Dear Friends,

Welcome to the 2016 line-up for Gray's Angus 2nd Century Performance Bull Sale. The quality of this year's bulls is truly outstanding and will compete with any bulls you find in the industry. The bulls are fed here at the ranch being monitored and evaluated for efficiency and soundness. The proven genetics and longevity of our program are evident in the consistency in this year's bulls.

As we enter a new phase of the cattle cycle, we feel our program will meet the demands coming through all sectors of the Beef Industry and still keep ranching profitable. The importance of energy efficient cattle with proven carcass and performance, along with maintaining the superior maternal traits of the Angus breed, is vital. We are rising to the challenge of feeding a growing world population with high quality Angus protein.

As a multi-generational Angus breeder, we are set on keeping a legacy of faith, family, and freedom. We feel that the integrity of the cattle business is based on our customers and friends. We look forward to being your source for good quality Angus cattle and appreciate building relationships. We invite you to be our guests and join us for a "Hot Roast Beef Sundae". If we can be of any assistance, please feel free to contact us. We appreciate all who make our sale a success. We're looking forward to seeing you sale day!

Sincerely, Rod Gray and Family

RETAINED OWNERSHIP

Again this year, a “Video Sale” format

Here’s how it works:

NO CATTLE WILL ENTER THE SALE RING!

All cattle will be on display at the sale site the afternoon before and sale day.

No animals will be brought into the sale ring during the sale; rather, every lot will sell while a pre-recorded video clip is played on multiple large TVs positioned in front of the bleachers. The auctioneer will sell each lot, and you will bid to him or the ringmen just as in previous sales.

The sale order will be posted the morning of the sale and if you have interest in animals that have not yet sold, you can easily go to the pens and inspect these animals after the sale has started. This is because the “sale crew” will not be pulling animals out of the pens to get them in line for the sale ring.

These pre-recorded clips will be available on our website. This will make it possible for you to preview the cattle before you make the trip.

Conducting the sale in this manner has several benefits, which makes things safer and easier for our family and the cattle we will offer. In times of inclement weather, which we have experienced on some sale days over the years, it will be much less stressful on both man and beast. It reduces the risk of injury to both animals and people, reduces the stress on the cattle, reduces the amount of labor and coordination “out back”, and creates a more comfortable environment for buyers in the sale area. It also makes early load out easier for those of you with long trips, and since we won’t have to wait on cattle to come into the ring which will allow us to have a good-paced sale which will allow you to get home and on with your day.

We want to stress that this method will allow you to preview the sale cattle for several days prior to the sale on the videos via the internet, and still thoroughly appraise them in person the morning of the sale. We recognize that these purchases have a major impact on your operation’s success and profitability, and we would be happy to visit with you about which of these cattle best suit your needs.
