FOOS ANGUS RANCH • PRIVATE TREATY

FOOS Angus

SELLING:

27 Long-Aged Bulls
40 Bred Heifers

Cattlemen and Cattewomen

We would like to invite you to attend our 29th and final Bull Sale on Saturday, December 8th at 1PM on the place in Nisland. This year has come with a lot of changes and big changes for us, personally. Unfortunately, we aren't able to continue supplying you with bulls due to not being able to stay on the Foos family place.

We have culled deep for only selling the best and with this being our last year of converting to selling 20 month old bulls, we are only able to offer 27 Bulls. You won't want to miss out on this opportunity to get the best in the market for fertility, maternal traits and efficient converters of grass to pounds. Bryce's goal has been to get to the point to sell bulls that are primarily grass grown. Our offering this year is coming along nice and they have been consistently growing. As always, they will be perfect at turnout time, without feet issues or losing as much condition as other yearling bulls. They will breed more cows which is the #1 profit driver in any cow herd. Here at Foos Angus we understand the responsibility of producing seed stock for the commercial cattelman. Cows are bred in a 42 day breeding season. Our bulls are bred and raised with longevity in mind. We are glad to hear that our return customers are able to keep Foos Angus bulls in their herds for over 6 years, when the beef industry norm is less.

We are planning a "cowboy" auction. All bulls will have a base price of \$2,000 and if more than one rancher is interested, the price will raise in \$100 increments.

We'd love to have you come look at the bulls and have a visit before we say goodbye. Lunch will be at noon and we will make sure to have homemade pie.

We are one mile west of Nisland, South Dakota on US Highway 212. We would like to thank each and every one of you for your continued support and hope to see you down the trail in the future.

Sincerely,
Bryce and Meghan Foos
Renee' Foos

Thank you

We would like to say a heartfelt THANK YOU to all of the great people we have had the privilege to meet and do business with over the last 29 plus years of selling Foos Angus Bulls. Your continued friendship and support in our program made it possible to do what we were passionate about and enjoyed. We are starting a new chapter in our life and don't know where life will lead us, but through it all we have had the best customers and friends in the world! Thanks again and we will see you down the trail.
