Welcome Cattlemen,

We're excited to present to you the 2013 Gray's Angus "2nd Century" Performance Bull Sale offering of yearling and 2 yr old bulls. A Family Tradition for 7 generations in the Angus breed. With a commitment to our Complete Package Genetics. As you can see, we have a new addition to the 7th Generation this year! We believe in our solid family legacy as well.

In our program we feel the basis for a profitable cattle industry is the productive female. Our herd has definitely proven itself as we came through the severity of this year's drought. The genetics of our cow herd trace back for 115 years of careful selection for soundness, fertility, performance and profitability. They are bred up to not only "survive" but to "thrive". We feel a balanced & complete program is more important now than ever before in the beef industry. Ours is a minimal input operation with little supplementation to keep our cow herd honest. The bulls are fed at the ranch a developing ration to ensure the best possible soundness and genetic potential for a life of breeding.

We are dedicated to providing you with a set of bulls offering the best genetics and service possible. Thank you for your interest in our program.

Sincerely, Rod Gray & Family
