# Welcome!

## *Dear Friends and Cattlemen,*

It gives us great pleasure to welcome you to our 46th Annual Production Sale. 2017 marks 66 years that our family has continuously produced registered Angus and 36 years that Richard and Jamie have been in the business! Last year our daughter, Rachel, and her husband, Jeremy Strommen, joined our ranching operation and we are excited to have them continue the family business!

We are again offering some outstanding new genetics with a fresh line-up of AI sires and check out the consistent and heavy hitting genetics from our natural service sires! As always you can take advantage of our outstanding offering of yearling replacement heifers, packed with the maternal qualities that has made our herd productive for generations!

We encourage anyone who is interested in our cattle to stop in and we would be more than happy to show the cattle to you. We believe in producing efficient, practical and profitable Angus cattle. We strive for efficient cattle that are just the right size for their environment and still grow heavy calves. Practical cattle that calve easily, are quiet to handle, require less labor and keep feed costs down. Profitable cattle that are affordable, but generate the kind of calves that feeder buyers demand.

We have a great sale offering of bulls and heifers that have not been creep fed. After weaning they are fed a high roughage ration and are bucket fed concentrates twice a day which makes the cattle very gentle and easy to handle. They receive chopped hay along with their ration which allows them to gain evenly and consistently without ruining their feet or jeopardizing their fertility. Our customers report that the life span of our bulls in their herds has been up to 5, 6 and yes...as much as 10 years!

Customer satisfaction is and always will be our highest priority. Approximately 80% of our buyers each year are repeat customers, some have bought our cattle for over 30 years and we appreciate those folks who have patronized us for so many years. We also look forward to helping to provide quality cattle to those who are willing to give us a try for the first time.

***If we can be of any assistance,  
feel free to call us!***

This super attractive bull will catch your eye! A real athlete in the pen, he has a long spine with super muscle expression over his top and through his rear quarter. Structurally correct on his feet and legs, he has a long stride and should have the ability to cover large, rugged pastures. His great grand dam stayed productive in our herd for 13 years and produced 17 calves which included 5 sets of twins!

# Our Family and Friends

**Introducing the newest member of our family, Rowdy Daniel Strommen, born 2-6-2017, 5 lbs, 9 ozs. and 5th generation Angus enthusiast!**

## **DOHRMANN CATTLE CO. "46th ANNUAL PRODUCTION SALE!"**

**Welcome Friends and Cattlemen!**

**Our Sale offering is one of the best we have ever offered! Big, deep bodied, massive bulls that will add extra pounds to your calf crop. Many new sire groups in the offering including SydGen Rock Star 3461, a total outcross with a \$B of +173.51. We purchased him in partnership out of the Fall 2014 Sydenstricker Angus Sale. His sons are impressive! Also included in the offering are sons of SAV Recharge 3436 with a \$B of +165.06, R B Active Duty 010 with a spread of +1.5 to +121 with a \$B of +123.78, and EXAR Counsel 1016B . The bulls are big, stout, structurally correct with excellent dispositions and ready to go to work for you !**

**The bulls have been fed a high roughage ration and long hay with no silage. They have been developed to maintain structural soundness and hoof development.**

**All bulls are fully guaranteed to be breeders and are sold under the terms and conditions of the American Angus Association.**

**The bulls have been ultrasound scanned by Jason McLennan, Belle Fourche, SD. Data will be available sale day.**

**Thank you for taking an interest in our cattle! Feel free to stop and view the cattle at the ranch anytime prior to March 8, 2017, or at Kist Livestock thereafter.**

**Sincerely,**

If you're looking for docility look no further. Excellent foot design with a wide base, a great deal of muscle expression and thickness. Power bull with style and balance. SAV Recharge 3436 was chosen by Select Sires AI Stud and partners as the \$80,000 second lead bull from the 2014 SAV Sale. He is on the radar of the Angus world with unmatched performance phenotype and backed by the best cows in the business. He offers the #1 EPD profile of the timeless Rito 707 performance lineage. He is a thick, muscular, beef bull supreme with massive volume, dimension and natural fleshing ability. Recharge is docile-natured with superior soundness and foot structure and large scrotal circumference.
