

Welcome Letter

e would like to invite you to attend our "Miss Advance Female Pageant 2017" sale. It has long been a part of our program to offer our best, most proven cows to the industry at auction and continue on forward with the younger generation of females. This is a fantastic opportunity to dip into the heart of our cow herd and buy females that are capable of taking any breeding program to the next level. We will be selling every wholly owned female that was born on the ranch in 2011. Over two-thirds of these females have been donors for us and have produced many top herd bulls and females for our herd and other elite Hereford operations around the U.S. We feel this is one of the best age groups of females from top to bottom that we have ever produced. In addition, we will be selling all of our March and April calving 2- to 5-year-old cows along with a tremendous group of March calving bred heifers. We are also selling 13 fall born open yearling heifers out of the heart of our fall heifer crop. As a special feature this year, we are adding two feature yearling herd bull prospects out of our fall group. Both of these bulls are backed by elite donor dams and have the EPDs and phenotype to be great herd sires.

We feel this sale offering is one of our best ever in combining phenotype, EPDs and of course proven Holden cow power. These females combine years of selection for performance and EPDs along with phenotype, structure, udder quality, pigment and fleshing ability. All of the donor cows along with the bred heifers and open fall heifers have GE_EPD profiles on them to help increase the accuracy of their EPDs. Every animal in the sale has been DNA parentage verified and is tested free of all know genetic defects. We feel there is a great opportunity to find a true foundation female for your operation that can be a true centerpiece of your genetics going forward. Our females have proven themselves in the past of producing in the pasture or progeny that can excel in the showring or any other venue. These Line One females have proven that they will breed true and cross well with almost any line of Hereford cattle. The great 5139R cow topped our 2010 Miss Advance Female Pageant before going on to produce many sale toppers for Hoffman's also, and then reselling for \$175,000, which was the record price for a Hereford female at that point. Look also at what the 104A cow and 176L cows have done for the Colyer program. These females were the start of the Notice Me and R111 cow families that have produced many top sellers for them. These are just a few of the many examples of Holden cows going on to produce great successes with their new owners. We know that they will work for you, and we look forward to your success with them.

We are very proud of our cow herd and because of that, we are also very hard on them. Each year we cull for performance, fertility, soundness, fleshing ability, udder quality, milking ability and mothering ability. We expect our cows to produce big, heavy calves at weaning off of grass and keep themselves in good condition while doing it. They are the product of over 60 years of linebreeding for predictability and uniformity combined with a constant focus on multi-trait selection for performance and practical traits. Every year we keep the top end of our heifer calves based on performance, EPDs, and phenotype. These females are our basis to build around and continue moving our program forward.

Our herd represents highly selected Line One Advance Domino breeding. Les Holden purchased his first Line One bull in 1947 and his first Advance Domino bred females in the early 1950s. Since then we have used many top sires from our own herd, Cooper Herefords and the Miles City USDA ARS center where the Line One herd was developed.

The linebreeding program we have used substantiates the superior genetics in our cow herd since continuous linebreeding is only possible with a concentration of above average traits. The advantage of linebreeding is, of course, increased uniformity and predictability as well as the hybrid vigor generated in their progeny by an outcross, either within or between breeds. Our cow herd now averages over 20% inbreeding co-efficient and this serves to enhance the predictability of these positive genetics.

The cattle will be on display from September 12th-14th. We will have a social hour and dinner here at the ranch on the evening of September 13th beginning at 5 p.m. Lunch will be served on the 13th and on sale day. Please come and be our guests and experience beautiful Montana in late summer. For those unable to attend, the sale will be broadcast with Superior Productions on Dish Network Channel 998 and superior.com and also on the web on LiveAuctions.TV.

For further information or if we can assist you in any way, please give us a call or drop us an e-mail. Thanks and we look forward to seeing you on September 14th!

Jack and Tresha Holden & Family Jay D. and Kelli Evans & Family

DVDs of sale cattle are available. Please contact us to receive your free copy. Videos are also viewable at www.holdenherefords.com and at www.thelivestocklink.com

TERMS AND CONDITIONS

- All sales are cash unless other arrangements are made with the seller.
- Each animal will sell to the highest bidder without reservation. The auctioneer will settle any disputes as to bidding. His decision will be final.
- Individual health papers will be furnished with each animal, which will permit shipment to any state or to Canada.
- All sale cattle have been parentage verified and tested negative for IE, DL and HY. All sale cattle will also be tested BVD PI negative.
- Exposed females will be pregnancy tested and pregnancy status will be available at sale time. Pregnant cows are considered breeders without further guarantee. All open females are guaranteed to breed by natural service. In case an adjustment is required, it will be made with a replacement animal of equal value to the animal in question or credit on the purchase of another animal. No adjustments will be made after nine months from sale day on any animals.
- The animal becomes the property of the purchaser as soon as sold, but it shall be the responsibility of the seller to see that animals are properly cared for until delivery to the purchaser.
- Any death or injury after the animal is sold is at the buyer's risk. Insurance is highly recommended.
- Anyone attending this sale attends at their own risk and without liability on the part of the owners, their employees or agents.
- Corrections or additions of any information contained in the sale catalog will be announced from the auction stand and will take precedence over any printed material.

DELIVERY

We are offering free delivery for the first 1,000 miles on all purchases totaling \$5,000 or more. These deliveries will be to central points but we will work to get them as close as possible for all buyers. Also, we will guarantee that the buyer's cost for delivery after the first 1,000 miles will not exceed \$300 per head.

Please join us for a social hour and dinner at the ranch on September 13th beginning at 5 pm. Sale is located nine miles southwest of Valier on the Valier Dupuyer Road.

