Dear Friends and Fellow  
Hereford Breeders,

We would like to welcome you to our Traditions of the Cove sale. Where is the year going? It is hard to believe that it is sale time already!

The family has grown over the winter! Harper Lynn, born to Andre and Katrina, joined the family January 8th. What an exciting, new adventure for all of us, especially for this grandfather!

Our sons and daughters have done a wonderful job with the farm and this sale is a reflection of all their hard work!

From the day-to-day farm jobs, to the marketing, photos and everything else, they strive each day to bring on super functional cattle with the Hereford breed that we are so fond of.

The sale offering this year is pretty special! The set of heifers from our donor, Remetee 213, should not be missed! Another feature in this year's sale is Lot #8, the right to flush our Lemon Lime, who has been very successful in the showing and to own a piece of her is a unique opportunity!

The guest consignors this year are Stockdale Hereford Farm, KJD Cattle Co., Francis Show Cattle and Stockdale Cattle Co. These Hereford breeders produce great stock with eye appeal, soundness and quality production that we all look for in cattle. They have a definite commitment to the breed and to every customer.

I say this every year and we really mean it, so I'll say it again. Your decision to come to our sale is a choice... one that we deeply appreciate.

We invite you to Deana Jak Farms in New Enterprise, Pa., Friday, September 23, 2016, to preview the cattle from 4 to 8 p.m. Jenny will have dinner for all. Our Traditions of the Cove Sale is Saturday, September 24, 2016, preview beginning at 8 a.m. Lunch will be served at 11 a.m. Cody Lowderman throws down the gavel promptly at Noon. If you are not able to attend, you can participate online at [www.dvauctions.com](http://www.dvauctions.com) or just call the farm. Should you need any information regarding the cattle or if you need assistance making arrangements to visit our sale, please do not hesitate to give us a call.

Very Truly Yours,  
Doug Howe

- In order to sell this heifer, we had to have the “can’t keep ‘em all talk” with the kids! This is only the second female we have offered out of our donor Lulu, our “Queen Bee” as she is referred to around home!! Lola is a maternal sib to RS Magnum, RS Hot Mess, RS Lucille and the list could go on. Lulu’s family so far has produced over 13 banners from national shows to regional jackpots. This heifer is made of the genetics that have enabled us to put the kids in the winner’s circle and help them make a footprint for themselves in this business we love. I could talk on this heifer for days. There is no question this female can add to anyone’s program in major ways.

**Pregnancy Testing:**

Breeding information and due dates printed in the catalog are based on AI dates and pregnancy evaluations by competent technicians. While we believe all information to be accurate, we understand that some error in pregnancy testing can occur. We guarantee the females to be bred at the time of sale but have no control past this point. We suggest the best management at calving to ensure a live calf. We also suggest you insure your purchase and/or the pregnancy. Information updates provided on the Sale Supplement sheets or announced from "the block" take precedence over material printed in this catalog.
