

Ridder Hereford Ranch Annual Bull and Heifer Sale

February 5, 2015
Callaway, Nebraska
1 pm (CST) at the Ranch Sale Barn

Dear Beef Producers,

We aim to provide to cow-calf operators the most problem-free Hereford bulls and heifers possible, and we expect our cattle to perform well, dress well and behave well. Your cattle's performance, carcass and disposition are a direct result of our decisions and we take that responsibility seriously.

It's your business to be profitable. It's our business to help your business. That starts with our factory – our cow herd. This year's sale offering is stacked with Dam of Distinction cows. They're a sure fire way of providing you dependable genetics to make your business profitable. Of our 85 sale bulls this year, 42 are recommended for first service on heifers, and still shine in performance and carcass.

Our goal is to improve our herd and your herd by using the best Hereford genetics available that will take you forward in the ways you want to move forward.

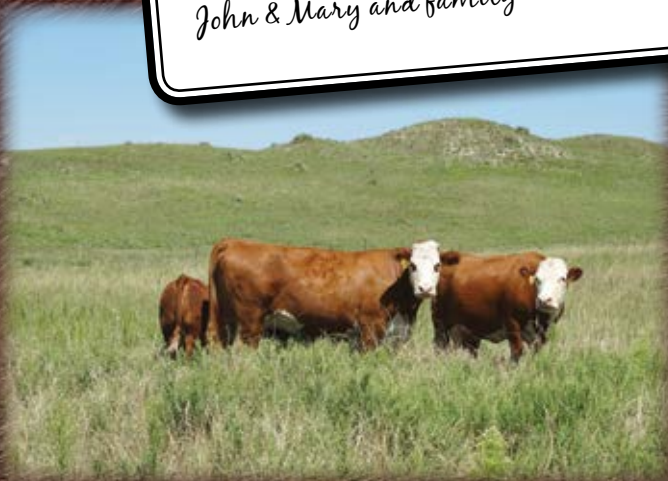

We've been very progressive. Thirteen years ago we found 157K who remains one of the top Hereford sires of all time, still leading the breed in 12 traits and with outstanding calving ease and carcass EPDs through the test of time in at least 93 registered herds. Stacked onto those genetics we have 3 top bulls from Harlands, Anderson's Alberta-raised 102W sire we purchased and recently sold to the Bill Bennett family in Washington, Cooper's 955W, 0141 and 105Y who have clicked in outstanding measure with our cows and are producing incredible calves, Nixdorffs great young sire 2Y whose sons and daughters have been turning heads since they arrived.

Add JoNomn 723U sire, the Holden 1193Y and 2207Z sires, the Zilverberg 093U sire and home-raised sire 45Y and you have an aggressive breeding plan wholly focused on building generation upon generation of solid, efficient cattle. And it all starts with the factory – our cow herd.

We take a 10-head carload of spring yearling bulls to the National Western Stock Show in Denver each January. But of primary importance to us is in raising bulls and females to succeed in the pasture, at the feedlot and on America's table, and we do not lose sight of that.

We invite your call, email or visit. And we look forward to seeing you Feb. 5th at our ranch. Lunch is at noon. Our sale starts at 1 pm central time.

John & Mary and family

ANNUAL SALE - AT THE RANCH

THURSDAY, FEB. 5, 2015

1:00 PM (CST)

CALLAWAY, NEBRASKA

from Callaway: 6 miles W on Hwy 40, 2 1/4 N

AIRPORTS:

4,200' paved landing strip at Broken Bow.
Commercial service to North Platte and Kearney.

SALE SCHEDULE:

Sale cattle may be previewed any time before the sale.
On sale day, Thurs. Feb. 5
12 pm (CST) - lunch in our sale barn
1 pm (CST) - sale begins

DELIVERY:

Free Bull delivery on purchases of \$5,000 or more to one buyer at one location within a 400 mile radius if Ridders make the delivery.