View Holden Herefords Sale Live on Satellite TV With Superior

How to participate as an absentee buyer

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at *www.superiorlive.com*.

the outlined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which

sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on Dish Network channel 998. The sale will also be broadcast live on the internet at *www. superiorclicktobid.com* — just go to the home page and select the auction. Remember you can call in to bid whether you watch on the TV or on the internet, but you must be a member of *www.superiorclicktobid. com* to "click-to-bid". Your computer must have Flash Media Player installed to view the auction.

Bidders who are successful in making purchases via satellite or internet will be contacted by the ranch after the sale to settle payment and make shipping arrangements.

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock. To get started simply go online to *www.superiorlive.com* and click on the tab titled "REGISTER FOR YOUR BUYER'S NUMBER". Print the registration form, fill it out and fax it in 817-378-3380 to Superior Productions with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's newest way to buy cattle! Registration is free, but you must become a member of *www.superiorclicktobid.com* to sign up. Becoming a member is easy — just go to the homepage of *www.superiorclicktobid.com* and follow

View and bid Holden Herefords sale live on the internet.

Real-time bidding is available via the internet for this sale. Live audio and live video will allow buyers to bid on animals just as if they were present at the sale.

Buyers must create an account prior to the sale.

Please visit *http://www.LiveAuctions.tv* to create an account and request a buyer number. Instructions are available at *http://www.LiveAuctions.tv* to walk you through the account setup process.

Web Address: http://www.LiveAuctions.tv

LiveAuctions.tv, e-mail address: brad@LiveAuctions.tv

Buyers who would like to bid via the internet must register with LiveAuctions.tv two days prior to the sale.

- Elite donor female that has a tremendous production record, exceptional EPDs, outstanding phenotype, and is backed by one of the greatest cow families in the Hereford breed.
- 1072Y is a full sister to our 1013Y herd sire and a daughter of the Lot 4 cow that topped our 2013 Female Sale at \$70,000. She is a granddaughter of the great 5139R donor cow that has produced over \$1 Million in progeny sales.
- 1072Y progeny grossed over \$140,000 in our 2015 sale. Sons were also the top sellers in the 2017 Baker Herefords and Flying S Herefords sales.
- She boasts average NRs and YRs of 106 on 3 progeny and a 105.8 REA ratio and 106.1 IMF ratio on 17 progeny on ultrasound
- Ranks in the top 2% of the breed on WW and M&G EPDs, the top 5% on SC, MM, and REA EPDs; the top 10% on YW and TEAT EPDs, and the top 1% on CHB\$.
- 1072Y is in the top 20 horned dams in the breed with GE EPDs for CHB\$
- This big ribbed, easy fleshing, great uddered donor is a breed changing female that combines all that today's beef industry demands.
- Sons are in use at some of the leading Hereford programs in the U.S. and another great set of sons will sell in our 2018 Sale.
- Sells open and ready to flush

- If you are looking for a young donor to feature as the cornerstone of your breeding program, here she is!
- 5031C is a full sister to the \$70,000 5044C bull that sold to Churchill Cattle, Harrison Cattle, and L-W Cattle Co.; and the 5019C bull that sold for \$27,500 to Harrell Hereford Ranch. Full brothers also topped the 2017 Flying S Hereford Sale and Baker Herefords Sale.
- Breed leading EPDs combined with a powerful phenotype and out of a great cow family, this perfect uddered daughter of the popular 215Z Cooper bull has all the bells and whistles.
- Exceptional EPD profile that ranks her in the top 2% on WW, YW, MM, M&G and TEAT EPDs; the top 5% on SC and UDDR EPDs, the top 10% on MARB EPD, and the top 25% on CED and REA EPDs. 5031C is in the top 10 horned dams in the breed with GE EPDs on CHB\$.
- 5031C combines two of the greatest Line One cows in the Hereford breed in the great 5139R donor cow and the Cooper 055X cow that has produced their top selling bull in their 2016 and 2017 sales.
- Exposed to HH Advance 3006A for a March calf.

3.5	1.8	53	77	31	57	0.017	-0.06	0.25	26

- · Moderate BW heifer with strong growth, maternal and marbling numbers. 5122C ranks in the top 25% of the breed or higher on every EPD and \$ index with the exception of YW and REA.
- 5122C goes back to the great 5139R donor cow and has the phenotype to match. She is long bodied, feminine, great uddered and stylish.
- Due in early February to L1 Domino 14097

- · Curve bender deluxe with a pedigree that needs no introduction. 5128C is a maternal sister to the 055X Cooper cow. She is great uddered, extra feminine and has loads of pigment.
- Exceptional EPDs that rank her in the top 5% on BW EPD, the top 10% on MM, M&G, TEAT and UDDR EPDs, and the top 15 on CED, YW and MARB EPDs.
- Dam was a great donor cow that is now owned by Jim Baker and Gene Meitler.
- Unlimited genetic potential. A full sister sells as Lot 44. • Exposed to CL 1 Domino 4150B for a March calf
- Holden Herefords Miss Advance Female Pageant Sale 2017 15

- Powerful herd bull prospect that is well-marked, long spined, nice patterned and full of muscle
- One of the last sons to sell out of the 6155S donor cow that sold to Iron Lake Ranch for \$95,000 in our 2013 sale.
- Dam is a full sister to the great 8050U sire and has produced over \$500,000 in progeny sales. She has herd bulls working in multiple herds across the U.S.
- Excellent EPD profile backed by a pedigree full of elite females makes this a great building block to add to any breeding program.
- Owned with Iron Lake Ranch

2016 Fall Open Yearling Heifers

his is an outstanding group of fall heifers that combine phenotype, pigment, EPDs and great cow families. This group represents 50% of our replacements out of the fall 2016 heifer group and there is potential for several of these heifers to make donor cows. Help yourself to a great set of young females.
