Lot 22 – WSM POWER DEAL 852F

Lot 8 – WSM COWBOY 851F

Lot 35 – PAV MR OUTLAW F836

Welcome Cattlemen, Family, and Friends!

Another year has flown by and we are full on into bull sale season! This is an exciting time of year, watching the bulls fill out and mature. We look forward to visiting with you about our program and welcome you to stop out and see the bulls, or call and visit with us anytime. We really have had some fun this past year going out and looking at some of your cattle. As a bull producer, it is great to see our customers' cattle, and see how our genetics are influencing your herds. We aren't happy, if you aren't happy and happy customers is the best part of this business!

The bulls this year are the most powerful set of bulls we have put together. We are really excited about them! There are two new sire groups this year, PIE The Cowboy Kind and PIE Just Right. Cowboy Kind is just that, a real cowboy's kind of bull. He sires cattle with tremendous muscle shape and thickness. His calves just stand out. Just Right is a Cowboy Kind son, who is the complete package, with a little

more calving ease. Our Power Deal bulls just continue to perform. We have seen many calves out of him, and they are impressive as they top the scales on sale day. Added pounds at weaning, is added money in your pocket. The Just Right, Fusion and Power Eye bloodlines add some calving ease if you are in the market for a heifer bull. If you are the kind of person that would rather put the catalog down and just looks at bulls, you will be impressed with Looking Cool! His phenotype backs up his name; we strongly considered keeping him in our herd. The Citizen bulls are deep and thick made. Cattlemen were impressed by Citizen at the Stockmen's All Breeds Tour. He is a standout, and people, no matter what breed they raise, took notice of him. We have been impressed with these powerful Canadian genetics. Once again we have a small offering of Red Angus/Simmental cross bulls, as we have some customers that appreciate the hybrid vigor this cross can offer.

We are also excited to have the Pavlenko Brothers join us this year. These young men are just getting started in the Simmental business, and we are happy to be adding another set of bulls to the offering on sale day. We wish them the best of luck on their first bull sale!

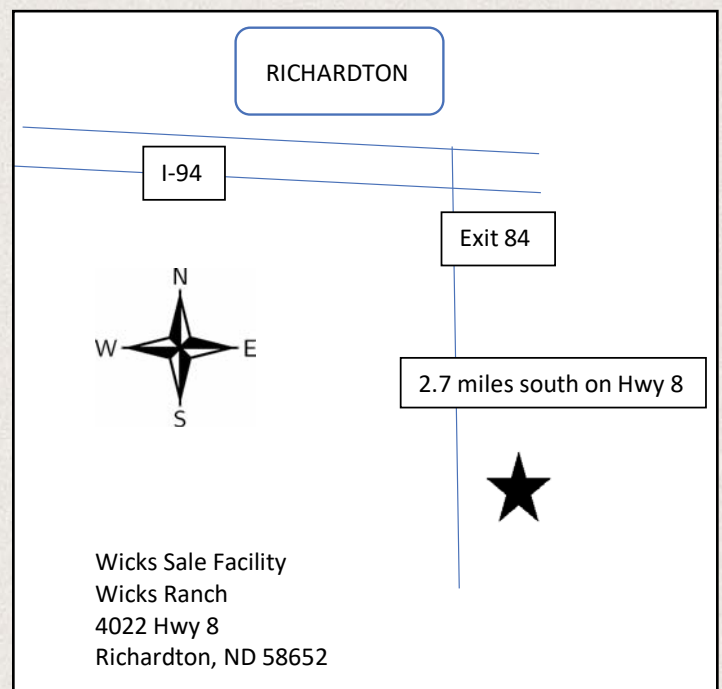

Thank you for your interest in our program.
See you on sale day!
Chris, Jolyn, Kacee and Braelyn

Thank you to our sponsor!

30+ Certified Red Angus Commercial Heifers
sell March 7, 2019, at
Stockmen's Livestock Exchange, Dickinson, ND,
in conjunction with Schriefer Red Angus.

SALE INFORMATION

Annual Production Sale

Thursday, February 21, 2019

Lunch: Noon to 3 p.m. • Sale: 3 p.m. MST
WIX Sale Facility, South of Richardton, ND

Contact Info:

Chris Wasem.....	701-260-1513
Jolyn Wasem	701-290-9634
Payton Pavlenko	701-495-1168
WIX Sale Facility.....	701-974-4334

Auctioneer:

Scott Weishaar, Weishaar Auction Service701-426-6826

Livestock Representatives:

Gary Fike, Red Angus Assn. of America	785-410-2608
Scott Bachmeier	701-425-6651

Insurance:

Insurance will be available to be purchased on the day of the sale. All buyers assume risk of the animal upon purchase and are encouraged to purchase insurance.

