### GENERAL INFORMATION .....

*Sale Location:* Sale will be held at Kist Livestock Auction, located one mile west of the Memorial Bridge on the east edge of Mandan. For the easiest route, take I-94 to exit 33 or 34 to Memorial Highway.

*Accommodations:*

Baymont Inn & Suites, Mandan..... 701-663-7401  
 The Ridge Motel, Mandan ..... (701)-663-8686

*Terms and Conditions:* Cattle will sell under the Standard Terms and Conditions as recommended by the American Angus Association.

*Health:* Interstate health papers will be available on sale day.

*Trucking:* Free delivery on bulls up to 500 miles radius with total purchases of \$3000 or more. A \$50 dis-count is offered on bulls picked up on sale day.

*Insurance:* Will be available to be purchased on sale day and we urge all buyers to insure their bulls.

*Wintering:* Wintering arrangements can be made on all bulls. Bulls fed till April 1 free of charge and bulls fed till May 1 will be charged \$100.

*Veterinary costs:* Any veterinary costs incurred after the bulls have been purchased are the responsibility of the buyer.

*Semen tested:* The Fast bulls will be fertility tested by Dr. Gerald Kitto, DVM, prior to the sale.

*Supplemental Information:* A supplemental data sheet will be available with scrotal measurements, final weights, and ultrasound data. Announcements from the auction block take precedence over catalog information.

*Lunch:* Please join us for a complimentary lunch on sale day!

*Sight Unseen:* Can't make the sale, but would like to bid on the sale cattle? We recommend that you contact Vern Frey, with Frey Sale Service or any of our sale representatives prior to the sale!

*Sale preview:* Stop by on Friday, March 11 and preview our sale offering at Kist Livestock Auction!

# Welcome!

## *Dear Friends and Cattlemen,*

It gives us great pleasure to welcome you to our 45th Annual Production Sale. 2016 marks 65 years that our family has continuously produced registered Angus and 35 years that Richard and Jamie have been in the business! This year also marks the start for the next generation as our daughter, Rachel, and her husband, Jeremy Strommen, are welcomed into the family business!

This year we are offering some outstanding new genetics with a fresh line-up of AI sires and check out the consistent and heavy hitting genetics from our natural service sires! Again this year you can take advantage of our outstanding offering of yearling replacement heifers, packed with the maternal qualities that has made our herd productive for generations!

We encourage anyone who is interested in our cattle to stop in and we would be more than happy to show the cattle to you. We believe in producing efficient, practical and profitable Angus cattle. We strive for efficient cattle that are just the right size for their environment and still grow heavy calves. Practical cattle that calve easily, are quiet to handle, require less labor and keep feed costs down. Profitable cattle that are affordable, but generate the kind of calves that feeder buyers demand.

We have a great sale offering of bulls and heifers that have not been creep fed. After weaning they are fed a high roughage ration and are bucket fed concentrates twice a day which makes the cattle very gentle and easy to handle. They receive chopped hay along with their ration which allows them to gain evenly and consistently without ruining their feet or jeopardizing their fertility.

Customer satisfaction is and always will be our highest priority. Approximately 80% of our buyers each year are repeat customers, some have bought our cattle for over 30 years and we appreciate those folks who have patronized us for so many years. We also look forward to helping to provide quality cattle to those who are willing to give us a try for the first time.

Sincerely,  
Richard & Jamie Fast  
Jeremy & Rachel Strommen

***If we can be of any assistance,  
feel free to call us!***

Power Pro has proven himself to be our calving-ease specialist bull! Bred to both cows and heifers, 49 calves sired by him in 2015 had an average birth weight of 74 lbs.! His calves have rapid growth from birth to weaning, and more moderate growth from weaning to yearling. They generally are of a moderate frame size and have a soft, easy fleshing appearance. The Fast's purchased Power Pro in 2014 from Connealy Angus, Whitman, NE. Power Pro ranks in the top 4% of the breed for CED, 3% for BW, 15% for WW, 10% for YW, 2% for M, 5% for Marb, and top 1% for \$B.

Our Packer sons have tremendous length of body, a little more frame size, and exceptional growth from weaning to yearling. He has a wide spread between BW to YW EPDs and offers an outcross pedigree. His daughters are reported to be exceptional for disposition, fertility and maternal traits. Packer ranks in the top 10% of the breed for YW and \$B, top 15% for Marb and \$W, and top 20% of the breed for WW and SC.

