

# RIDDER HEREFORD RANCH

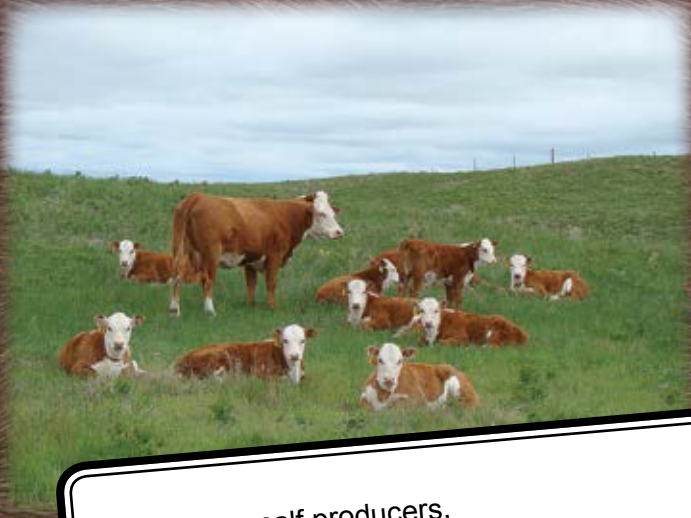

*Annual Bull and Heifer Sale*

*Thurs., February 6, 2014*

1:00 p.m. (CST)  
Callaway, NE

Dear cow-calf producers,

Our offering this year is powerful, eye appealing, and right for today's market and, even better yet, for tomorrow's cow herd. We've selected Herd Sires with our customers in mind. You need fertility, correct udders with short teats, pigmentation, fleshing ability, calving ease, a calf with substance, solid carcass traits, and the thing people don't like to talk about...good dispositions. We want these in our herd, and we select for them.

Looking back, we've invested a lot in our herd. My grandparents moved here in 1907 from northeastern Nebraska, wanting more land for their growing family. Theodore bought his first Hereford Herd Sire the following year. My dad, Paul, continued the purebred Hereford business and I took over the reins in 1972, the year after I graduated from CSU.

We've been showing carloads of bulls in Denver at the National Western Stock Show since the 1940's. I took out my first carload in 1975. The purpose has always been to show what our new Sires are doing in our herd, but also to show that a herd of 200 cows can put together 10 bull calves and be competitive in one of the best and biggest livestock shows in America.

We love the Hereford breed. We love the people we get to meet and work with in this business. And we look forward to working with you Feb. 6th at our ranch. We invite you to come look over our offering prior to the sale or in Denver. And if you cannot attend our sale, remember to participate through Superior Auction on DISH Channel 230 or at [SuperiorClickToBid.com](http://SuperiorClickToBid.com) where you need to pre-register to take part.

See you Feb. 6th!

Sincerely,

*John & Mary and family*

**ANNUAL SALE - AT THE RANCH**

**THURSDAY, FEB. 6, 2014**

**1:00 PM (CST)**

**GALLAWAY, NEBRASKA**

from Callaway: 6 miles W on Hwy 40, 2 1/4 N

4,200' paved landing strip at Broken Bow.  
 Commercial service to North Platte and Kearney.

**SALE SCHEDULE:**

Sale cattle may be previewed any time before the sale.  
 On sale day, Thurs. Feb. 6  
 12 pm (CST) - lunch in our sale barn  
 1 pm (CST) - sale begins

**DELIVERY:**

Free delivery on purchases of \$5,000 or more to one buyer at one location within a 400 mile radius if Ridders make the delivery.

**SELF-HAUL REBATE:**

\$100 rebate on bull & \$20 on heifer purchase prices if hauled sale day or picked up within one week. Buyers hauling out-of-state – we'll pay your fuel cost above \$100 on your trip home.

**HEALTH:**

All cattle are sold in good health and breeding condition on sale day.  
 2-yr-old bulls: poured with Dectomax, semen tested, and scrotal and pelvic measured. Buyer will receive semen papers.  
 Yearling bulls: buyers have option to leave their purchases for ultrasound scanning, semen testing, and horn tipping in April.  
 Heifers: Bangs vaccinated, have not been exposed to a bull, ready to go to any state.

**BULL BREEDING GUARANTEE:**

We guarantee the first 60-day breeding season. In the event an adjustment is necessary, it will be made with a suitable replacement or credit in the next Ridder sale.