Jonah Honeyman,
American Insurance Center 701-690-0135

Videos:

The Livestock Link, www.thelivestocklink.com
www.wasemredangus.com

Viewing Cattle:

Cattle will be available to be viewed at the ranch anytime prior to the day before sale day. On sale day at WIX Barn.

Genomic Testing:

All Red Angus bulls have been GGP-uLD tested for increased accuracy EPDs and parent verification.

JGS EPDs Powered by BOLT

With the new EPD calculations through the BOLT software, EPDs are updated weekly. The new system provides more accurate genetic selection tools, however there was a shift in the averages of some EPDs, especially CED. With that in mind, please note the breed rankings of each sale bull listed in the line under his EPDs to assist in your bull-buying decisions.

Supplement Sheet:

Will be available sale day, with order of sale and any other pertinent information.

Semen Interest

We reserve the right to 50% semen interest on all bulls sold.

Sale Day Lunch:

Lunch will be available sale day from 12 noon until 3 p.m.

Guarantee:

Bulls are guaranteed to breed. A breeding soundness exam will be done prior to delivery. If a bull is proven unable to breed from that exam, buyer will be given a full refund or purchase price, credit in next year's sale, or a replacement bull of equal quality as acceptable to buyer. If a problem arises with a bull, please notify us immediately.

Terms and Conditions:

Terms of the sale are cash unless other arrangements have been made. Any announcements made from the block on sale day will take precedence over information in the catalog. The sale will be conducted according to the terms and conditions of the RAAA available at: redangus.org/marketing/sale-planner/sale-terms-conditions

Delivery:

Free delivery up to 200 miles from the ranch. We would like to keep the bulls and continue to develop them until they are fertility tested and ready for delivery in April.

Online Bidding:

The sale will be broadcast online with live bidding available on The Livestock Link, www.thelivestocklink.com. Please see complete instructions on Page 2.

Top Dollar Angus:

Bulls who meet growth and carcass qualifications for Top Dollar Angus are designated with the Top Dollar Angus logo. For information on adding value to your calves on sale day, read more on Page 2.

Catalog & Promotions:

Cow Camp Promotions..... www.cowcampromotions.com

Bid Online!

If you are unable to attend the sale, you can register to watch or bid online through The Livestock Link by following these instructions:

The Livestock Link™

Videeing • Video Sales • Clerking
• Bid-by-Click Online Sales

- Visit our website, www.thelivestocklink.com
- Click the "Online Auctions" tab
- Click on "Click Here to Register"
- Enter your e-mail address and password, and fill out all your contact information
- Fill out your Banking Information. If you are only viewing the sale and do not wish to bid, this information can be left blank.
- Check the checkbox at the bottom of the page that says "I'm not a robot" to prove you are a real person
- Click "Register" at the bottom of the page
- You will receive an email with a link to activate your account.
- **Please register to bid at least 24 hours in advance of the sale.**
- Contact Aaron Friedt at (701) 590-9597 for help or with any questions.

You will receive an email when you are approved for bidding. All applications will be reviewed and processed promptly. You will receive a bidder number only after you have made a purchase in the sale, and that number will only be used at that sale. When the sale is completed, please contact the sale owner or manager for instructions of payment and delivery of your purchase.

To use our service, you must have access to High Speed Internet.

Questions?

Contact Aaron Friedt at (701) 590-9597 or Jared Peterson at (605) 641-7573

Top Dollar Angus Feeder Program

Top Dollar Angus is a genetic-certification and marketing company focused exclusively on the top 25% of the industry in carcass and growth Angus and Red Angus-influenced feeder cattle. Top Dollar Angus is a program similar to other popular branded-beef programs, except that Top Dollar Angus does its "branding" in the feeder cattle and calf market.

Qualified herds must have two or more generations of Angus (Black or Red) genetics with growth and carcass traits objectively ranking in the top 25% of the breed based on documented historical sire use. DNA evaluation, conducted by Zoetis or GeneSeek, is another workable method to qualify. Once your cattle have met the necessary requirements, they will be marketed under the Top Dollar Angus brand and logo, and will be promoted aggressively to a large number of feed yards and buyers. In today's market, Top Dollar Angus cattle are seeing premiums ranging from \$30 to \$70 per head above the average market.

