WELCOME ... to our 18th Fall Quarter Horse Production Sale!

Hereford cattle are the foundation of our family's Jamison Ranch heritage. Good Quarter Horses have always played a major role in our ranch operations and the AQHA mare bands are now a big part of our ranch program. Backed by a passion for quality, performance livestock, we follow many of the same breeding principles for our Herefords and Quarter Horses, both.

We are proud to present this "best ever" 2021 foal offering that combines our long-time proven genetics with the introduction of progeny from new stallions. The saddle horses are an outstanding group of young, home-raised horses along with older, seasoned mounts consigned by friends and ranch employees. We look forward to watching them continue to perform.

Jamison Ranch is a family operation that involves everyone. Partners Gerald and Merle High share our spiritual values, our passion for good livestock and play an important role in our overall plan. We look forward to the future with their involvement to build the performance and integrity of our program. The High and Zimmerman families have started our prospects under saddle for several years building the foundation necessary to make a great horse. Our ranch crew is a "saddle horse outfit" ... anchor Aden Glaze is a very respected horseman, stockman and cowboy ... trainer Ty Hotchkiss adds the pre-sale finish on all sale horses.

Backed by our faith in God, we are dedicated to good ranching with great Herefords and top Quarter Horses and appreciate the opportunity to present you the product of our efforts. Please call with your questions.

The Jamison and High Families

OUR GOAL ... Match the right horse with the right buyer.

Please call ... let's get acquainted. We'll make our best recommendations based upon your goals, criteria and expectations for your new saddle horse. We want to insure the success of your purchase for you and the horse, both.

He's a standup, deep cinching, well muscled, strong structured horse with a little extra chrome. His Jamison Ranch pedigree combines the blood of World Jamison Ranch Versatility Champion Three Jay Colonel with a double shot of NFR Sire Sun Frost and seven crosses to Driftwood. "Socks" is well broke to ride and moving out strong and confident and displays the athleticism and cow sense his pedigree represents. A yearling injury resulted in some eye discoloration, but he appears to have functional good sight. Proven in the breeding pasture, JA Colonel Sunwood offers power, pedigree and performance! **Five Panel Genetic Test N/N.**

It would be hard to put a prettier head and neck on a colt and the rest of his conformation follows suit. Here's a colt that has really impressed us. He has the right amount of sting to be effective, but he is trainable and has seen a large variety of situations and figures it out. He has dragged calves in the branding pen and responded well to the pressure. Here is a true representative of the Wilywood/Sun Frost combination that we have featured successfully over the years. He has a wire cut on one foot that doesn't bother him.

Big, beautiful buckskin. He is everyone's friend and is quiet and easy to be around. A couple of young cowgirls learned on him and used him for a few years to give him a solid foundation. Ty is showing him the ranch horse world. If you want color, conformation and gentle all in one package, call us on this one!

He is the "do-everything, be everyone's friend, fits all levels" star of the sale! Not super fast or super talented, just solid and level. The Timko Family, Colorado has had Fritzy since he was a colt. They used him as a ranch horse, a family horse, and a "visitor's horse." He has seen the mountains and the plains.

If you like tall and quiet, "Ziggy" fits the bill. Pretty quiet and laid back, he is a real smooth ride and carries you along with ease. Doesn't have the fanciest handle on him, but he is sure reliable and ready for a job. Not a real dominant horse, he is often at the back of the herd at feeding time, which shows a bit in his condition. Solid ranch horse with a classic Roan Bar/Wilywood pedigree!

Gray, handsome and a sure enough cow horse! He is super fun to sort on and loves the job. Not very friendly until he gets to know you, then he is your buddy. If you are a confident rider and can give Bully a job, he will fit. If you want to just relax and ride for play, look elsewhere. I think Bully could be a "win-it-all" barrel horse in the right hands.

Here's a cowhorse! Take a look and you'll know why we call him "Tank"! Heavy muscled with good bone and all the foot you need, Tank should stay sound for many years to come. He is very cowy and will really pay attention in the herd. He is developing a real good handle and has all the heart you need for whatever comes up in a days work. Very responsive to any cues you give him. Tank has an old scar on his left shoulder that doesn't bother him at all.

"Patch" has been a handy horse to have around in many different situations. He is gentle for a wide variety of riders and is very friendly. "Charles" is one cool horse ... a very nice traveling, country covering mount that's dragged calves to the branding fire and performed every other ranch job. One of the cowiest horses I've ridden, he'll "lock on" showing a ton of expression whether sorting or building to rope one. A standout young gelding with huge potential, he'll excel from the ranch to roping or cowhorse arena. Serious ranch and competitors should give this classy gelding a try. Started with a "Brian Peak Foundation," he's had a year of Kansas Flint Hills cow/calf and yearling steer ranching. He's got a solid Driftwood mind, big stop, locks on a cow and is a big mover with a huge, "ranch country" stride and "all-day" durable ...no cow outruns him ...no horse will outlast him. "Kimberfrost" is a powerful, all-around performance mare backed by Championship Cowhorse and ProRodeo blood. Her 7x Driftwood pedigreed features Leading Sire Gallo Del Cielo with a double shot of NFR Sire Sun Frost. She's a medium-sized, stout Quarter Horse... squared-up, deep barrel and big hip with "cowboy structure" feet and bone. She's advanced well with 100 days under saddle through rigorous ranch riding, doctoring, sorting and shipping. A unique personality ..."Ask, and she'll do it!" She's a gentle, strong moving, big stopper for the all-around rider who appreciates a versatile, consistent mount. Her future ...a do-it-all rancher, team penner or break-away roper with broodmare quality and a proven maternal line!
