*Welcome Cattlemen:*

*Welcome to our 2016 bull sale at Moke Angus. We have been in the Angus business using A.I. from some of the top performance sires for the last 17 years. We enjoy working in the cattle business as a family. Together we are constantly improving our cows through sire selection that will have an end result of well-balanced cattle that will perform in the feedlot and materially.*

*If we can be of any assistance in your selection process regarding our sale offering, feel free to stop in to visit us or give us a call. All up-to-date data including scrotal measurements, performance information, and ultrasound information will be available sale day.*

*Our sale will be at the farm so come early to view the bulls and have a hot lunch. The bulls do not run through the sale ring. We will have videos of each bull and will display the video during the auction. This is easier on the bulls and saves you time at the auction. We hope to see you there!*
