John & Alexandra

Olivia, Kristina & Ellen

Rosie & Ty

WELCOME, and thank you for your interest in our Hereford cow herd.

The Ervie Hereford herd has existed now for over 50 years, and has played a major role in the lives of all our family.

We are quietly proud of the consistency and quality of our cow herd and believe they will do a great job for you whatever bull you breed them to. Our use of line breeding will allow you to maximise the hybrid vigour in their calves.

The bulls are running with cows now and convenient to see in their tribes. Now is a good time to view them.

We hope you enjoy perusing this catalogue, meantime, we will be incredibly happy to arrange to show you round the herd and allow you to evaluate their potential for yourself whenever you can make the trip.

As you will see in the notes on the cow families, many of them descend from original foundation females in the herd. Over the years we have added good families from other established UK Hereford herds, but since 2005 we have concentrated solely on introducing Hereford Line One genetics from the USA. These L1 embryos are the only cattle added to our herd since 2005, ensuring a robust herd health and biosecurity policy and a totally closed herd.

Whilst we regularly sell breeding females, this is the first time we have ever offered females with straight Line One Hereford pedigrees. A few of them are actual imports, but most are the result of our own line breeding programme used since 2005. They are all named as "Achievements" with the letter following their name intimating which flush they are from. We started with "A" and are now the length of "N".

This offering is a unique opportunity for you to strike your bargain with us for the cattle and the price that suits you best.

Best regards,

John, Alexandra, Rosie, Ellen, Olivia and Kristina

Terms and Conditions: Individual terms to be agreed with each private treaty sale.

Health & Breeding: The breeding herd is on an IBR, Lepto and BVD vaccination programme. Next herd TB test January 2022.

ERVIE HEREFORDS

the first 50 yrs...

The Ervie Hereford herd was established in 1969 by my father, John Telfer Douglas, basing his foundation heifer selections mainly on Haven bloodlines. My involvement, as his 'wee helper', began in the early days and together we gradually developed the herd from partly a hobby to become a major part of our farming enterprise. By the 1980's the herd numbered about 40 pedigree cows and soon after my marriage to Alexandra in the early 90's we moved to a policy of breeding our own female replacements and expanded the pedigree cows to 180, which replaced the commercial crossbred beef suckler cows.

My interest in the **Line-One** cattle from the United States grew steadily since I first heard my father-in-law, Jimmy Basson, speak of their uniformity of type and good maternal traits and I always had a wish to go and see them for myself. During a visit to the Denver Stock Show in 2005 I contacted Jack Holden who was agreeable to sell me flushes from some of his top cows. Later, in September Alexandra and I flew out to Montana to view the Holden cattle at Valier and also managed to view some of Mark Cooper's cattle at Willow Creek. The results of our visit were 11 calves from the two flushes that were born here during December 2006 and were the beginning of our **Ervie L1 Hereford Herd**. We have since then imported numerous shipments of Line One embryos.

We used our Line One cattle to build a nucleus herd selected on natural performance, fertility, milk, calving ease, fleshing ability, carcass and overall soundness. By using only our best straight Line One bulls, and applying a planned line breeding programme across the entire Ervie herd, we have developed our own "Ervie" cow type and have discovered a programme that is simple and effective for us and our valued commercial bull customers.

...the next 50 yrs? ...over to Rosie, Ellen, Olivia and Kristina. JSD

"The advantage of high performing, line bred cattle is of course, increased predictability, uniformity, as well as the hybrid vigour generated in their progeny by an outcross either within breed or between breeds."

A SHORT BACKGROUND TO LINE ONE HEREFORD CATTLE

In **Montana** during the early 1800's, 55,000 acres were set aside as Fort Keogh, an Army Outpost, later a remount facility for breeding Cavalry horses and finally as an agriculture research service to assist the agricultural industry in producing food supply. It was at this Miles City station in 1934 that a selection program commenced and the development of inbreeding several different lines with selection emphasis on yearling weights. Of all the different lines developed at Miles City, the most prominent to date has been the **Line Ones**. The foundation cows for the **Line Ones** traced back to stock purchased in 1926 from George M. Miles. The bulls used in the development of the line were half-brothers, Advance Domino 20 and Advance Domino 54, purchased in Colorado. These two foundation sires were strong in Prince Domino blood. Although the **Line One** cattle were developed at the Miles City station and they have remained a prime source of seedstock, a number of other breeders drew heavily on **Line One** sires starting in the 1940's, and these breeders became suppliers of the **Line One** seedstock in the early 1970's.

