How To Use Bar Graphs When Selecting Your Next Herd Sires

"Your cow herd is reflective of herd sires used in the past"

Sire complements the cow herd on Calving Easy and Marbling

Cow Herd complements Sire in Growth and Ribeye

- Bar graphs are user friendly in finding trait strengths to fix trait weaknesses.
- \$ Indexes weight economic traits to pay for the Ranch

Announcements

Lunch

Free lunch starts at 11 a.m. CST

Delivery Options

- Free delivery in the Dakotas, Cooperate on farther hauls.
- Haul your own discounts: \$50 Bulls, \$15 Heifers.
- Leave here on feed at \$3.00/day, then haul your own when you want them.
- Line up nation-wide transportation for you.
- See RauschHerefords.com for a list of coast to coast truckers.

Buyer's Insurance Options

At the buyer's option, Rausch Herefords will pay 1/2 of the premium for mortality insurance purchased at the time of settlement on sale day. This option applies to the buyer of any lot in the sale.

Rausch Guarantee

All animals of breeding age are guaranteed breeders. Animals failing to breed in a reasonable period may be returned, if in as good of condition as when sold. The seller reserves the right to try said animals for five months, and if it proves to be a breeder, to return same animal to station of buyer at the buyer's expense.

To register on sale day call (605) 244-9066 between the hours of 10 and 12 (central time). All Conference Call Bidders must be approved by 12:00 in order to bid. The conference call number on sale day for bidding is (605) 244-9066, password code when prompted: 21368.

Welcome to Rausch Herefords

As volatility increases in the livestock industry, economic traits and measurements become more and more important. Thus the emphasis on the dollar indexes in this catalog. Weights and measurements of animals in a pedigree are averaged out to create EPDs which are weighted economically to create dollar indexes.

The Hereford breed continues to make progress in gaining calving ease, faster growth and higher carcass quality. The trend line for each of these weights and measurements steadily rises each year. A breeder cannot become complacent if he is to keep up with those trend lines. We at Rausch Herefords are happy to say that we have been able to stay on top of those trend lines each year.

The year-to-year increase of the Total Dollar Index of animals in our herd displays our momentum in making progress faster than that of the breed. Temperament, longevity and structural soundness all play a role in the trend line as well.

No matter whether it is politics, weather or markets; change is the only thing that is constant in raising livestock. We think the change in the depth of quality at the top end of our herd makes this the best set of bulls and heifers we have ever offered.

We look forward to meeting as many of you as possible in the coming year. Feel free to contact us at any time if you have questions about how we raise breeding stock. It is a great honor when you consider us as your seed stock producer.

The Rausches

Profit Indexes Pay for the Ranch

- Individual EPDs are the best tool to improve an individual trait.
- Profit Indexes combine weighted EPD traits to predict Profit.
- Poultry, Swine and Dairy industries have used Profit indexes for decades.
 - The Beef industry started using Profit Indexes this decade.
 - Profit Indexes are best tool in selecting breeding stock.
 - Use CEZ when selecting a Heifer Bull!!
- Antagonist traits can cause problems when selecting for one trait at a time.

SCHU-LAR ON TARGET 22S - CHB DLF, HYF, IEF

SCHU-LAR 208 OF 1H 121 ET

KT TOP SECRET 1030 - CHB, SOD, DLF, HYF, IEF

HYALITE TS LASS 326

HYALITE C26 LASS 029

Another powerful On Target sire. He is one of the very top carcass bulls of the breed. He also has the highest Total Dollar index in our Sire Test Program. He has some very impressive offspring in the sale.

R VISION 5722 (43306532)

Polled

Herd Bull

Born: 4/09/2012

SHF RIB EYE M326 R117 - CHB, SOD, DLF, HYF, IEF

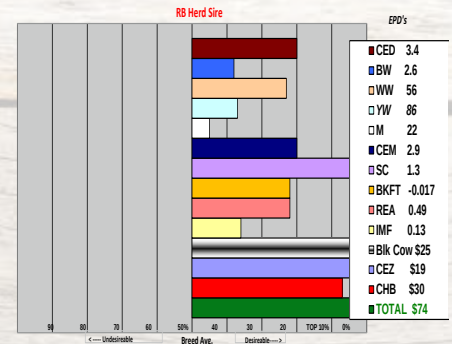

SHF VISION R117 U38 - CHB, DLF, IEF

SHF MISS PROGRESS S03 ET - DLF, HYF, IEF

MSU TCF REVOLUTION 4R - SOD, CHB, DLF, HYF, IEF

R MISS REVOLUTION 089 - DLF, HYF, IEF

R MISS PUCKSTER 277

We use the Vision sires to balance out EPDs in the herd. They are low in BW and have good growth along with great carcass traits. They also bring down frame size on large cows. The Vision Daughters in the herd are performing very well. Semen is available.