Shock Top consistently sires calves with muscle, thickness, heavy pay weights and eye appeal similar to his sire Connealy Final Product. Purchased by the Fast's in the 2013 Hart Angus Farms Sale, Frederick, SD, he comes from a strong cow family and his dam posted a nursing ratio of 112 on 6 progeny and Brad Hart says he has retained all her daughters in his herd. Shock Top ranks in top the 10% of the breed for WW, YW, RE, \$W, and \$B and top 20% for SC.

Shiner is a moderate frame, easy fleshing, very attractive bull with excellent muscle expression and consistently conveys these traits to his sons. He was purchased by the Fastos in the 2013 Musgrave Angus Sale, Griggsville, IL. Shiner is sired by the highly popular Connealy Consensus 7229. His dam is a top producing cow in the Musgrave herd. Shiner ranks in the top 20% of the breed for BW, Marb, and \$B, and in the top 25% for \$W.

Another well balanced, stylish and structurally correct Shock Top son that you will appreciate for his moderate birth weight, heavy weaning weight and excellent feedlot gain. His maternal grand dam was a three-time Pathfinder cow and produced numerous high selling bulls. He ranks in the top 5% for WW and 10% for YW.

Fast Matilda NA 390 - Dam of Lot 16

Fast Matilda NA 390 is a 13-year-old cow still working in our herd. She has an actual nursing ratio of 107 on 12 calves which includes a set of twins. She is a 7-time Pathfinder cow and has a daughter, Fast Matilda FS 738, that is also a Pathfinder cow. Along with her son selling in this sale, she has a grand son that is Lot 7, a great grand son is Lot 21, and a grand daughter sells as Lot 109. Don't miss an opportunity to own some really great maternal genetics!

## Special Sale Heifer Features

Offering the maternal genetics from our top cow families!

Her dam is a deep bodied, good milking cow. Her maternal grand dam is a 13-year-old cow and 7-time Pathfinder still working in the herd and the dam of Lot 16. Don't miss an opportunity to own great maternal genetics!

**DOHRMANN CATTLE CO. WOULD LIKE TO WELCOME YOU TO OUR  
"45th ANNUAL PRODUCTION SALE!"**

Topping out our sale offering are bulls sired by R B Active Duty 010 with a spread of +1.8 to +135 with a \$B of +127.46 His sons are tremendous! Also in the offering are big, beefy, deep bodied sons sired by Musgrave Big Sky with a \$B of +147.21 and extremely wide topped, deep and correct sons sired by Peak Dot Unanimous 420A, a bull we purchased out of the 2014 Peak Dot Sale in Canada. Rounding out our herd sire offering are sons of Peak Dot Bold 669Y, EXAR Denver 2002B, Apex Wndy 078, Focus 27 8203 RS and Mogck Bullseye. The bulls are big, stout, structurally correct and ready to go to work for you with excellent dispositions!

The bulls have been fed a high roughage ration and long hay with no silage. They have been developed to maintain structural soundness and hoof development.

The bulls were vaccinated with Vista Once and Vision 7 Somnus and then Boosted with Express 5-HS, wormed with Safeguard, and poured with Cydectin at weaning time. They have also been vaccinated with Fusoguard, along with a booster, for the prevention of foot rot.

All bulls are fully guaranteed to be breeders and are sold under the terms and conditions of the American Angus Association.

The bulls have been ultrasound scanned by Jason McLennan, Belle Fourche, SD. Data will be available sale day.

Again this year we are offering a group of fancy open heifers sired by these same great sires!

Thank you for taking an interest in our cattle! Feel free to stop and view the cattle at the ranch anytime prior to March 12, 2016, or at Kist Livestock thereafter.

Sincerely,

L..J. & Janet Dohrmann

The lead off and \$145,000 high selling bull of the 2014 Musgrave Angus sale. One of the most impressive bulls in the Nation and a true outlier within the Angus breed. He is an all out performance, maternal, and carcass sire. Big Sky is what the cattle industry is striving for and will leave lasting impressions. This powerful sire is extremely heavy muscled, good footed, clean made and sound; not to mention his unmatched phenotype and eye-appeal.

078 is a super thick, wide topped sire that was a standout in performance on test. In the spring of 2009 and 2010, 078 was used heavily for pasture breeding in MT and ND, covering many, many cows for a young breeding bull. His sons are thick, well muscled, very kind and good gainers.
