61st Annual Sale SELLING 50 BULLS

Online Auction Bidding
Opens January 13, 2018 and
Closes January 21, 2018

www.KnipplingCattle.com

Welcome Cattle Producers,

We would like to invite you to the ranch to view the bulls that we will offer in our 61st Annual bull sale. 2017 was a challenging year with the drought. Our top priority was to maintain our cow herd with the improved genetics that our family has been working on for over a century.

As one goes through the bulls, it will be hard to pick out a top or bottom end because this set of bulls is extremely consistent. In our program we put an emphasis on length, muscle, disposition, sound feet, good hair, and quality females.

As we are in more challenging times with tighter margins, Hereford bulls just make sense. Hereford sired cattle provide efficiency in both cross and straight bred programs. Longevity and docility are unmeasured traits that Hereford cattle provide. The bottom line is the bottom line. And Herefords have proven and continue to prove their ability to make money for the producer.

We believe bulls that aren't fed hard but have the opportunity to grow will have longevity. The bulls were never creep fed. We feel that not creep feeding allows the best opportunity for evaluating the cows. They were raised on a high roughage ration then turned out on grass for the summer as yearlings.

This year our auction will be different from the format that we have used in years past. There will not be a sale order and we will be using a horse race style format. We know that it will be a lot different but we feel that not being restricted by a sale order will benefit our customers. Some things will not change. You can come to view the bulls at your convenience. And the bidding will still occur over a week time frame, which gives our customers, more time to compare the bulls. If anyone does not feel comfortable with the bidding format, please let us know and we do have help available.

Current weights will be placed on our website a few weeks before the sale. We encourage you to come and view the bulls at the ranch or online at www.knipplingcattle.com. DVDs are available upon request.

Herd Bulls

UU TURNING POINT (4183) - #43467860 - CED: 1.1 BW: 4.5 WW: 75 YW: 131 M: 36 MG: 73
Turning Point was the high selling bull in Van Newkirk's 2015 sale. He is out of the same cow as the 2112 bull. Turning Point is a bull with a large frame, quiet disposition and he is as deep and long as you can make them. Owned with Stuber Ranch and Van Newkirks.

UPS DOMINO 1034 - #43213248 - CED: 5.7 BW: 1.3 WW: 41 YW: 75 M: 33 MG: 53
1034 is a 5216 son with great numbers, a lot of natural thickness and calving ease. His females are going to make great cows.

UU HARLEY 2112 - #43266603 - CED: 4.4 BW: 1.9 WW: 54 YW: 102 M: 35 MG: 62
This may be the best 7100 son Van Newkirk's have ever raised, and that is saying something. The 0135 cow has raised some great ones between "2112 and Turning Point." He has great length, thickness, and super disposition.

UU DOMINO 3025 - #43364642 - CED: 1.4 BW: 2.7 WW: 57 YW: 89 M: 40 MG: 68
Top selling bull in Van Newkirk's 2014 sale. A moderate famed bull with a great hind quarter. He is producing standout bulls and females.

ECR 860 DOMINO 2039 - #43331015 - CED: -0.2 BW: 3.2 WW: 66 YW: 106 M: 33 MG: 66
2039 is a moderate framed 860U son. Like anything with CL 1 Domino 860U in its pedigree, his calves have explosive growth. His females have perfect freckled bags. He is the total package.

ECR HIGH CLASS 3009 - #43401783 - CED: 2.5 BW: 2.4 WW: 70 YW: 92 M: 24 MG: 59
Top selling horned bull at FECR 2014 sale. 8050U is siring cattle that are real herd improvers. We feel that 3009 is doing the same as his sire, creating exceptional females as well as impressive bulls. Owned with Keith Carmichael, Jimmy Atlas, and Blume Herefords.

R 955W NORTH STAR 8Z - #43297019 - CED: -1.2 BW: 5.3 WW: 55 YW: 97 M: 33 MG: 61
Top selling bull in Ridder's 2013 sale owned with Hermann Ranch. 8Z has extra thickness, great yellow hair, and excellent disposition.

KB L1 DOMINO 1202Y - #43179212 - CED: 3.2 BW: 4.9 WW: 60 YW: 108 M: 26 MG: 56
We own this bull with Brian Carmichael. Exceptional length, easy fleshing, thickness and calving ease are what he provides. We can't wait to calve out the heifers sired by him. They look like they are going to be great cows.

R 105Y NORTH STAR 1B (Callaway) - #43497826 - CED: 3.0 BW: 3.6 WW: 60 YW: 91 M: 47 MG: 77
The top bull sold at Ridder's 2015 sale. We used him with great success on our heifers. His calves come small and have excellent growth. They have a lot of thickness, pigmented eyes and great disposition.

R 102W NORTH STAR 44B - #43495947 - CED: 3.0 BW: 3.6 WW: 60 YW: 91 M: 47 MG: 77
We really like the 102W sons at Ridders. They all are super long. He is probably the best 102W son we bought. He has extra eye pigment. Look for more sons in the future.

R 723U NORTH STAR 47Y - #43198086 - CED: 3.0 BW: 3.6 WW: 60 YW: 91 M: 47 MG: 77
47Y is a thick bull with a good hind quarter. We used him as a clean-up bull but his calves fit right with the AI calves.

UU DOMINO 3142 - #43364755 - CED: 3.0 BW: 3.6 WW: 60 YW: 91 M: 47 MG: 77
3142 was an outcross bull that we used late. He sired mostly heifer calves, so there is only one son for sale.
