A Premier Hereford and
Quarter Horse Event!

Beautiful, productive Hereford females and "cow savvy" ranch horses ...that's our livelihood and passion!

WELCOME! ...to our 11th Fall Hereford Female and Quarter Horse Production Sale.

Performance Hereford cattle and "cow savvy" Quarter Horses are the heart of our ranch operation. We are pleased to offer the results of those programs.

This summer of 2014 blessed us with good rain. The grass is green, our range is in good condition, stock are fat and the market is good. Life for a cowboy couldn't be better!

We present our Quarter Horse offering with great confidence. The 2014 foal crop is outstanding carrying the stamp of quality, conformation, mind and movement that has long been our goal. The ranch horses are the best set of solid, broke geldings we've ever sold. There is a selection of outstanding JA-bred geldings and a large number of top ranch horses purchased from reputation cow outfits. And, they've been tested and ridden here on our ranch before being offered to you.

The Hereford females feature the best offering of JA-bred replacement heifers ever presented through our ring. Highlighted by daughters of Hereford leaders 806U, 555R and 9125W, they are A.I. and pasture bred to a battery of young sires in which we are banking our future. Their 2014 progeny will put you at the front of the Hereford business. The Hereford and Black Baldie commercial heifers are as good as will sell this fall season for quality, genetics and "kind."

We welcome Herd Bull partners Blue Top Herefords, Climbin' Tree Ranch and B&B Cattle Co. to our sale as cooperator herds. The BT, CTR and B&B cattle have all been developed here at the ranch, are backed by our Line 1 genetics and sell with our guarantee.

Our family is dedicated to good ranching with good Herefords and good horses backed by our faith and integrity of business. We sincerely appreciate the opportunity to present the product of our efforts to you!

We raised Peppy and sold him young to Fred Pratt. Fred uses his horses hard and really made a keeper out of this one. He has literally done it all and still does it well. Peppy needs a little bit easier life, if used really hard day after day he will soften up some. Solid for the normal ranch routine, don't count on hauling him over the miles.

"Waldo" is a performance bred and ranch/arena built Citisun Cline gelding with natural ability and talent. A grandson of Sun Frost, he boasts a bonafide rodeo-arena-ranch horse pedigree ...linebred Driftwood with single crosses to Doc's Jack Frost and Joe Hancock. A standup, deep shouldered, long hipped, big-dimension horse, he travels with a big, smooth stride. Ridden through the rigors of ranching in Colorado's mountains and Kansas' Flint Hills, he's good for pasture roping, has a big-country walk and a lot of "bottom." Started arena heeling, this Palomino is an all-around gelding whose greatest assets are his mind, grit and strong movement. Top rancher or future arena horse!

Owned and trained by Johann Thomasson, 701/ 331-0913.

"Taz" is a very talented, fancy, broke ranch gelding backed by the Pro-Rodeo, NCHA and NRHA proven blood of Sun Frost, Gallo Del Cielo "Rooster" and Doc's J Jay. A standout, first class athlete with profile and shape, he is very quick footed, has a ton of cow sense, plenty of speed and a lot of stop. Ranching in western Colorado's mountains and Kansas' Flint Hills, he has done all the ranch chores ...sorting and pasture doctoring cattle and roping baby calves to herd bulls. Well started in arena heeling with a big-league future, selling this gelding was not an easy decision. "He's as good as I've ridden."

Owned and trained by Johann Thomasson, 701/ 331-0913.

235 | SHORTY
2009 Black Gelding • Unregistered

14.1 hh / "Shorty" may be the shortest horse in size, but nothing can out walk him. He is a pleasure to ride with an extremely soft handle. Friendly and easy to catch, he's a good, family, all-around ranch horse and can sure work a rope. Watch him on the video.

236 | SONNY
2009 Red Roan Gelding • Unregistered

14.3 hh / We got this horse from good friend Sonny Jeffers in New Mexico. A handsome red roan with a good mind and lots of ability. Watch "Sonny" work, he will take a cow hard down the fence, turn her back and then walk off on a loose rein.

237 | MYSTIC

"Sunset" is a gorgeous, model, blood bay Quarter Horse bred by Elmore Stout, one of Kansas' great horsemen. A product of his noted "Rawhide" x Sun Otoe cross, her dam Miss Sunset Otoe was my choice as 2nd best in the TS band behind famed Miss Fancy Rawhide. Sunset is my candidate as the best filly TS ever sold! Very broke, she was ridden four years on the Raftopoulos Ranch, CO and here at home by Dad. Sunset, a standout producer of classy, big hipped, soggy foals sired by every stallion, she just weaned an incredible Gallo Vaquero 2014 filly! Championship blood and gentle family-rancher broke, this hi-caliber matron can be a cornerstone in any program. Outstanding foal guaranteed! **Bred to Gallo Vaquero for 2015.**

A HOLLYWOOD LIL

15.0 hh / 1170 lbs.

Sired by Frost Em Peppy, this headline, young, performance mare is outstanding for quality, pedigree power and ability. A daughter of Zans Bright Sunset, Lot 277, her blood combines the elite best of the Cowan Bros. (SD) and TS (KS) programs. She is backed by the great matrons Prissy Cline (dbl. bred), Tyree's Honey (Elmore Stout's choice at the '81 Matlock Rose sale) and Miss Sunset Otoe (a favorite at TS). This beautiful Mahogany Bay is refined and balanced with strong rodeo horse structure, shape and bone. Lot 278 has the credentials to become a franchise producer ...her 2014 Gallo Escarchado foal is a standout; 2015's will be better! **Bred to Rooster Dox Frost for 2015.**
