Nate, Jayna, Tiernan & Teegan Frederickson,
Mark & Mary Kay Frederickson

Jason, Karen, Ava and Joseph McLennan

Welcome to the 10th annual sale of Pyramid Beef, LLP. We sincerely appreciate the many fine operators that have trusted us enough to invest in our program and allow us to do business for the past decade. We are most grateful that you have allowed us to be a small part of your operation. The sale will again be held at Frederickson Ranch west of Spearfish, SD on December 7th starting at 1:00 pm. Please find driving directions to the ranch in the catalog or on our website at www.pyramidbeef.net.

The cattle selling this year exhibit the genetic and phenotypic makeup representing our philosophy as well as any we have marketed before. The bulls selling were brought to the yard some weeks after our sale last year. We summered the bulls on grass from June until mid August and then they were returned to the development center. The current diet for the bulls includes chopped hay, soy hull pellets and dried distillers. All of the bulls have been a part of a complete health program from birth until now and will undergo a breeding soundness exam prior to the sale. As in the past every bull selling carries our Guarantee for the first breeding season.

The offering will also include 5 outstanding Hereford bred heifers selling as individual lots as well as 140 outstanding commercial bred females consigned by Pyramid Beef and long-time customers. Many of the females selling are AI bred. Those not AI'd are bred to Pyramid Beef bulls and sell in short calving windows. All females selling are confirmed pregnant with calving date ranges specified with the listed lot in the catalog. Please note the various consignments following the bulls listed in the catalog as well as the contact information of each female lot consignor. The female portion of the sale will be a video sale with only a portion of the lots on site for your inspection. Those interested in the female portion of the offering should contact the consignors prior to the sale to make arrangements for viewing of the lots in their entirety.

We thank you again for your interest and invite you to give us a call with any questions you may have. The bulls can be viewed any day prior to sale at the development center located at Frederickson Ranch west of Spearfish. Contact information is available for all female lots listed in the back of the catalog.

Sincerely,

Pyramid Beef

Sale Day Details

Cattle Viewing: Bulls may be viewed at Frederickson Ranch, west of Spearfish, S.D. Call anytime for directions or a consult.

Sale Terms & Conditions: All cattle sell under the standard terms and conditions of the American Angus Association and the American Hereford Association. Terms of the sale are cash.

Sale Order: Bulls are cataloged in sale order; however, the Herefords and the bull calves will be intermixed throughout the sale.

Lunch: Please join us for a complimentary lunch before the sale at Frederickson Ranch.

Genetic Defects: All cattle selling are guaranteed free of any known genetic defects.

Herd Health: The bulls have had a complete herd health program. Prior to sale day, they have had another round of Vira Shield 6, Fusoguard (Foot-rot), Dectomax Injectable and Pour On for lice control. All bulls have gone through a breeding soundness exam.

Delivery: Pyramid Beef is offering free delivery on all bulls sold within 300 miles. Receive a \$50 discount per bull if you haul your own sale day.

Videos: Visit www.pyramidbeef.net for videos of the bulls.

Welcome, Ross!

Pyramid Beef welcomed Ross Potter to the team in early 2019. Ross will assist in managing the Frederickson Ranch cow herd as well as the bull development center. Ross brings a wealth of knowledge in the cattle business. He is quickly learning the cow herd and is always available for questions and to show people the bulls.

Tipping our Hats to YOU for 10 great years!

This will be Pyramid Beef's 10th anniversary, and to celebrate we are giving away a gift certificate for a custom made cowboy hat from Weather Hat Company of Belle Fourche, South Dakota. The certificate will be for a 100% pure beaver cowboy hat valued at \$700.00. To win this hat, each time a customer purchases a bull he/she will have their name entered and placed in the drawing. Buy 1 bull, get 1 chance; buy 3 bulls, get 3 chances and so on.

The Pyramid Guarantee

Guarantee: All bulls selling for \$3250 or more will be unconditionally guaranteed for the first breeding season. This guarantee applies to injury or fertility issues that would hinder the bull from performing his duties. 100% of the value of the injured or infertile bull minus (\$1750 salvage value for 2yr olds, \$1500 for yearlings selling) will be given as credit towards the replacement of one purchase in a future sale or a replacement bull if one is available. We ask that customers make us aware of issues as soon as they may occur.

Sale Location!

