Welcome to the 2023 South Dakota Excellence sale!

We are excited to return to the Dakotah Bank Center with an exceptional group of consignments. Again this year, all lots have been videoed and the sale will be broadcast live on The Livestock Link. Watch for videos to be posted prior to the sale!

South Dakota breeders have dug deep into the best of their herds to offer you this set of cattle. The sale committee has seen the consignments and the quality is exceptional! The steers being offered will compete on any level. The females consigned will not only compete in the show ring, but their genetic value will be an incredible addition to any cow herd.

We look forward to seeing you in Brookings!

If you want to talk about true performance, this is the one. Her mother is a first calf heifer and has done exceptionally well. Dad and I are pleased with the performance presented from her sire Houston. One with true added length and rib shape. Folks, you are not only buying a show heifer here, you are looking at an animal that you can back into production at your own operation.

Flashy and unique! This heifer is hard to part with. We love her front end, big rib and hip. She's got great hair and an awesome look. Cow is a moderate framed Redeem daughter that always does a great job.

A ton of power and volume in this dark red chromed up heifer. Comes from a highly maternal cow family, and add the influence of breed great 79z, and she will make a great cow when you are done showing her.

Stout, square, and sound are a few things every good steer should have and this one has them all. His pedigree helps with his predictability, with his dam being the maternal grand dam of Jayna Blume's steer that spent a lot of time in the winners circle.