FAMILIES

- **BEAUTY.** Brockloch Beauty 17th purchased from Willie Barclay, East Brockloch, Ayrshire in 1994. This family produced our £4500 sale-topping bull in 2015. Solid cattle.
- **COUNTESS.** This family purchased from Marcus Lury, Oakleaf Herefords in Somerset in 1994. Good family tracing back to Hermitage & Merryhill Herefords in the 1970's.
- **CROCUS.** Roundshaw Crocus 151 purchased from Ben Welsh in 2010. The line goes back to the famous Haven Crocus family through Kilphin and Bowmont herds.
- **BARBARA.** Barncleugh Barbara 5th purchased at Edinburgh in 1977 from Kenneth Kelly. This important family also descended from Haven family.
- **CAROL LILY.** Onguten Carol Lily 39th bought at their herd dispersal in 1997 and has provided us with a top family line since. Full of quality. Bulls sold twice to £4000 in 2014 and another at £4000 again in 2017.
- **BARDA.** Brockloch Barda 14th, another hardy family purchased from Willie Barclay, East Brockloch, Ayrshire in 1994.
- **L1 ACHIEVEMENT K FLUSH.** Result of an embryo flush from a Fort Keoch station dam and a Holden sire in 2008.
- **L1 ACHIEVEMENT I FLUSH.** Result of an embryo flush from a Cooper dam and a Holden sire in 2008.
- **L1 ACHIEVEMENT N FLUSH.** Result of an embryo flush from Beran Bros. in Kansas using a Holden dam and a Holden sire in 2015. Service sires RL1 Achiever 151966N & RL1 Achiever 151973N are from the same flush.
- **L1 ACHIEVEMENT G FLUSH.** Result of an embryo flush from a Holden dam and a Holden sire in 2008. Bulls sold to £5800 in 2011.
- **DOWAGER.** Another good Haven family that came to us with the purchase of Dieulacresse Dowager 3rd in 2007. Top bull sale are £4000 in 2014 and again in 2017.

TRIBE 2 FAMILIES

- **LISETTE.** Findowrie Lisette 5th was a heifer full of Haven bloodlines purchased in Edinburgh 1972 and she established one of the strongest and best families in our herd. This family produced our top two sale prices at £7000 & £8200 in 2018 and our sale-topper this year of £3700 with another at £3200.
- **LAURA.** Weswood Laura 390th was a tremendous daughter of Ervie King Kong we purchased from Clive Davies in 2003. This has become a tremendously important family to us and produced our £7200 sale-topper in 2016. Other top bulls have gone to £5500 in 2011 and our second top 2020 price £3600.
- **GYPSY.** Dovemount Gypsy B22, another Ervie King Kong daughter was purchased in 2006 from George Thorley. The family line goes right back to Marlow breeding and has become a particularly important family to us. Bulls have sold to £4500 in 2019 and £3500 in 2020.
- **L1 ACHIEVEMENT M FLUSH.** Result of an embryo flush from a Holden dam and a Cooper sire in 2015.
- **MODEL.** Sherlowe Model 270th was purchased at the herd dispersal in 1986. Daughter of Wabash Imager 22F and full of good breeding, she has provided us with a very important family.
- **L1 ACHIEVEMENT D FLUSH.** Result of an embryo flush from a Holden dam and a Holden sire in 2005.

