

# Bull Run

An elite offering of  
Hereford, Angus & Simmental Bulls,  
plus registered & commercial females.

**Saturday, March 9, 2019**

6:00 p.m. at the Expo Building  
W.H. Lyon Fairgrounds,  
Sioux Falls, SD

Welcome to the I-29 Bull Run!

It is our pleasure to present, Bull Run 5! As always this sale is the combined effort of Eggers Southview Farm, Sleepy Hollow Farm, Section 16 Cattle Co, Springwater Polled Herefords, and TSR Cattle Co. And now joining us is Mark Family Simmental! It still seems like just the other day we were planning our first I-29 Bull Run, we truly appreciate all of the support we have seen these first five years!

Whether you are in search of Hereford, Angus or Simmental genetics we pride ourselves in offering a little something for everyone. As you browse the catalog, you will find some similar genetics being used across all of our programs, and you will also find pedigrees and individuals unique to each operation. It's our goal to give you a selection of cattle where you can find calving-ease, performance, phenotype, or carcass, regardless of the breed of your choice. Please don't hesitate to call on any of the Bulls or Females listed, we all love to talk cattle!

As our sale continues, it's truly been an honor to work alongside our customers, this year their commercial offering is once again outstanding! The Commercial Bull Run genetics have been getting out there and getting it done. And as we have done since the first sale, we extend the invite to all of our new and existing customers to sell your front-end females right here on the 'I-29 Bull Run' or let us know if we can help assist you in any way with a private treaty sale.

We would love to see you at our event on March 9, but if you are unable to make it, please contact any of the breeders or sale staff and online bidding and viewing will also be available on [www.thelivestocklink.com](http://www.thelivestocklink.com)

Thank you for your interest in the Bull Run!

*Sale Terms & Conditions*

**Terms** - Terms of the sale are cash or check payable during or after the sale and before cattle will be released. Cattle will not be transferred until paid in full. Each animal will be at the buyer's risk immediately after the animal is sold. The auctioneer has complete charge of the sale and in case of a dispute in bidding, his decision will be final. Any announcement from the auction block will take precedence over printed material. All persons attending the sale do so at their own risk. The owners assume no liability for property loss or accidents that may occur.

**Guarantee** - Cattle will be sold and guaranteed in accordance with the recommended terms and conditions set forth by the breed association. If an animal fails to be a breeder, buyers can choose a replacement, if one is available at the time, or receive credit. Guarantee is void in occurrence of improper management in caring for an animal, or sickness, or injury occurred after sale of the said animal. Mortality insurance will be available on sale day.

**Absentee Bidding** - If you would like to place a bid but are unable to attend the sale, please direct your bid to any of the owners or sale staff. You may also bid online as the sale will be broadcast live on the Internet at [www.thelivestocklink.com](http://www.thelivestocklink.com). See page 39 for instructions.

**Delivery** - Options are as follows:

Bulls -- Free Delivery within 200 Miles and a Delivery Date by May 1.

Heifers -- Free Delivery Within 100 Miles and Delivery Date by April 1.

Delivery beyond the allotted miles will be \$2 mile. Feed and Yardage beyond the Delivery Date will be \$5/day. Sellers will work to make cooperative arrangements. Please contact the individual seller with any questions

**Insurance** - Animals will be at the buyer's risk immediately following the sale and we strongly recommend purchasing insurance. Insurance will be available on sale day.

**Semen Interests** - Along with full possession, you are purchasing the full semen interests of all bulls unless otherwise noted. The seller will have the option to use the bull artificially for in-herd use, in which case they will be collected at their expense prior to the delivery and breeding season.

**Air Travel** - Sioux Falls Regional Airport is served by several major airlines.

**Announcements** - Announcements made the day of the sale take precedence over material printed in the sale catalog or any other advertising. We reserve the right to make any additional or withdraw any sale lot not meeting our specifications prior to sale time.