FREDERICKSON RANCH

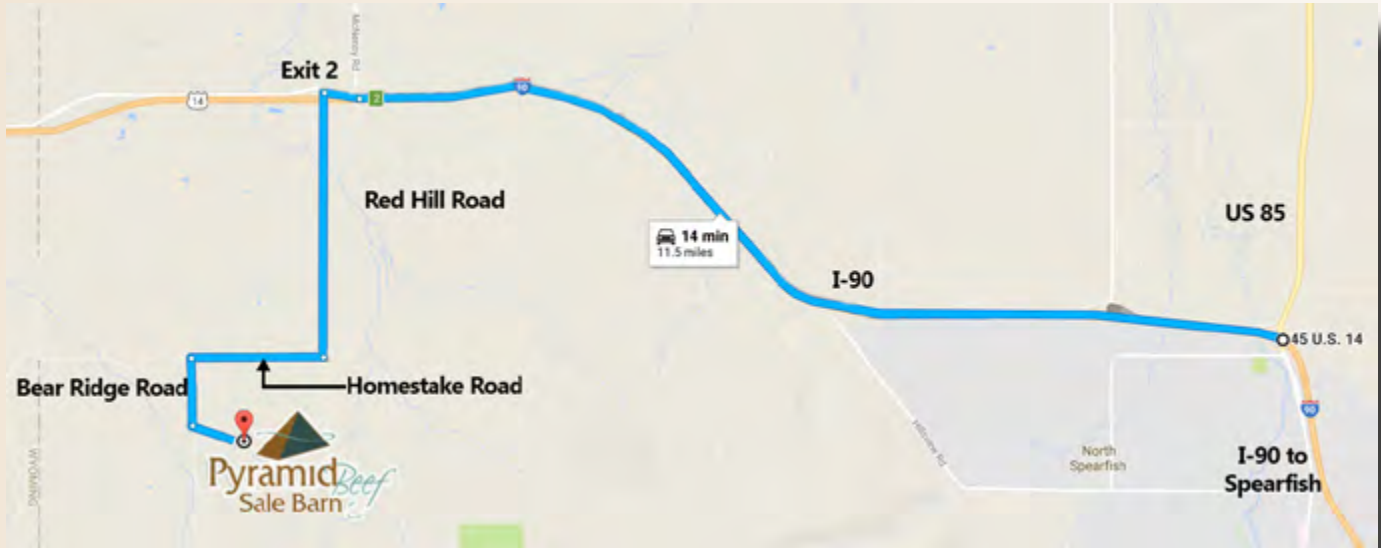

10 Miles West of Spearfish, S.D.

DIRECTIONS TO FREDERICKSON RANCH:

FROM SPEARFISH, SD: Head west 10 miles on Interstate 90 to Exit 2. Head south on Red Hill 1.5 miles to Homestake Road. This is the first stop sign you will come to. Head west 1 mile on Homestake Road to Bear Ridge Road. Turn and head south ½ mile. The destination is on your left.

FROM SUNDANCE, WY: Head east 22 miles on Interstate 90 to Exit 2. Head south on Red Hill 1.5 miles to Homestake Road. This is the first stop sign you will come to. Head west 1 mile on Homestake Road to Bear Ridge Road. Turn and head south ½ mile. The destination is on your left.

Bid Online!

If you are unable to attend the sale, you can register to watch or bid online through The Livestock Link by following these instructions:

The Livestock Link™

Videoing • Video Sales • Clerking
• Bid-by-Click Online Sales

- Visit our website, www.thelivestocklink.com
- Click the "Online Auctions" tab
- Click on "Click Here to Register"
- Enter your e-mail address and password, and fill out all your contact information
- Fill out your Banking Information. If you are only viewing the sale and do not wish to bid, this information can be left blank.
- Check the checkbox at the bottom of the page that says "I'm not a robot" to prove you are a real person
- Click "Register" at the bottom of the page
- You will receive an email with a link to activate your account.
- **Please register to bid at least 24 hours in advance of the sale.**
- Contact Aaron Friedt at (701) 590-9597 for help or with any questions.

You will receive an email when you are approved for bidding. All applications will be reviewed and processed promptly. You will receive a bidder number only after you have made a purchase in the sale, and that number will only be used at that sale. When the sale is completed, please contact the sale owner or manager for instructions of payment and delivery of your purchase.