**MORTALITY INSURANCE:**

We offer 6 month mortality insurance on our bulls. We will pay 2% and buyer pays 2% of the sale price. Buyer has option to purchase 12 month insurance for 2% more. Heifer insurance is available at buyer expense. We recommend this insurance on all yearling bulls and on bulls left here for a period of time.

**SELECTION ASSISTANCE:**

Contact us or any of our Livestock Representatives.

### RANCH DIRECTIONS:

From Callaway: 6 miles west on Hwy 40 to our red ranch sign, then 2 ¼ miles north. 60 miles northeast of North Platte, 70 miles northwest of Kearney, 30 miles southwest of Broken Bow, 140 miles southeast of Valentine.

## HEIFER BULLS

We've ranked our heifer bulls as follows:

- ★★★ Foolproof
- ★★ Extremely desirable
- ★ Recommended

51 of our sale bulls are ease of birth specialists.

### Recommended Heifer Bulls are:

3A	0Z	39Z	69Z
6A	1Z	47Z	71Z
7A	2Z	48Z	72Z
9A	16Z	50Z	75Z
13A	17Z	51Z	J86Z
19A	19Z	52Z	92Z
ER22A	22Z	53Z	95Z
23A	J25Z	L54Z	97Z
27A	27Z	60Z	100Z
28A	28Z	64Z	102Z
35A	29Z	65Z	108Z
43A	30Z	67Z	109Z
55A	D31Z	68Z	

## CARCASS RATING

- ★★★★★ Top of the Breed (top 20%)  
Most genetic improvement attainable.
- ★★★★ Breed Leader (second 20%)  
Provide excellent genetic improvement.
- ★★★ Excellent (third 20%)  
Good genetic improvement.
- ★★ Good (fourth 20%)  
Average for all ultrasound Hereford cattle, thus upper part of the breed.
- ★ Acceptable  
Herefords that still rank above U.S. beef population for carcass value.

*Sale catalog by Hereford America.

Our 157K's influence in our herd has expanded into daughters and granddaughters. They cross extremely well with our new Line Ones from Coopers and Holdens. 157K is a proven 11-trait industry leader. He ranks in the top of the breed for all 4 \$Profit Indexes - Baldy Maternal, Calving Ease, Brahman Influence, and Certified Hereford Beef. In the real world of the pasture, 157K is a breeding bull. His daughters are super feminine and terrific on milk, udder conformation, and moderate in size. He gives his calves red pigment and outstanding quiet dispositions. Carcass scans are noticed by breeders throughout the U.S. He stamps his progeny with thickness, solid markings, and eye appeal. **Selling 2 sons. Semen available.**

## 723U

We love to tell the story of Byron Bayers and his daughter Jill Hotchkiss bidding for us on 723U at Calgary in 2010 from Norm Parrent of JoNomn Herefords. He's super thick with terrific markings and a great disposition. 723U is a cow-calf man's dream. We believe he could be the next great one...and that's quite an act to follow with 157K, several Ulrich and Harland sires. **Selling 24 sons and 8 daughters. Semen available.**

0141 has worked so well on our Canadian blood lines. Great disposition and thickness. Can't wait to calve his first daughters. Powerhouse new bloodline. The 475 Dam is an ideal brood cow with flawless udder structure. The 860 sire produces the thick-butted, red-eyed kind of Bulls we demand. 0141 had the highest actual and adjusted Rib Eye measurement in his year group at over 15 square inches! Perfect disposition with outstanding EPD's. Owned with Debter and White Hawk. **Selling 24 sons and 2 daughters.**

# REFERENCE SIRES

## REFERENCE SIRES

### Regarding our sale cattle footnotes:

We are extremely particular in our comments about our cows being designated as **Dams of Distinction**.

This year we have added a long box at the bottom of each Sale Lot showing their respective progeny records, or ratios, by percentage and by the number of calves they have raised. A 97 index on Birth means they are below average for Birth Weight. A 102 index for Weaning indicates they are above average for Weaning Weight.

Still pictures were taken the week of Thanksgiving.  
Videos were shot the week of Christmas.

# YEARLING HEIFERS

We are selling all of our Fall Heifers out of last year's calf crop. Four years ago we ended up keeping our Fall Heifers. We raised two Carload Bulls out of those heifers. Quality runs deep in this group each year. No heifers have been exposed to a bull. They have all been bangs vaccinated and are ready to go to any state.
