Traditions of the Cove 2013

DEANAJAK
FARMS INC

And Guests

September 28, 2013 — Noon (EDT)

Dear Friends and Fellow Hereford Breeders,

We would like to welcome you once again to our Traditions of the Cove sale. It's hard to believe the summer is waning away and it is sale time again. Our area has been doused with more than 25 inches of rain this summer and we are rich with lush pastures. The cows and calves are flourishing!

The children, they are flourishing as well. Our youngest three, Nigel, Ethan and Kaia, are really growing up and can handle pretty much any task you give them. From calf checks to the show barn and to the ring, they are really maturing into some pretty great young people. Aleesha is doing photography work for the farm and others while assisting in all areas of the farm business. The oldest, Austin and Andre, have the day-to-day management responsibilities of the farm. I'm sure I don't say this nearly enough, but these children make Deana Jak Farm what it is and I couldn't be more proud of each and every one! I will say it again, Jenny and I are blessed. Just so all are up on family news: Austin is engaged to Kelsey Diehl, from Fairfield, Pa., whose family is consigning with us this year. Andre is engaged to Katrina Frey, of Quarryville, Pa. Her family has Frey Family Angus. Both are getting married next year and we are very excited to see our sons move into the next steps of their lives!

As far as the sale business, our offering is high in quality, style and are functional. There are cows that are definite donor material and also heifers that will show as well as being productive individuals. The bull calves have interesting pedigrees that will be an enhancement to any

herd. The calves out of our herd bull DJF 3027 513T Victorino 0002 are real nice. Calving ease, stout, stylish and most important for us in a herd bull, consistent. Austin and Andre are more than happy to talk to you if you should have any questions on anything we are offering. We will be posting videos of the sale lots, so watch for updates on our website and on our Facebook page.

Joining us in the sale are our friends the Denny Stockdale family of Stockdale Hereford Farm of Dayton, Pa. Stockdale's are with us every year now. We have great respect for Denny and the knowledge he brings alongside his good cattle. Massey Booth at Glenview Farm of Shinglehouse, Pa., joins us once again. Massey never fails to bring sound, moderate females and quality calves. Lastly, our new addition, KLD Cattle Co. of Fairfield, Pa. We have known the Diehl family for a number of years and have really appreciated their great cattle and are glad to have them in our sale this year. These Hereford breeders produce great stock with eye appeal, soundness and quality production that we all look for in cattle. Each has a definite commitment to the breed and to every customer. Your decision to come to our sale is a choice... one that we deeply appreciate.

So with all that, we invite you to Deana Jak Farms in New Enterprise, Pa, Friday, September 27, 2013, to preview this awesome set of cattle from 4 to 8 p.m. Jenny will have dinner for all. Our Traditions of the Cove Sale is Saturday, September 28, 2013, preview beginning at 8 a.m., lunch will be served at 11 a.m. and Cody Lowderman will throw down the gavel promptly at noon. If you are not able to attend, you can participate online at www.dvauctions.com or just call the farm. Should you need any information regarding the cattle or if you need assistance making arrangements to visit our sale, please do not hesitate to give us a call.

Very Truly Yours,
Doug Howe