To use our service, you must have access to High Speed Internet.

Angus Bull Offering

Angus Reference Sires

In order to best serve our growing and dedicated customer base our selection of herd sires is paramount each and every breeding season. Our mission is to utilize genetics that keep us true to our core principals of creating exceptional cattle for the western short grass region. We want as much performance as is practical, while keeping our cows moderate and fertile to fit our range conditions. First and foremost, the bulls we opt to use must have the correct foot and leg structure, be deep bodied and possess easy fleshing phenotype. We choose herdsires that stem from pedigrees that excel for maternal instincts and udder quality. The bulls referenced in this offering have met our strict criteria and we are confident in their offspring meeting the goals of your operation.

Steadfast was purchased in the spring of 2017 with ST Genetics and Koupal Angus of Dante, SD. Steadfast was added to our program due to the maternal strength behind him. Both his dam and grand-dam are Pathfinder cows at McCumber Angus, one of the premier maternal herds in the country. Steadfast is a truly unique bull in his ability to sire true calving ease without sacrificing muscle shape and performance. He sires a very consistent type and pattern. This set of Steadfast sons excel in their structure and foot quality. They are also very quiet in their demeanor. We will calve the first daughters this spring and couldn't be more pleased with how they have developed. We feel he is one of those bulls you will look back at in 5 years and wish you had more daughters. The majority of his sons selling are safe for use on heifers.

Packer is a sound, thick, long made bull that is an efficient breeder and whose progeny weigh heavy and possess good dispositions. He stems from the tremendous Estrada cow family at 21 Angus Ranch in North Dakota. His daughters have demonstrated that he should improve udder quality and hoof shape. Of the 40+ we have calved thus far, they have produced stout, heavy calves as young cows.

This is the second year we have offered Command sons for sale. Command is a calving ease sire that we added for his carcass merit, without sacrificing the type and kind we are striving to produce. The bulls are stout, rugged, and exhibit excellent performance for his moderate frame size. We had the pleasure of calving the first Command daughters this spring. They presented tremendous udder quality and excelled in production.

Resource continues to be a major part of this program. There are over 15 sons and grandsons selling again this year. Resource is a uniquely powerful bull in that he sires nearly unmatched performance and pay weight in an efficient and moderate framed package. The sons and grandsons are wide based, thick ended cattle that push the scale down at all measurable junctures. The young daughters are deep sided, easy fleshing cows that are nice uddered, sound footed and good tempered.

Tex Playbook is the sire to the majority of yearling bulls selling in the sale. After traveling throughout the country and viewing his offspring, it was evident we wanted to bring in the influence of Basin Payweight 1682. No matter what sale catalog you looked through, those sons stood out for their depth of body and performance, while maintaining a very moderate stature. Which is just what we strive to produce. The downside was semen is in very short supply, so we decided to go with a son instead. Which ultimately lead us to Select Sires lead Payweight son, Tex Playbook. With over 50 calves on the ground this spring we are very pleased with the results. In my tenure of raising Angus cattle, I have never used a sire that transmits this kind of docility in Angus cattle. These Playbook sons act just like a Hereford!

We used Advance as he presented himself as an high accuracy low birth bull that excelled in maternal design and strength in cow family. His dam is one of the more influential cows in the Angus breed. Advances progeny start light and grow well. The females present a consistent and desirable maternal look.

LOT 22 • PYRAMID PACKER 8246

ANGUS

My father didn't tell me how to live. He lived and let me watch him do it.

Mike, Karen's Dad, loved his family. He was at his best when he was surrounded by family, especially at Christmas time, which held a special place in his heart. He loved football, especially the Mahanomen Indians and the Minnesota Vikings, hunting, yard work, and tinkering with engines and various things in his shop. When working on engines, there was very little the product "Sea Foam" couldn't fix. Mike also enjoyed volunteering for the Mahanomen Fire Department for 23 years. He was a devout Catholic and claimed to have been inducted into the "Altar Boy Hall of Fame." Mike also prided himself on being a "tough bohunk," which was a reference to his stoic nature and his Bohemian roots.

Mike is survived by his wife, Dianne; his children: Kimberly (Guy) Strandemo, Karen (Jason) McLennan, and Greg (Kristen) Liebl and 10 grandchildren, including Ava and Joseph McLennan.

