Annual Bull Sale

Sun., Feb. 28, 2016 • 1:30 PM CT
Leddy Ranch • Twin Brooks, SD

Semen Test All bulls will be semen tested the first part of April. Bulls will be sold guaranteed to pass semen test. If a bull doesn't pass the semen test conducted by Dakota Valley Vet, Milbank, S.D., 100% of your money will be returned. No further guarantee will apply. If you wish to take your bull home sale day, you can deduct \$50 from purchase price of bull. You must have your bull semen tested by your vet before the 1st of May, and notify us if he does not pass by this date. Open heifers will be checked that they are open and breedable with no further guarantee.

Insurance Option At the buyer's option Leddy Ranch will pay 1/2 of the premium for mortality insurance purchased at the time of settlement. The other 1/2 being paid by the buyer. This option applies to the bulls only for one year.

Calving Ease Code (CE) (this is not a guarantee but a guide)

★★★ Can be used on all heifers and cows

★★ Can be used on larger framed heifers and cows

★ Should be used on cows only

Welcome to our Bull and Female Sale

Leddy's have been selling breeding stock since the early 1940's. We have an extensive AI program, with all but two of the bulls being sired by top AI sires. Sires are selected with calving ease in mind but not giving up performance. They also must come from an outstanding cow family where udders and feet are problem free. We calve in a 60 day calving window and cull all open females. Fertile and efficient females are a must!

Bulls were weaned the middle of September. They were introduced to feed just prior to weaning to make the transition easier. They were raised on their own mothers with just milk and grass. After weaning, they have been on a TMR of silage, hay, earlage and a vitamin and mineral pellet. Bulls are not pushed for maximum gain but rather optimum gain for good feet and legs.

Bulls will be kept FREE until the 15th of April. At that time, bulls will be semen tested and delivered FREE. Remember as you're selecting your next herd bulls to keep in mind the potential of injury. Having an extra bull in the bull pen is always a good idea. Insurance will be available and is highly recommended.

The sale will again be broadcasted on DV Auction. Bulls and heifers will be penned next to sale barn but will not be run through; just a video of them will be shown. We hope you can come the day of the sale, but if something comes up or the roads are bad in your area, having the ability to bid on line is a nice back up plan.

The replacement heifers are all home raised. They are sired by our herd bulls and have a bright future ahead of them.

Thanks again and hope to see you at the sale.

I could write a book about how much I like this bull's mother • She consistently has lighter birth weight calves, yet has a WW ratio of 106 and YW ratio of 105 on her 8 calves. At 10 years of age, she as a beautiful udder and picture perfect profile! • Build a cow herd with this bull

Born unassisted from a two year old Oly daughter • Typical Conquest bull: light birth weight and incredible vigor when born • Another moderate framed, deep ribbed bull that you can breed your heifers to and not give up weight in the fall

DIRECTIONS TO LEDDY FARM:

Option A

From the junction of Hwy 15 and Hwy 12 go 6 miles west on Hwy 12. Turn south on 472nd Ave. (This is a blacktop road. Notice Big West-Con elevator is on the east side of this road.) Go 4 miles south on 472nd Ave. Turn East on 153rd St. and go one mile East.

Option B

From the junction of Hwy 15 and Hwy 12 go 4 miles south on Hwy 15. Turn West on 153rd St. (gravel road) go 5 miles west.

Directions from Watertown, SD

Head north on 129 to exit number 193. Turn East on to SD Hwy 20 and travel east for 15 miles. Turn north on to 472nd and go 4 miles north. Then turn East on to 153rd St. and go one mile east.

I didn't realize we had 4 bulls that were 3/4 brothers in the sale until I started writing footnotes. Lots 530, 553, 556 and 565 are all sired by Revolution and out of Rib Eye dams. A good breeding plan paid off. • 565 has a little more frame than the others and just missed 700 lbs. on his Adj. weaning Wt.
