CARCASS RATING

- ★★★★★ Top of the Breed (top 20%)
 Most genetic improvement attainable.
- ★★★★ Breed Leader (second 20%)
 Provide excellent genetic improvement.
- ★★★ Excellent (third 20%)
 Good genetic improvement.
- ★★ Good (fourth 20%)
 Average for all ultrasound Hereford cattle,
 thus upper part of the breed.
- ★ Acceptable
 Herefords that still rank above U.S. beef
 population for carcass value.

HEIFER BULLS

We've ranked our heifer bulls as follows:

- ★★★ Foolproof
- ★★ Extremely desirable
- ★ Recommended

21 of our 24 yearling bulls are ease of birth specialists.
 54 of our 61 two-year-old bulls are calving ease bulls.

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

★ We are working with Superior Productions so that you can bid and buy livestock through their “**Call or Click-To-Bid**” service if you are unable to attend in person on sale day. **Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.**

HERE'S HOW IT WORKS

★ **Turn in Bids Over the Phone.** This is our traditional method and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled “Register for a Buyer Number”. Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer’s number and the bid line phone number that you will use on sale day to place bids over the phone.

★ **Click-To-Bid.** This is Superior’s online bidding site. **Please note that high speed internet is required – this is not for dial-up or satellite internet.** Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Enter your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the Ridder Hereford sale you to register for and once approved you will receive an e-mail or call confirming that you are now registered for Ridder Hereford’s sale.

★ **Viewing the Auction.** The sale will be broadcast via satellite on Dish Network Channel 232. **Please note that there is a delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on.** There are 2 places to view the sale as it is being broadcast live on the internet: www.superiorlivestock.com or www.superiorclicktobid.com. Just go to the home page of either website and select the Ridder Hereford sale. If you just want to watch the sale on your computer, smart-phone or tablet go to www.superiorlivestock.com, but if you want to bid over the computer you must go to www.superiorclicktobid.com. Remember you can call in to bid whether you watch on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to “click-to-bid” online. Your computer must have Flash Media Player installed for this website to view the auction. If you have any questions, please call Superior Productions at 800-431-4452.

★ **Bidders who are successful in making purchases via satellite or internet will be contacted by Riders after the sale to arrange for payment and shipping.**

This Cooper bull has sired the best all-around females we have seen. They are perfect uddered and cross very well with our Canadian bloodlines. They have thickness and lots of pigment on both eyes and bags. They index 101.4 at birth, 104.7 at weaning and 105 at yearling. He is the top sire in all of the herds that have used him. A big bull at 2,700 lbs. We can't praise 0141 enough.

Tremendous breeding bull from Holdens. He was their top yearling weight bull with outstanding carcass numbers. He has really clicked well with birth on our Line One and Canadian base cows. They are thick and flat good. His calves have indexed 101 at birth and 103 on weaning so far. Disposition is great. The females look to be a real asset, along with his very uniform sons.

Probably the most complete and eye appealing Bull we have ever owned. His first calves were our top indexing at weaning with better than a 105 Index. They are thick, clean made and very correct. The bonus in 330A is his dam, 617S. She is a big, roomy cow with a perfect udder. The Bulls are standouts, the females are eye openers. Tie in to them!

Proof of our Breeding Program. A big 2600 lb. plus son of 955 and 921, a 157K daughter and another cow that is outstanding in her look and progeny. She has produced four Denver carload sons. We used 34Z two seasons and sold him to Greg Fick. 34Z has a number of really good heifers in the sale.

Dear Friends, Cattlemen and Women,

We at Ridder Hereford Ranch welcome you to our 2016 Production Sale. Our offering is the best we have produced.

There are several new sources of improvement from both purchased and home grown Bloodlines. We continue to provide you the most problem-free, profitable cattle for your breeding decisions.

Our herd is full of Dams of Distinction that rank in the top ten nationally every year. Our Line One and Canadian bloodlines compliment each other to offer the ultimate in fertility, soundness and longevity.

This year's Denver Carload yearling Bulls represent nearly every sire that we use. They are raised to provide you with the best and newest genetics that we use. Our focus is a complete balanced program with the management to offer longevity, soundness and the best genetics you can receive. Disposition and uniformity here are at the top of the Beef Industry. We are grateful the selections we have made are working so well.

The coming two-year-old Bulls are always developed on pasture alone, from mid-May to mid-October every year. Once brought in, they are fed a high roughage ration to ensure their future. There are many prospects in this group that we could use ourselves.

The heifer replacements are an outstanding set of future brood cows in the making. They have a top set of records and exceptional EPD rankings. We are selling a top set from every Herd Sire we use.

Lastly, we welcome your visit to our Ranch any time you are near. Coincidentally, we are a Host Stop for the Nebraska Hereford Tour this fall. You are invited to come on the Tour Sept. 10 and 11 and join us for our dinner stop the evening of Sept. 10th.

Our sale begins at 1 p.m. Central Time on Feb. 4th with bidding from our bleachers and via Superior Auctions online and DISH Ch 232. Our video filming was late January 2016. Look us up online: www.ridderranch.com.

Sincerely,

John & Mary and family

Paul Ridder's first Carload - 1951 - pictured in Steamboat Springs, CO.

Sale Day Ear Tags

This year we are scoring every bull for Calving Ease and placing this score on their ear tag. This should help you in selection for Heifer Bulls.

Also, if the tag remains in, you can easily choose and remember these bulls at turnout time in subsequent years without referring to your catalog.

In the example at left, 27B is a 3 star Heifer Bull. As you can see from page 2 in this catalog, 27B is a Foolproof sire for your heifers.

REFERENCE SIRES

REFERENCE SIRES

Regarding our sale cattle footnotes:

We are extremely particular in our comments about our cows being designated as **Dams of Distinction**.

SOD = Sire of Distinction
CHB = Certified Hereford Beef
DOD = Dam of Distinction

The long box at the bottom of each Sale Lot shows the Dam's respective progeny records, or ratios, by percentage and by the number of calves they have raised. A 97 index on Yearling means they are below average for Yearling Weight. A 102 index for Weaning indicates they are above average for Weaning Weight.

Photos were taken Nov. 27.
Videos were filmed Jan. 18-20.