In loving memory of Karen's Dad
W. MICHAEL LIEBL
Mahanomen, MN • 1945-2019

Yearling Angus Bulls, Lots 68-81

This is the second year Pyramid Beef will be offering a selection of bull calves for your visual appraisal. This is an option for customers that would like to run a yearling bull on their heifers or do not have the ability to winter an older bull. This also allows us to showcase some of our fresher genetics and gives customers a sneak-peak on what's to come the following year. The calves selling will have the same guarantee as the older bulls selling. The bull calves were born in late January and February, and stem from our cows that we run on our forest lease near O'Neil Pass, Black Hills, SD. Most of the bull calves selling are Embryo Transfer calves, which gives customers the option to purchase full brothers from some of the most potent cows on the ranch. After the sale, the bull calves will remain at Pyramid Beef bull development center and will be wintered free of charge, semen tested and delivered after April 15, 2020. **Video footage of the yearling bulls is available on our website at www.PyramidBeef.net.**

LOT 70 • PYRAMID JUNCTION 9005

Lots 70-73 represent a group of flush brothers out of Glacial 8646 Missie 148X. 148X records 6 calves at 105 for weaning and 104 for yearling. 148X is a moderate cow that transmits as much muscle shape and true performance as any cow on the ranch. 148x is a great footed cow and at the age of 9 weaned off another great heifer calf. We have used several of her sons back in the herd.

It's ALL *Cows!*
about the

Here at Pyramid Beef we want you to know that we live by that statement. The cow is at the forefront of all our breeding decisions. Whether we're selecting bulls to add performance or inject carcass traits, we do our due diligence to ensure that our breeding decisions will leave a positive influence on the mother cow. We demand cows that convert efficiently on grass, calve easily, breed back in a timely fashion and look damn good doing it!

Hereford Bull Offering

Hereford Reference Sires

Our philosophy in breeding Hereford cattle has always been to produce the type and kind that fit the needs of our industry and are customized to excel in our environment. Disciplined attention is given to finding sires that produce females that remain moderate and are easy fleshing with sound structure. We pride ourselves

on having cows with exceptional udder quality and the ability to produce adequate levels of milk. We expect our Hereford bulls to compliment our customers who run Angus based genetics and serve as a genetic option for those wanting to incorporate the many advantages of heterosis.

A resident calving ease herd sire at the Frederickson Ranch and sire to over 20 sons and 2 bred heifers in the sale. Perfecto has been the most heavily used sire in our Hereford program for the past three years. Perfecto consistently sires the type and kind we are striving to produce; low birth weight, moderate in their stature, and loaded with volume and thickness. Perfecto also stamps his progeny with abundant pigment and red to the ground. We are very excited to be calving the first set of Perfecto heifers this spring. Owned with Hoffman Ranch Thedford, NE.

Pilgrim has been our go to performance sire for the past two years. There are over 12 sons and 3 bred heifers selling. The cattle are exceptionally long and loaded with muscle. If you are truly looking to add pounds to your calf crop at weaning, take a look at this sire group. Pilgrim stems from the Churchill program in Montana and is out of the Lady 002X cow, she has raised several prominent herd sires for their program. Owned with XA Ranch, NE.

Daybreak was purchased from Sandhill Farms in 2017. He was added to the program for his combination of Phenotype and exceptional EPD profile. The cattle are very moderate, loaded with muscle and are easy fleshing. Use Daybreak sons to moderate your frame while maintaining weaning and post weaning performance. In addition, Daybreak is one of the higher marbling Hereford bulls we are currently using. Owned with Ollerich Bros. Clearfield, SD.

5155 is a beast of a bull to look at, you will have to drive a long way to find a bull with as much middle and depth of body as 5155. He was brought back in to our program to carry on the lineage of his great mother, 82S or as we call her on the ranch "Freckles." 5155 is a maternal brother to Deadwood 38Y. His progeny came very easy at birth and displays tremendous fleshing ability. If you are looking to add a great set of low maintenance, easy fleshing, black baldy cows take a hard look at these sons selling.

