## 2019 Fall Female Production Sale

FRIDAY, OCTOBER 11, 2019 • 12:00 NOON (CST) • MENNO, SD

Welcome to our 3rd Fall Female Production Sale,

Our goal is to continually increase the quality of our cattle and sale offering and we feel that we have done that again this year. This herd has always been based on superior cow families that have udder quality and functionality. Our expectation is that the cows calve without assistance, breed back in a timely manner, maintain their body condition and wean a heavy calf at weaning time. The sale will feature elite genetics with an excellent set of young and proven cows, bred heifers, heifer calves and herd bull prospects.

In this sale you will have the opportunity to purchase from the largest group of progeny and service out of our very popular herd bull, MPH Z311 Rampage D1. He continues to amaze all who have used him, siring light birth weights, weaning and yearling growth and the cosmetics that we all want today! He has been used all across the country now with awesome reports.

The cattle will be on display in runs at our sale facility just up the road from the home operation. They will be very easy to get to and look at. They will not go through a traditional sale ring. All the cattle will be presented on video in the sale facility on large screen TV's. We believe this makes for a quicker sale, is less stressful on the cattle and the videos are easier, for people who cannot make it to the sale to evaluate.

Please come early and inspect the offering. If we can help in any way, please do not hesitate to contact us.

Sincerely,

Brian, Teresa, Brooklyn and Jaxen

Ron and Kevin

Rampage has extreme eye appeal with complete eye and scrotal pigmentation and is smooth polled. Not only is he a performance powerhouse, but a maternal giant as well, coming from one of the most renowned cow families in the polled Hereford breed, the Gerber Rosy Lane family. Rampage has been used all across the country with huge success. This is the first chance to get his offspring and service in quantity. Semen also for sale. Owned with Roth Hereford Farm, Windsor, Mo.

Juice Box is owned with ABS Global bull stud and is one of their very top selling polled Hereford bulls. He will add pigment and dark red color, sire light, easy calving birth weights that will add weight and mass. His best attribute, in my opinion, are his daughters. Moderate size with outstanding longevity and udder quality. Semen available.

Showdown is a maternal brother to Juice Box out of the extremely popular past Denver National Champion bull, Trust. Dark red, big goggle eyes, pigmented testicles all complete the look. Low birth weight, high growth and milk with all the cosmetics...what more could you want in a herd bull?

F39 is a stout, performance made maternal brother to our Box Top bull that we own with Reed Farms in Mo. This bull is freckle faced, pigmented and red to the ground. He is a sure bet being out of Encore Z311 and Dam of Distinction Brandi W19. A very complete bull with a lot of muscle shape.
