And Guests

September 22, 2012 — Noon (EDT)

Dear Friends and Fellow Hereford Breeders,

We would like to welcome you, once again, to our Traditions of the Cove sale. This is our third sale and we are extremely excited about what we have to offer to you! It's hard to believe the summer is waning away already. Last year's sale is still fresh in our minds as the unforgettable, record 8-inch snowfall happened on sale day! We were very humbled by the turnout in such weather conditions! Thinking how that was odd, we never imagined that the snow that fell in the early fall would pretty much be it for the entire winter. But we are thankful that the mild winter wasn't dry and the spring brought on a bountiful hay harvest. The summer has been hot, but the corn has grown well and will fill the silos in September. We are set for winter, mild or otherwise.

Our sons, Austin and Andre, have done a wonderful job managing the herd. It will never go without saying that these young men have made me proud with the work that they have put into Deana Jak. Our sons and the rest of the children, Aleesha, Nigel, Ethan and Kaia, have made enormous contributions to this farm. They are all growing and maturing into great young people. Each one brings new ideas and allows us to stay fresh in the breeding business. As with our mantra... "Committed to this industry's strongest asset ~ the children"... the example we want to show is that children play an important role in growing this industry. They are the future. Jenny and I are blessed.

Our offering is deep in quality and style; cows that can take up residence in your front pastures and bred heifers that will soon be productive additions. The heifer calves

will make great show prospects and bull calves that offer slightly different pedigrees will be an enhancement to any herd. We were not disappointed with the 2012 calf crop, especially with the calves by our herd bull, DJF 3027 513T Victorino 0002. They are calving ease, stout, stylish and most important for us in a bull, consistent. We have decided to part with just two of his daughters in this sale. Four of our yearling heifers that are offered here are bred to Victorino as he truly is a sure-fire heifer bull.

Joining us in the sale are our friends at Stockdale Hereford Farm of Dayton, Pa., for the third year in a row. Along with their good cattle, many of us can appreciate the straight forwardness Denny brings to the Hereford breed. Newly joining us this year is Glenview Farm of Shinglehouse, Pa. The Booths have been raising sound, functional and moderate framed cattle for many years and were a nice fit. Both of these consignors bring the eye appeal, soundness and production we all look for in cattle.

So, with all that, we invite you to Deana Jak Farms in New Enterprise, Pa., Friday, September 21, 2012, to preview this awesome set of cattle from 4 to 8 p.m. Jenny will have dinner for all. Our Traditions of the Cove Sale is Saturday, September 22, 2012, preview beginning at 8 a.m., lunch will be served at 11 a.m. and the sale will begin promptly at noon. If you are not able to attend, you can participate online at www.dvauctions.com. Should you need any information regarding the cattle or if you need assistance making arrangements to visit our sale, please do not hesitate to give us a call.

Very Truly Yours,

Doug Howe

- This is a beautiful cow who was born in the Red Hills herd. Super angular with a great udder and speckles that cover her face. She is a Red Hills Clinton daughter. Trisha T77 may be a 6-year-old, but she has tons of life left in her. Donor permitted and will be one great cow to flush. This highly maternal gal has done an excellent job with her Shock & Awe heifer calf. We might consider buying half back.
