCE

We will do our very best to help you market your cattle whether it is steers or replacement females. A big driver to help us in this is Certified Hereford Beef® (CHB). This is a program that we have personally put a lot of time, resources and energy into. CHB is a dynamic, fast growing, nationwide program that markets nearly 400,000-head of Hereford and Hereford influenced cattle each year. Most of these cattle are sold on a live basis at the very top of the market at harvest time with hardly any discounts. There is a premium for cattle that grade a high percent Choice. Over the years we have built a very good relationship with feeders that market into the CHB program. These feeders like Churchill genetics because of the strong growth and feed efficiency in the cattle. They are money

makers in the feedyard. They also like it when our genetics give them a premium for grading a high percentage Choice. Take advantage of the extra marbling that has been bred into the Churchill cow herd for a long time so that whoever feeds your cattle can market them at harvest time for the most money. To help place your cattle out of Churchill genetics into the CHB program, contact Dale Venhuizen or Trey Befort at CHB. Trey is a great young man who works with the feeders on a daily basis to help place feeder cattle into CHB qualifying feedyards. Trey can be reached at 816-842-3758 or email him at trefort@herefordbeef.org. If you have Hereford or baldie replacement heifers to market, we may be able to help you as we get many calls throughout the year for high quality commercial females out of Churchill genetics. But for the female market, there is a big emphasis on quality. They have to be top genetics, good disposition and in good condition with a quality health program so that they turn out to be the kind of working cows that the buyer expects. To buy or sell commercial replacement females, contact Dale Venhuizen.

- BW 83 lb., WW 905 lb., 10½-month wt. 1,255 lb.
- Kickstart is one of the best and most unique Herefords we have ever seen or worked with!
- He is thick from end to end, square rumped and thick quartered with a deep rib that carries all the way back into his flank. He has a straight top, clean sheath, clean front and is full of muscle, yet is soft made. He has beautiful, pigmented, hooded eyes and a large, dark scrotum that hangs right.
- His dam 33N and grandam 002X are two of the top proven cows in the breed.

- He is our highest weaning weight bull ever at 1,000 lb. at eight months, yet had only an 83 lb. BW with short gestation.
- He is in the top 5% of the breed for CED, WW, YW, UDDR, TEAT and REA.
- Homozygous polled
- He can move the best programs forward and will be a strong semen seller for years to come!
- Terms of sale announced sale day. It will include some possession.

- Red Bull is the first natural son of the super cow, 002X. He has developed into a dominant sire in the Hereford breed. He is a proven trait leader in 16 areas! No Hereford sire can match his combination of calving ease, low birth weight, growth and udder quality. He is pictured at the end of our breeding season this past summer.
- Semen available through Iron Lake Ranch or Origen Inc.
- Owned with Iron Lake Ranch, Grand Meadows, Section 16, Linda Lonas and Southern Cattle Co.

- Sensation continues to captivate the attention of the nation's purebred and commercial breeders. Now that his daughters are in production, it is even more so. They are fabulous cows: efficient, easy fleshing, moderate with ideal udders and great calves at their sides. Our top selling bull last year was out of a 2-year-old Sensation daughter. With his best in breed calving ease, extra thickness, eye appeal and terrific daughters, you cannot get too much Sensation blood in your herd!
- Semen through Genex
- Owned with Stuber Ranch, Upstream Ranch and Van Newkirk Herefords

UDDER QUALITY EPDS

This is the first year that American Hereford has had udder and teat EPDs. We have put a strong focus on this area, so the bull offering is very good for these traits. In fact, five of our most important sires, Sensation, Red Bull, Stud, Outcross and Perfect Timing, are all in the top 5% of the breed for these important traits. The females out of these sires are just incredible. In addition to those bulls, 955W and A1 are in the top 15% and 144Y, 0130X and 0102X are in the top 25%.

• A1 is a stout, thick Sensation son out of Yankee's full sister. He is a low birth weight sire that is very easy fleshing and is top 1% of the breed for MARB.
• His sons are very consistent with lots of quality.
• He is owned with Rausch Herefords

- We acquired 3022 from Holden's in 2014 as their high selling bull at \$80,000 with Harrison Cattle Co. This is his first calf crop and they are exceptional all the way through. 3022 is a calving ease bull with exceptional growth in a very eye-appealing package! His calves are all long bodied, flat topped, wide loined cattle that have width of base and quality. He is very good on his feet and legs and his calves are very docile. He is the only L1 bull we know of with an 80 lb. BW, 800 lb. WW, 1,400 lb. YW and 42 cm. scrotum!

