WELCOME ... to our 17th Fall Quarter Horse Production Sale!

Headquartered in Western Kansas ranch country, quality livestock are our family's livelihood and passion. Working Quarter Horses have always played an important role in our Hereford cattle operation, a breeding herd established 75 years ago in 1945. Today, our AQHA performance horse program is a big part of our ranch operation following the same principles breeding Herefords and Quarter Horses, both.

Our goal is to breed and develop a versatile horse with an optimum blend of cowhorse, arena performance and speedhorse blood. This 2020 foal offering is loaded with quality, ability and performance potential. Sun Frost stallions PC Frost Em Peppy and Citisun Cline continue to lead the program. JA Frostwood Drift and DVA Setumup Wiley anchor our Driftwood lines. JA Colonel Frostwood (Three Jay Colonel, World Champion Ranch Horse) and Roosters Shorty (Gallo Del Cielo) inject a proven and powerful Cowhorse outcross. Courage Of The Heart, sired by 6666's Captain Courage AAA out of a Driftwood dam, introduces a highly anticipated Speedhorse cross.

The ranch horses are dominated by standout, young JA-bred geldings from our Sun Frost, Driftwood, Hancock program. They have a solid foundation started by the High and Zimmerman families. Ty Hotchkiss rides for 60 days to prep for the sale.

Our 2020 broodmare offering is a high quality set of young JA program matrons backed by our proven genetics and bred for outstanding 2021 foals.

Dedicated to good ranching, good Herefords and great working Quarter Horses, our family appreciates the opportunity to present our horses for your consideration.

Very friendly with a big hip and attractive markings, "Hank" has been ridden by a variety of riders with good results. This horse has enough motor for the big jobs, but is soft and controllable. We have dragged calves and roped; he will track a cow and rate well. No buck or hump, and you won't step in a badger hole with him ...he always knows where his feet are!

"Bobbi Jo" is a great young gelding ...a rare, valuable horse that covers the whole spectrum ...top ranch mount to family kid's horse. Five years old and he rides like he's ten. A "do-it-all" rancher ...sorted, pasture roped and doctored, feed yard ridden ...and at home, he's the whole family's "school teacher, baby sitter, kid's mount." Smart, trustworthy, dependable, he's one of the most unique, versatile geldings to sell this fall. *Owned by Aiden Glaze.*

With that classic Jackie Bee look, he can be trusted to do whatever you want, and in a few more years, the whole family can enjoy him. Line up for a good one!

Very quiet and gentle – you can catch him with a twine string anywhere! He has had a steady diet this summer of kids and inexperienced riders. Here lately, he has gotten a bit stubborn and sour at times when made to do what he does not want to do. We will put a cowboy on him, and he should be ready for the kids again, but want you to know where he has been.

Big, well-made and handsome. Add on gentle and experienced ...he equals a top-notch ranch horse! Our neighbor Gary Collins on the Mille Ranch put many hours and miles on Gusto in Wallace County, doing everything that cowboys do. A really pretty, smokey, dappled palomino. A sale feature ... he has buttons to push that most cowboys do not even know about. Very cowy and broke, he is ready to move on to cow horse and reining competitions.