Why the premium? Cattle feeders know that Top Dollar Angus cattle perform better and have higher grid-based carcass rewards compared to other cattle. This puts more dollars per head into the cattle feeder's pocket, which can be passed back to the producer in the form of premiums paid above market price.

Top Dollar Angus helps take the guess work and surprises out of growing and feeding cattle. Feed yards are tired of unpredictable performance and wide-ranging profitability results from group to group on cattle they purchase. Cattle often look the same and have the same colored hides, but are very different genetically. That's why the genetic certification of high-end Angus and Red Angus feeder cattle is here! The industry must differentiate the best Angus and Red Angus genetics from average cattle, and that's what Top Dollar Angus will do for you!

If you have consistently invested in high-performance Angus or Red Angus genetics, Top Dollar Angus will make your cattle stand out from the pack and get you the premiums you deserve. No matter how you market your cattle, our goal is to create more demand and higher prices for your calves.

This sire group is a new one for us this year. We are very impressed with the power and performance Cowboy Kind 343 brings to the table. This guy is a stylish bull with plenty of length and muscle that stands out in the pen. His dam, Yankee 560C, is doing an outstanding job for us and ranks towards the top in our herd.

We often ask about the cow a particular bull is out of and I'm proud to say this guy's Norseman King dam is awesome. She's a never-miss kind of cow with extra length, great feet and an udder with high scores as well. You will notice the width of body from front to back and the super big foot this guy stands on.

"WOW!" comes to mind when you look at 851F. He carries himself with confidence and has that extra-rib kind of length to him. Stands on a great foot and big hip. Phenotypically flawless in my opinion. His dam, Yankee 6A, has earned herself a respectable 105.09 MPPA. We hope to see multiple progeny from her in the years to come!

We are unsure of the sire of this bull, but what we do know, he is either out of a Crump Forever Red son or a Redemption son, both of which are calving-ease bulls. We were unable to collect a sample of the prospect sires to run a DNA parentage test. 8154F is a moderate-framed, easy-going bull that has a heifer bull look to him.

Getting into the Bar E-L Citizen calves, this guy is about as stylish as they come. Very complete number profile and a weaning weight of over 700 pounds. He catches your eye with his soft deep side and thickness throughout. His Epic dam is an easy keeper with great feet and a respectable udder. Look for this guy to add pounds to weaning and make some great females.

We had the privilege of being a host for the North Dakota Stockmen's Association All Breeds Tour last fall and we had the Citizen bull on display that day and received many great comments about the bull from tour goers. This bull is a good example of what the Citizen bull represents. He's got a ton of length, eye appeal and the capacity and volume to make some great calves. His Norseman King dam ranks in the top of our herd for MPPA with a 107.2.

Here he is – the heaviest calf weaned this year. Take a look at his birth date. WHAT? He may have had a little head start at birth, but he never looked back. We all know length at birth adds weight and this is typical of these Power Deal calves. All of our cows have these calves unassisted and are up within minutes. This guy has great length of body and plenty of muscle to back it up. His dam, 907W, posts one of the highest MPPAs in our herd with a respectable 108.57.

Here is a bull that will catch your eye when you step into the pen. Stout, powerful and stylish come to mind as you examine this specimen. A very complete bull with a modest birth weight for a Power Deal son. He is also in the top 1% of the breed for weaning and yearling. His Mission Statement dam ranks among the top in our herd with her second calf, posting a MPPA of 105.71. Don't let this guy slip away!

The new herd sire, Bar E-L Looking Cool, is just what his name says. Unfortunately this is the only bull we got out of him this year. When you walk around behind him you really appreciate the width and dimension he has to offer. We consider him to be one of the stoutest bulls from front to back we have raised to date. If you are looking to put some ruggedness into your calf crop at weaning take a serious look here. This guy has a lot to offer.

Quarterblood Simmental out of the Bar E-L Citizen bull. He is a clean-fronted bull that offers some extra capacity throughout the middle.

REFERENCE SIRES

Welcome to our first production sale. We would like to thank Chris and Jolyn for allowing us the opportunity to sell our bulls alongside theirs, and for all the help they have given us to get our bulls to this point. We are offering 6 purebred bulls and one three-quarter blood bull. The bulls were weaned on the October 20, and we are feeding a bull developer mixed ration from Steffan Feeds along with hay. They will continue being fed this until delivery in late April or early May after they pass a semen test.

We hope to see you on sale day.
 Larry, Payton and Teigan Pavlenko