HEREFORD

Yearling Hereford Bulls, Lots 83-86

LOT 83 • PYRAMID ADVANCE 9108

Lot 83 is a phenotypic standout out of the very popular line-one sire 4075B. His mother is a direct daughter of the legendary 21W. 9108 is bred very similar to the now deceased and popular ST Genetics sire H FHF Advance 628 ET. Lots 84 and 85 are full brothers out of Daybreak and a proven, perfect uddered Deadwood daughter. Lot 86 is a powerful herd-sire candidate out of the great female producer Pyramid 16W 110T 9116.

The Hereford Advantage

HEREFORD-INFLUENCED FEEDER CATTLE ADVANTAGE

- Considering ranch and feedlot performance, hereford-sired calves had a net value advantage of \$45.5/head over Angus-sired calves
 - More pounds per weaned calf
 - Higher average daily gain
 - Significant Feed conversion advantage (Harris Ranch research project - Impacts of Crossbreeding on Profitability in Vertically Coordinated Beef Industry Marketing Systems - completed 2010)
- Increasing feedyard demand for Hereford-influenced cattle
- CHB packer premiums being paid above market highs.

HEREFORD-INFLUENCED FEMALE ADVANTAGE

- Using Hereford bulls on Angus-based females adds approximately \$514 per cow over a 10-year period
- 7% conception rate advantage
 - Improved cash Flow
 - Increase herd size
 - More calves to sell

(Circle A Ranch Research Project - completed 2009)
- Desirable disposition
- Increased Fertility
- Increased Cow Longevity

HEREFORD

Hereford Heifers, Lots 140-144

For the first time we are offering five select bred Hereford heifers straight from the heart of the herd. As we continue to grow, we felt it was time to offer our customers a chance at some of our top end bred heifers.

Polled • Direct from the Rita cow family, 102F will highlight the bred heifer division. She is a tremendous blend of genetic power and phenotype, with an exceptional EPD profile. 102F has individual ratios of 111 at weaning and 107 at yearling. Her Dam was retained out of the flush that generated a \$132,500 in progeny sales and produced 3 herd sires: H FHF Authority owned by Buck cattle in Madill, OK, another full brother H FHF Keystone, purchased by Pezanoski Cattle, Illinois and Pyramid Front Range, purchased by Coyote Ridge, Colorado. A full sister was also purchased by Churchill Cattle Company of Montana, which went on to produce their high selling bull this fall at \$38,000. 102 F Due March 14th to NJW Historic 81E, Heifer calf

Polled • The true power cow in the offering, 120F has the look of a herd bull producer. Both dam and great-grand dam, are Dam of Distinction cows. 120F has individual ratios of 108 at weaning and 118 at yearling. Her dam Renae 197B, is off to a tremendous start with 3 calves reported at 104.7 for weaning and 106.3 for yearling. Due March 14th to LCX Perfecto, sex undetermined

HEREFORD

Commercial Heifer Consignments

As registered breeders of the two most significant maternal breeds in our industry we feel it is only fitting to highlight and expand the female component of our sale offering. Our breeding philosophy is slanted greatly to the overall maternal design and productivity of the range cow. Fortunately for us, many of our customers share the same passion and taste in producing elite females for their operations. We are confident

that the females in the offering will meet the needs and demands of the most discriminate of cattlemen. The females selling will be marketed via video footage after the conclusion of the bull sale. A gate cut sample of each lot will be penned for inspection sale day. To make arrangements to view the offerings in their entirety prior to December 7th from any of the consignors, contact information is listed with each lot.

- 15 Angus & Baldy Bred Heifers
- Due to calve March 9th for 21 Days
- AI'd and cleaned up with Pyramid Beef Angus Bulls

Thank you to all of our valued customers

Thank you

We have been blessed to be selling cattle via our production sale for a decade now. Thank you to all of the incredible people that have given us an opportunity to market our bulls and genetics to these last ten years. At the end of the day we just want to raise good cattle and carve out a career in this challenging ever changing industry. All of you have allowed us to do that. Our families are incredibly humbled and grateful. We are also beyond thankful to all the behind the scenes people that assist and enable us throughout the calendar year. We have amazing friends and family that help us in so many ways throughout the whole year. Day help, employees, herd health professionals, sale week crew, an abundance of family, you name it we have generous people bending over backwards to help without any recognition. To all of you thanks and we are humbled by your generosity of your time and support. All of you have made the last ten years possible!

10100 Homestake Road
Spearfish, SD 57783

*Merry Christmas & Happy New Year!
Thank you for your business!*