# EFFECTIVE *easy* BREEDING

## VitaFerm® Concept Aid®

VitaFerm® Concept•Aid® is a line of vitamin and mineral supplements for beef cattle formulated to promote effective, easy breeding when fed 60 days pre-calving through 60 days post-breeding. High concentrations of vitamin E and organic trace minerals, coupled with the Amaferm® advantage, supports quick repair of the reproductive tract and more energy for reproductive success. Additionally, increased nutrient absorption and digestion leads to healthier and heavier calves giving you performance that pays.

## Hereford Heifers

We have developed these Heifers right along with our replacements. They have not been pushed hard and have been on a ration of 5 lbs of Grain Mix & 15lbs of Silage and ground hay. We feel they are in great shape to be bred this spring and have had good luck with this program in the past. We will keep heifers until August 1st and preg check them 60 days bred before delivery. We will also offer an option to keep the Heifers and run them for 3 cycles with one of our herd bulls. Talk to us sale day if you are interested in this option.

# Commercial Heifer Offering

The I-29 Bull Run is pleased to offer the following groups of commercial females from customers previous to this sale. In future sales we hope to make this a continued event for our customers by adding value to the quality genetics purchased through this sale. Over the first few years of our sale, the response from the buyers of these commercial females has been overwhelmingly positive! We again have a great offering of Black and Black White Face Heifers, but also have a select number of hard to find Red White Faced Heifers.

**We value your business and encourage all of our customers to contact us for assistance in promoting or marketing your calves!**

These heifers WILL be on site on sale day, they have been pre-sorted and selected. Videos will also be available.

Heifers will be sold by the head and a group weight will be available on sale day.

All heifers will be Bangs Vaccinated and given a pre-breeding shot. They will also be tested open, called breedable, and will have an adequate pelvic area as determined by a veterinarian. All heifers have come from high-end pre-conditioning and herd health programs.

Winning bidder can select 5 or more head from any group, this will be done on a "gate-cut" basis at load out.

Any further questions please contact the sellers directly or Mark Johnson, 605-212-2387.

## EGGERS SOUTHVIEW FARMS

Phil & Tim Eggers - Tim: 605.929.6560 | Phil: 605.351.5438

*Amazing opportunity to purchase our entire offering of commercial heifers. Nothing held back. All heifers are sired by our time tested herd bulls.*

### 10 COMMERCIAL HEREFORD HEIFERS

## GIBBON FARM & RANCH

Roger Gibbon, Milnor ND - 701-680-3152

*Gibbon Farm and Ranch, Roger and Brenda Gibbon, is a diversified cattle and crop operation that has been purchasing bulls from Sleepy Hollow Farm for several years for their own cow herd and to use within their Heifer breeding operation. This is the combination of that effort! Here is a chance to own some of their true F-1 heifers bred to low-birthweight Angus bulls. These 10 bred are representative of a larger group he has for sale at home via private treaty. Due to calve April 1.*

## DAMON DYKSTRA

Damon Dykstra, Parker SD - 605-359-8653

*We are very happy to have the Dykstra Family join us again as a consignor on the Bull Run! Damon has purchased several bulls over the years from TSR Cattle Co. and these White-Faced hfrs are the progeny of those bulls or AI sired by Durango. He has also consigned a fancy set of Angus based hfrs that come right from the heart of his herd!*

**10 BWF OPEN HEIFERS**

## RENLI CATTLE COMPANY

Steve Renli, Canton SD - 605-214-6040

*Renli Cattle Company consists of Steve & Dallas Renli and their two sons Mason and Landon. Their farm is west of Canton where Steve is the third generation to farm and raise cattle there. Renli's started buying Hereford bulls to use on their Angus and Simmental based cows at the Inaugural I-29 Bull Run and have purchased Section 16 bulls each year since. We are very excited they agreed to offer their top end replacement females for sale in the 2018 Bull Run. Buy with confidence as these heifers come from one of the very best cow herds in Lincoln County.*