- BW 77 lb., WW 817 lb. Horned.
- The best of 3022 and Sensation all wrapped up in one bull!
- Extremely low birth, very high weaning!
- Super long bodied, excellent thickness, loads of pigment, big scrotum, very gentle!
- Dam 284 is very unique and a superstar in our herd; top 1% CED, BW, MM and MARB! She is moderate, powerful and has a gorgeous udder.

- BW 101 lb., WW 826 lb. Scurred.
- Full Tilt is one of the best and most powerful bulls that we have ever produced!
- He is incredibly long bodied, thick made, square hipped and clean fronted. He is very sound structured with good feet and legs.
- Even though he weaned at 826 lb., he has gained 5 lb./day since weaning!
- His dam, 037X, is a magnificent animal and was the high selling Hereford cow

- of the fall sale season when she sold for \$75,000 to Sierra Ranches. His full sister is one of our best heifers ever and sold for \$60,000 to James Rosenberg and Devon Lockhart.
- He is a bull that will breed growth, carcass quality, maternal strength and loads of eye appeal
- Selling ½ interest, full possession and ½ semen sales.

 • You won't find any Hereford bulls that are stouter with more muscle shape than these Full Throttle sons. They have a lot of quality; good hair, wide based, very sound and fertile. These are his first sons to sell so you can get in on the ground floor with these sons. His semen is very expensive so give a hard look at these 9 sons!

- BW 85 lb., WW 808 lb. Polled.
- Toro is a very special bull with big time potential!
- His dam, 2205, is an incredible power cow and is getting flushed as much as any cow on the ranch.
- He is a smooth polled 88X – hard to find.
- Toro is really wide based with as much rib as any bull in the sale. He has great structure and is very attractive.
- His EPD package is balanced and strong in all the key areas.
- We believe he will be a good match for our Red Bull daughters so we will use him that way.
- Selling ½ interest, full possession and ½ semen sales.

- BW 85 lb., WW 761 lb. Horned.
 - We named this bull Prime Rib because he is just mouth watering!
 - He is a March calf with loads of eye appeal, great structure and great genetics.
 - Full brother to Lot 68 out of 002X.
 - Extremely strong EPDs!

- BW 99 lb., WW 800 lb. Horned.
- This is one of the best horned bulls we have raised in recent years! He has the look, the numbers and the genetics behind him!
- He is tremendously powerful with a wide loin, square rump, big hip and very deep rib. He is really built right through his front third.
- He is top 20% for WW, YW, MM, UDDR, TEAT, SC and every carcass trait! Top 3% CHB\$ Index.
- His dam, 1162Y, is quickly becoming one of the top producers in the breed; eight daughters have sold this past year to average \$28,000 to top breeders all over the country.
- Selling ½ interest, full possession and ½ semen sales.

- BW 87 lb., WW 732 lb. Horned.
- A fantastic 88X son out of the super cow, 002X! His mother has produced more top end bulls than any cow we have ever had.
- This guy is really good and is loaded with quality, including lots of pigment.
- His balanced EPD package is in the top 15% for nearly every trait.

- BW 80 lb., WW 766 lb. Horned.
 - Top end prospect with different genetics for us. His dam is sired by the Churchill Royal bull we sold to Copeland's years ago that has done so well for them.
 - This bull is stout and deep with lots of bone and a very good look.
 - Excellent birth to weaning spread!

• BW 72 lb., WW 739 lb. Polled.

• This is an absolute great bull to start off our fall yearlings!

• He is a power bull with excellent structure, long bodied and wide backed with a big hindquarter and large scrotum.

• His dam, 171Y, is one of our leading donors and one of her daughters topped our female sale at \$80,000!

• His EPDs are very strong with top 5% WW, YW and MARB.

Sale bulls as babies

Commercial Open Heifers

COMMERCIAL HEREFORD HEIFERS

*Churchill
Lot 121A
Commercial*

- Twenty-one open commercial Hereford heifers. These heifers were raised in central Wyoming and are over three generations deep in some of our best bulls. They are one iron, are Bangs vaccinated and will make top replacements. Their steer mates are always very popular as they feed and convert very well. They will be ready to breed in the spring.

COMMERCIAL CROSSBRED HEIFERS

*Churchill
Lot 121B
Commercial*

- Eight open crossbred heifers all born at Churchill, sired by our herd bulls and out of our recip cows. These are very good heifers born in March and early April. They are red baldies, black baldies and black. They would make excellent recipis after having their first calf. Bangs vaccinated and not branded.
