2019 FEMALE PAGEANT

## Holden Herefords

ELITE FEMALE SALE

Sept. 19, 2019 • 1 p.m. (MST)  
at the Ranch

# Welcome Letter

**W**e would like to invite you to attend our “Miss Advance Female Pageant 2019” Sale. It has long been a part of our program to offer our best, most proven cows to the industry at auction and continue forward with the younger generation of females. This is a fantastic opportunity to dip into the heart of our cow herd and buy females that are capable of taking any breeding program to the next level. We will be selling every wholly owned female that was born on the ranch in 2012 and 2013. Almost two-thirds of these females have been donors for us and have produced many top herd bulls and females for our herd and other elite Hereford operations around the U.S. In addition, we will be selling all of our March and April calving 2- to 5-year-old cows along with a tremendous group of March and April calving bred heifers. We are also selling 11 fall born open yearling heifers out of the heart of our fall heifer crop. As a special feature this year, we are adding semen lots on our exciting young sire, HH Advance 8132F. This unique young sire is destined to make a strong impact on Hereford cattle around the world.

We feel this sale offering is one of our best ever in combining phenotype, EPDs and of course, proven Holden cow power. These females combine years of selection for performance and EPDs along with phenotype, structure, udder quality, pigment and fleshing ability. All of the donor cows along with the bred heifers and open fall heifers will have GE\_EPD profiles on them to help increase the accuracy of their EPDs. Every animal in the sale has been DNA parentage verified and is tested free of all known genetic defects.

We feel there is a great opportunity to find a true foundation female for your operation that can be a true centerpiece of your genetics going forward. Our females have proven themselves in the past of producing in the pasture or progeny that can excel in the showing or any other venue. These Line One females have proven that they will breed true and cross well with almost any line of Hereford cattle. There are many examples of Holden cows going on to produce great successes with their new owners. We know that they will work for you, and we look forward to your accomplishments with them.

We are very proud of our cow herd and because of that, we are also very hard on them. Each year we cull for performance, fertility, soundness, fleshing ability, udder quality, milking ability and mothering ability. We expect our cows to produce big, heavy calves at weaning off of grass and keep themselves in good condition while doing it. They are the product of over 60 years of linebreeding for predictability and uniformity combined with a constant focus on multi-trait selection for performance and practical traits. Every year we keep the top end of our heifer calves based on performance, EPDs and phenotype. These females are our basis to build around and continue moving our program forward.

Our herd represents highly selected Line One Advance Domino breeding. Les Holden purchased his first Line One bull in 1947 and his first Advance Domino bred females in the early 1950s. Since then we have used many top sires from our own herd, Cooper Herefords and the Miles City USDA ARS center where the Line One herd was developed. The linebreeding program we have used substantiates the superior genetics in our cow herd since continuous linebreeding is only possible with a concentration of above average traits. The advantage of linebreeding is, of course, increased uniformity and predictability as well as the hybrid vigor generated in their progeny by an outcross, either within or between breeds. Our cow herd now averages over 25% inbreeding co-efficient and this serves to enhance the predictability of these positive genetics.

The cattle will be on display from September 17th-19th. We will have a social hour and dinner here at the ranch on the evening of September 18th beginning at 5 p.m. Lunch will be served on the 18th and on sale day. Please come and be our guests and experience beautiful Montana in late summer. For those unable to attend, the sale will be broadcast with Superior Productions on Dish Network Channel 997 and superior.com and also on the web on LiveAuctions.TV.

For further information or if we can assist you in any way, please give us a call or drop us an e-mail. Thanks and we look forward to seeing you on September 19th!

## View Holden Herefords Sale Live on Satellite TV With Superior

### HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at [www.superiorlive.com](http://www.superiorlive.com).

### HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock. To get started simply go online to [www.superiorlive.com](http://www.superiorlive.com) and click on the tab titled "REGISTER FOR YOUR BUYER'S NUMBER". Print the registration form, fill it out and fax it in 817-378-3380 to Superior Productions with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's newest way to buy cattle! Registration is free, but you must become a member of [www.superiorclicktobid.com](http://www.superiorclicktobid.com) to sign up. Becoming a member is easy — just go to the homepage of [www.superiorclicktobid.com](http://www.superiorclicktobid.com) and follow the outlined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on Dish Network channel 997. The sale will also be broadcast live on the internet at [www.superiorclicktobid.com](http://www.superiorclicktobid.com) — just go to the home page and select the auction. Remember you can call in to bid whether you watch on the TV or on the internet, but you must be a member of [www.superiorclicktobid.com](http://www.superiorclicktobid.com) to "click-to-bid". Your computer must have Flash Media Player installed to view the auction.

Bidders who are successful in making purchases via satellite or internet will be contacted by the ranch after the sale to settle payment and make shipping arrangements.

- This pedigree combines the 055X Cooper cow with the 5139R cow family. There is no guesswork on the cow power behind this heifer.

# Open Fall Yearling Heifers

This is an outstanding set of fall heifers that combine phenotype, pigment, EPDs and top cow families. This is almost half of our fall 2018 heifer group and there is potential for several of these heifers to make donor cows. Here is a great opportunity to put some front pasture young females in your herd.

GE EPDs will be available by sale time.
