And Guests

September. 26, 2015 — Noon (EDT)

Dear Friends and Fellow Hereford Breeders,

We would like to welcome you to our Traditions of the Cove sale. This summer seems to have gone by quickly and it's hard to believe sale time is here.

Our family is doing well. Austin and Kelsey and Andre and Katrina keep the operation running smoothly on a daily basis. Nigel is at the farm now and has been a real asset, especially during the calving season, taking the night watch to make sure all the calves arrived safely.

Ethan has spent a majority of the summer working the show and sale cattle. For the girls, Aleesha is pursuing her love of photography while Kaia is managing her goat herd. Busy is an understatement.

This year we have something for everyone. The Pick of Heifers from our "Remi 213" should not be missed. We have confirmed heifer pregnancies coming in the spring from a variety of top sires that will be available to pick from. Also, Lot 5, our prolific P75 donor cow, has given us many real nice females. You won't want to miss her. There are very nice show heifers and much more!

We have our consignors listed below. These Hereford breeders produce great stock with eye appeal, soundness and quality production that we all look for in cattle. Each has a definite commitment to the breed and to every customer. Your decision to come to our sale is a choice... one that we deeply appreciate.

So, with all that, we invite you to Deana Jak Farms, in New Enterprise, Pa., Friday, September 25, 2015, to preview the cattle from 4 to 8 p.m. Jenny will have dinner for all. Our Traditions of the Cove Sale is Saturday, September 26, 2015, preview beginning at 8 a.m., lunch will be served at 11 a.m. and Cody Lowderman will throw down the gavel promptly at noon. If you are not able to attend, you can participate online at www.dvauctions.com or just call the farm. Should you need any information regarding the cattle or if you need assistance making arrangements to visit our sale, please do not hesitate to give us a call.

Very Truly Yours,
Doug Howe

- Here is one of the best opportunities there is to offer. This female has become a tremendous donor and stamps her calves with added look and power. Her first set of ET calves demanded nearly \$100,000 total with just six calves. The proof is in her progeny and the calf of your choice is sure to make a huge impact in your respective herd. 213 herself is a past national champion in Louisville and we believe she's the kind to produce the banner winners. Don't let this offer pass by!

- DEP Ms Lucky Lucy 133 ET x NJW 73S W18 Hometown 10Y embryos. Talk about a hardy serving of steak with your eggs! “Lucy” is a direct daughter of DEP Good & Plenty ET. She has tons of performance, muscle and soundness held together in an elegant and pretty package, not to mention the amount of maternal cow power she exudes. Hometown 10Y is a bull that needs very little introduction. Hometown felt like the right choice for us because of his low birth weight and tremendous carcass traits that would have any commercial producers want in on this deal! We think these two complemented each other very well both phenotypically and genotypically! Buy these embryos with confidence and call us when these calves are on the ground!
- Selling three (3) embryos guaranteeing one 90-day pregnancy if work is done by a certified embryologist.

• Rockette really brings a look and presence to the table. Plenty of style and balance in this fall show heifer prospect. It has always been policy at Oak Ledge Farm to produce sound, thrifty cattle that will show competitively and mature into productive, attractive brood cows. Rockette fits these criteria well. Her twin sister was admired by many when she was sold this spring at the Ohio Beef Expo. Her dam is a flush sister to a prior Denver reserve grand champion female for Rusty Miller. Better to show her than show against her!

• Rebecca is the pasture mate to Rocket, another competitive quality female from the Oak Ledge Farm program. When the statement is made, "It's all about the cow," one will understand the importance of strong cow families.
 • Rebecca's maternal great-grandam was a former show heifer of the year. Her grandmother was shown as a cow-calf pair 11 times in 11 major shows over three show seasons. That represents one really solid cow family. Rebecca is on course to follow the family tradition to be a superior producer in years to come. In the meantime, why not show her and enjoy watching her grow and win.

Breeding information and due dates printed in the catalog are based on AI dates and pregnancy evaluations by competent technicians. While we believe all information to be accurate, we understand that some error in pregnancy testing can occur. We guarantee the females to be bred at the time of sale but have no control past this point. We suggest the best management at calving to ensure a live calf. We also suggest you insure your purchase and/or the pregnancy. Information updates provided on the Sale Supplement sheets or announced from "the block" take precedence over material printed in this catalog.