SHF YORK 19H Y02 (43180994)

Polled

Herd Bull

Born: 1/06/2011

MSU WNH FELTON 5F - CHB

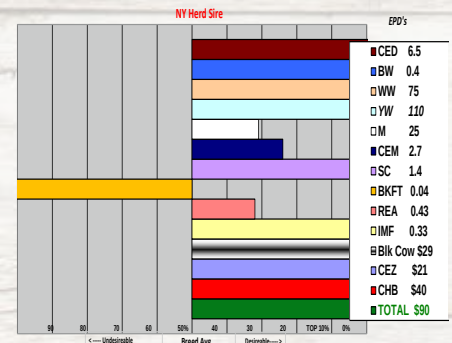

MSU MF HUDSON 19H - SOD, CHB, HYF

MSU VICTORIA 9F

SHF PROGRESS P20 - CHB, SOD, DLF, HYF, IEF

LOEWEN MISS P20 10W - DLF, HYF, IEF

LOEWEN M326 MISS 39T

His sons are coming on strong and are some of the top bulls in the offering this year. He improves the performance numbers on any blood line. He is one of the powerhouses in our Sire Evaluation Program. He is already in use in 16 herds in the US. Semen is available.

SENIOR REFERENCE Sires

Average Performance of 54 Yearling Sale Bulls

Average Performance of 96 Two Year Old Sale Bulls

SPRING YEARLING BULL COMPS

Rausch Sale Animals 'Dollars Index'

	Blk Cow	CEZ	CHB	Total
54 yrl. bulls in Sale Avg	\$24	\$18	\$34	\$76
Ranking in top % of Breed	5%	15%	5%	5%
96 2 yr. old bulls in Sale Avg	\$23	\$18	\$30	\$72
Ranking in top % of Breed	10%	15%	10%	10%
30 Reg. Heifers in Sale Avg	\$23	\$18	\$30	\$72
Ranking in top % of Breed	10%	15%	10%	10%

Every Bull has a Black Cow Index

One in three bulls are screened for the sale.

- Each animal videoed and shown on our website and in the sale barn.
- Graph of performance data for each registered animal.
- Volume selection - 10 bloodlines.
- Audio description available upon request.
- Performance at the top of the breed.
- Growth Traits well above breed average and birth weights well below average.

The Legacy of Revolution 4R lives on in the Breed

MSU TCF REVOLUTION 4R

The number of Revolution 4R progeny increased by over 1000 head this year as reported by the Hereford Association. He now has well over 5000 calves in the US. He is also closing in on 1000 daughters reporting calves to the Hereford Association. Demand for his semen is among the highest in the breed. His sons and daughters are making their mark in registered herds all over America and abroad.

His offspring are crossing extremely well on any blood line we mate them with. Many of them have won national shows and still go back home and work hard in their cow herds.

20 mile journey home from summer pastures

Rausch Hereford Vaccination Program

Birth: VitaAD&E – Iodize the naval

Six weeks of age: - BoviShield Gold 1 Shot

Three weeks pre weaning: - BoviShield Gold 1 Shot & Poured with Dectomax

Weaning: BoviShield Gold 1 Shot

Nine months of age: Bangs & poured with Ivermectin

Hereford Heifer Bull Offering

“Use Hereford Heifer Bulls on Black or Red Heifers”

- Heifer's 1st & 2nd calves weigh the same as mature cows' calves.
- F1 Baldy steer calves top the market.

“Private Treaty Offering of Heifer Bulls”

Specifically selected Heifer Bulls, Sired by Heifer Bulls, Out of 1st Calf Heifers, Low BW, Polled & Dehorned & From Total Performance Herd since 1960

Designed for Best Cross on Black Heifers.

Give us a call (605) 948-2146 or 2157 or 2375