TRIBE 3

FAMILIES

- **PANSY.** Border Pansy K44 was purchased from the Border Herefords herd of Stan & Hellen Quan in 1994 and is definitely well established in the Ervie herd now. The family goes way back to the Marlow herd. Top bulls have sold to £4000 in 2011.
- **NARCISSI.** Studdolph Narcissi J19 was purchased at Hereford from Messrs Thorne in 1975. Easy-fleshing and great milkers, they have been one of our main families over the years.
- **L1 ACHIEVEMENT A FLUSH.** Result of an embryo flush from a Holden dam and a Holden sire in 2005. Our first embryo flush from Jack Holden and what a line of females it has become. Our bull sale topper in 2013 from this family made £4600 and we had one this year at £3500.
- **NOREEN.** Kilphin Noreen J1 was the last heifer from the herd of Tom & Billy Nelson and we bought her from them in 1994. Good hardy types. Bulls have sold to £4500 in 2013.
- **PLUM.** This family stems from the purchase of Free Town Plum 76th, an excellent daughter of Free Town Foremost, in 1993.
- **OYSTERRGIRL.** Sherlowe Oystergirl 66thth was purchased at their herd dispersal in 1986. Another great breeding family. Bulls have sold to £5000 in 2011 and our sale topper in 2014 at £4500.
- **PANSY.** This was our first Pansy line and stems from the purchase of Havenfield Pansy 19th in 1977. This was a big cow when small cattle were all the rage and is a family I value highly. Lots 65 & 68 are both from this family.

Her bull calf - **ERVIE ADVANCE 202844** b. 05/06/2020 Sire : **Ervie RL1 Achiever 151973N**

TRIBE 4 FAMILIES

- **PEACH.** Harrold Peach 16th was purchased in Edinburgh from Messrs Tusting Partners, Bedford in 1972 and has gone on to become our best known and most numerous family. This female line is so strong and has produced foundation females for many herds. Bulls sold to £4000 in 2011 and £4800 in 2016.
- **L1 ACHIEVEMENT F FLUSH.** Result of an embryo flush from a Holden dam and a Holden sire in 2009. Bulls sold to £5200 in 2011.
- **ROULETTE.** The purchase of Border Roulette B37, sired by Ervie Classic U150, from Stan & Hellen Quan in 2006 was the source of this good family line.
- **L1 ACHIEVEMENT H FLUSH.** Result of an embryo flush from a Holden dam and a Cooper sire in 2009. Lot 107 is from this flush, which also produced two especially important herd sires in Ervie L1 Achiever 91149H and Ervie L1 Achiever 91151H. These bulls had huge influence in establishing the strength of breeding we have in the herd today.

LOT 88A

Her bull calf - **ERVIE ADVANCE 202787** b. 22/05/2020 Sire : **Ervie L1 Achiever 172302**

TRIBE 5 FAMILIES

- **TRIBUTE.** This is a great family in our herd, and is established from the purchase of Brockloch Tribute 11th in 1994 from Willie Barclay, East Brockloch, Ayrshire. Top bull sales have been our 2019 bull sale topper at £7000 and another at £3000.
- **SUNSET.** Venture Sunset 456 was purchased in Denmark in 2002 from Axel Johansen. The result of an embryo imported from the US, this was our first taste of Line One breeding and is a hardy and reliable family. We used 2 good stock sires from this dam.
- **UNITARIAN.** Aultoun Unitarian 46th was purchased from Graham Stratford, Hampshire, in 1995 and has established a beautiful and productive line of females in our herd. Our 2017 bull sale topper at £6200 was from this family.
- **L1 ACHIEVEMENT E FLUSH.** Result of an embryo flush from Beran Bros., Kansas in 2008 using a Cooper dam and a Holden sire.
- **TOPSY.** From the Wenlock T family and stems from the purchase of a big Bell L 1087 Domino 46R daughter, Wenlock Tabletta in 1993.
- **TRUDY.** Roundshaw Trudy 148, sired by Ervie Classic Lad B620 was purchased from Ben Welsh, Ayrshire in 2010 and has established a good type of cow in our herd.
- **SNOWDROP.** Aultoun Snowdrop 12th was purchased from Graham Stratford in 1994 and the family has stood the test of time with us, producing many good females.
- **SATINA.** Venture Satina was purchased from Axel Johansen, Denmark in 2003 and the family has produced many good cattle for us since then. US genetics.

LOT 83

- Offering the entire mature Ervie Hereford cow herd from 3 years upwards.
Includes many dams and sisters of our recent top selling bulls.
- Includes all our Line One Hereford imported families. First ever chance to purchase them from us since we began importing in 2005.
- Selling singles or groups any size. Buy one, buy 10, or buy the herd.
A superb opportunity awaits you.
- Over 50 years of Ervie breeding put on show. The chance to buy our best.
- Ervie females are renowned for their quality & milk.
- The cattle may be viewed by appointment.
- Private treaty deals to be struck from 21st September.