SELF-HAUL REBATE:

\$100 rebate on bull & \$20 on heifer purchase prices if hauled sale day or picked up within one week. Buyers hauling out-of-state – we'll pay your fuel cost above \$100 on your trip home.

HEALTH:

All cattle are sold in good health and breeding condition on sale day.
2-yr-old bulls: poured with Dectomax, semen tested, and scrotal and pelvic measured.
Buyer will receive semen papers.
Yearling bulls: buyers have option to leave their purchases for semen testing and horn tipping as soon as possible.
Heifers: Bangs vaccinated, have not been exposed to a bull, ready to go to any state.

BULL BREEDING GUARANTEE:

We guarantee the first 60-day breeding season. In the event an adjustment is necessary, it will be made with a suitable replacement or credit in the next Ridder sale. No adjustments after 6 months.

MORTALITY INSURANCE:

We offer 6 month mortality insurance on our bulls. We will pay 2% and buyer pays 2% of the sale price. Buyer has option to purchase 12 month insurance for 2% more. Heifer insurance is available at buyer expense. We recommend this insurance on all yearling bulls and on bulls left here for a period of time.

SELECTION ASSISTANCE:

Contact us or any of our Livestock Representatives.

GE-EPDs:

All yearling Bull EPDs are DNA or Genetically Enhanced EPDs.

Every effort has been made to produce a mistake-free catalog. Our apologies if something is incorrect. Any announcements from the block will trump catalog notes.

HEIFER BULLS

We've ranked our heifer bulls as follows:

- ★★★ Foolproof
- ★★ Extremely desirable
- ★ Recommended

42 of our sale bulls are ease of birth specialists.

Recommended Heifer Bulls are:

1B	1A	41A	69A
2B	2A	42A	76A
3B	14A	46A	81A
5B	24A	47A	85A
8B	25A	48A	86A
12B	26A	57A	88A
14B	29A	59A	89A
22B	36A	60A	91A
27B	39A	61A	92A
33B	40A	63A	94A
53B			
56B			

CARCASS RATING

- ★★★★★ Top of the Breed (top 20%)
Most genetic improvement attainable.
- ★★★★ Breed Leader (second 20%)
Provide excellent genetic improvement.
- ★★★ Excellent (third 20%)
Good genetic improvement.
- ★★ Good (fourth 20%)
Average for all ultrasound Hereford cattle,
thus upper part of the breed.
- ★ Acceptable
Herefords that still rank above U.S. beef
population for carcass value.

Has sired a set of real uniform, thick made calves. We like the thickness, pigment and moderate birth weights. Used here on heifers only. The sons we are selling are going to sire a very extreme set of females modest in size and powerful in their outcome. His progeny are 95.6 at birth, 100.8 at wean and 98.7 at yearling.

Our 157K's influence in our herd has expanded into daughters and granddaughters. They cross extremely well with our new Line Ones from Coopers and Holdens. 157K is a proven 12-trait industry leader. He ranks in the top of the breed for all 4 \$Profit Indexes - Baldy Maternal, Calving Ease, Brahman Influence, and Certified Hereford Beef. In the real world of the pasture, 157K is a breeding bull. His daughters are super feminine and terrific on milk, udder conformation, and moderate in size. He gives his calves red pigment and outstanding quiet dispositions. Carcass scans are noticed by breeders throughout the U.S. He stamps his progeny with thickness, solid markings, and eye appeal. **Semen available.**

REFERENCE SIRES

REFERENCE SIRES

Regarding our sale cattle footnotes:

We are extremely particular in our comments about our cows being designated as **Dams of Distinction**.

The long box at the bottom of each Sale Lot shows the Dam's respective progeny records, or ratios, by percentage and by the number of calves they have raised. A 97 index on Birth means they are below average for Birth Weight. A 102 index for Weaning indicates they are above average for Weaning Weight.

Photos were taken Dec. 2.
Videos were filmed Jan. 22 and 23.
