**SUNDAY,  
SEPTEMBER 19, 2021**

**LAUREL, MONT.**

# Mohican West

LAUREL, MONTANA

## Mohican Farms

Conard and Nancy Stitzlein, Owners

4551 State Rte. 514  
Glenmont, OH 44628  
Tel 330-378-3421  
Fax 330-378-3501

## General Information

---

### Directions

24 miles west of Billings, MT on I-90 to Exit 426, then 1 mile south through Park City to T (Cemetery Road) then 3 miles (left) east to Sportsman Park Road, then right to Mohican West.

### Air Travel

Logan International Airport, Billings, MT is served by Delta, American and United. Located about one hour from the ranch.

### Hotels

Rooms are available at:

#### Best Western:

Yellowstone Crossing, Laurel, MT  
Ph. 406-628-6888

Other hotels available nearby at Billings, MT

**Terms:** Cash or check unless prior arrangements are made with the owners.

**Registration Certificates:** Certificates of registration are all in order and will be transferred to the new owner according to instructions given the clerks.

**AI Certificates:** Any female that is mated to an AI sire that is not owned by the seller will not have an AI certificate furnished.

**Insurance:** Insurance will be available. Please see the sale cashier for your insurance needs.

**EPDs:** EPDs are updated weekly by the AHA, and we cannot guarantee the EPDs listed in the catalog. The EPDs are current from the Aug. 6, 2021 Evaluation of the American Hereford Association.

**Health:** Proper health papers will be available.

**Lunch:** Lunch will be available sale day.

**Trucking:** Trucking will be at cost to buyer to central points. Buyer responsible for pickup from central points.

**Bids:** The auctioneer in charge will have final say in regard to all final bids. We hope everyone can attend, but those who cannot may mail or call bids to either of the sale managers or any of the representatives.

**Catalog:** Statements made from the auction box take precedence over printed material in this catalog.

---

**SAVE THE DATE:**  
**Mohican West Annual Bull Sale**

**MONDAY, NOVEMBER 8, 2021**

- Sure Fire is a balanced, correct, stout-made son of the top breeding sire, Long Haul, that is working so well for Churchill Cattle Co.
- Anyone should appreciate his birth to yearling spread, his maternal milk EPD and especially his dollar index values.
- We anxiously look forward to seeing his calves develop and sharing this promising young sire with our new partner.
- Act. BW 76 lb., 205-day wt. 800 lb.
- Selling two-thirds interest and full possession.

- When we found this young bull last fall while in Kentucky we liked his balance, correctness, sire and cow family. His pedigree is laced with cows with good udders and milk flow so he should be a problem-free super female producer.

- We think this mating of Masterplan and Rita 7117 will be a home run.
- Tremendous pedigree recognition top and bottom with stellar EPDs.
- Bull or heifer or both — all herd advancing individuals.

**LOTS 37-44**

Once again, the McMurry family extends appreciation to Mohican West and the Stitzlein family for our participation in this sale. Also, a warm welcome to the Agar family.

Our cow herd has remained in good condition during Montana's 2021 adverse and record drought. The sale offering are cattle that should adapt to any destination. Our genetic offering will be an outcross for many programs. We have focused on added value udder quality, balanced trait selection and influence from outstanding Hereford bulls and females.

Our thanks to all who have supported past sales and to those breeders who evaluate our cattle this year.

Sincerely,

*Fred and Doreen McMurry*

- Homozygous Polled. An own daughter of DR World Class 517 10H from a strong Square-D bred female. Sound structure with added cosmetics.
- Safe from pasture exposure to MC DHZ5 132E Whitmore 2030, Reg. #44297097, due March 10, 2022. This is an exciting yearling herd sire, maternal brother to Boyd Ft Knox 4040. He is sired by an NJW-bred LJR Whitmore 10W son, 132E. His dam has udder quality as strong as can be found and she is powerful. This yearling bull has added length and volume. He is heavily pigmented and short-marked. This is a feature mating!

- A performance bred female with outstanding udder quality and marbling predictions.
- Safe to SHF Foresight F158, AI service. Due on or before Feb. 4, 2022.
- This female and her anticipated calf would move genomic values forward for most herds. Six full sisters to this female were sale features at the Loewen dispersal. Her 4013 heifer calf will be retained.

- Homozygous Polled. Two-year-old 1956 is a fifth generation female in our program. This is a cow family that has consistently produced quality offspring. Udder quality has been outstanding. There is above average marbling in this pedigree. Sires DR World Class 10H AND MC Ranger 9615 are present.
- Pasture exposed to MC DHZ5 132E Whitmore 2030, Reg. #44197097. Safe in calf to calve approx. calving date March 23, 2022.

- This is a March 17, 2021, bull calf, born unassisted. Receiving calves of this quality from first-calf females is pleasant and fulfilling. I like this calf, his sire and his cow family. Daughters of this herd bull prospect could be prized females down the road.

- Homozygous Polled. An attractive female that has been trouble free. This cow family has produced above average calves. There is calving ease and strong mothering ability here. The pedigree is anchored by a great female, DDR Victoria 964 8D01.
- Safe to AI service on April 25, 2021 to MC 1610 D287 Daybreak 2012, Reg. #44177464. This is a Homozygous Polled bull produced by our DOD LJR Whitmore 10W cow, 1610. Due on or before Feb. 4, 2022. This mating will produce a predictable brood cow or a herd bull prospect.

- The Ella 0119 cow comes from one of the oldest cow families on the ranch and has been one of the top-dollar generating cows ever in our program, so when the kids asked to flush 6358 it was an easy decision. The flush resulted in 10 heifer calves, nine of which calved this spring. We figured we could afford to let a couple go. 9205 is one of the most exciting breeding pieces we have produced, don't miss out.
- Retaining one future flush with a minimum of six (6) embryos at buyer's convenience and seller's expense.

- When we were first approached about consigning some females to the Sale, we knew we wanted to start the offering with a powerhouse Cowboss donor. The first cow that came to mind was DCR 199B Standard 7625, she led the kids 2018 champion fall heifer pen in Denver, since then she has put multiple daughters back in the program and banked a nice collection of eggs. In terms of power, dimension and fleshing ability, few cows offer more! We are excited to see what she can do for another program.
- Pasture exposed from May 25 to July 25, 2021 to DCR 428B Manhattan 0018.

- 7020 has been the highest dollar generating female ever at DCR. When we did this flush to 7167 it was in hopes of raising a polled herd bull with a different pedigree. Instead we got 2 awesome females. 9230 is so easy fleshing and sweet in her design. Letting these two go hurts!
- Pasture exposed from May 25 to July 25, 2021 to UPS Endure 8128.

- We wanted to take the opportunity to offer a few females from our purchase of the Bar Pipe cow herd. The Clay daughters are very correct, clean uddered and production driven. They have a lot to offer the industry!
- Pasture exposed from May 25 to July 25, 2021 to NJW 78P 88X Cowboss 199B.

- A cow that is flat getting it done of her first calf! Deep ribbed, with tons of capacity she is the type that can go anywhere and generate dollars.
- Pasture exposed from May 25 to July 25, 2021 to NJW 78P 88X Cowboss 199B.
