AQHA Ranching Heritage Breeders

A 30-YEAR PROGRAM... AN ELITE AQHA BREEDER'S SALE!

WELCOME to our "Liquidation" sale for John and Candy Balkenbush, Sunshine Ranch, J & J Quarter Horses (that's Candy and her daughter Robyn). It's difficult to admit that age and health won't let us operate the way we're accustomed to. If we're lucky, we'll die with horses, just not so many, so we're offering our program to you! We've been lucky over the years that you all, the ranching community, like the same horses that we love, and can get along with. Candy and I are mid (late) seventies and are still able to ride and get a few things done on horses we've raised. We consider ourselves blessed. Now we'll offer them to you.

Thank you
John and Candy

THE WAR CONCHO BROODMARES

He performed as a young ranch horse under saddle and earned his AQHA Performance ROM competing as a team roping Header. "Teak's" Sun Frost-Driftwood-Hancock blood has anchored his prepotency as a sire producing horses with solid minds and dispositions, strong stature, balanced conformation and exceptional movement. They are big country durable, cow savvy, versatile, "fun to ride" athletes. Performance ranch & arena mounts and breeder prospect colts and fillies, his progeny have advanced some of Ranch Country's highest reputation outfits. 15.0 hh / 6-Panel N/N. We bought Eddie to breed to our AP Frosty Knight daughters, and we got lucky! It worked well. Eddies' strength is probably in the cutting discipline. His colts are soft, supple, and have that strong lateral move they need to work a cow. Friends have asked "How do you find a horse bred like he is that have that much structure, foot and bone?" You'll enjoy his colts out of our good mares. Eddie is a great outside horse, is a gentleman to handle, and loves to sort an alley or gate for you.

We've had a lot of fun breeding these compact cow mares to our Montana ranch stallions. They have plenty of reach and travel and can still perform with the best around. Her 2026 colt by Eddie is handy dandy and handsome. This mare is a very good break away and heel horse suitable for young riders starting down the performance path.

Bred to Tikki Wood for 2027!

My children and I and four close families in North Dakota did awesome riding Blackburn horses in 4-H, ND Horse Show Assn. and ND Roughrider Rodeo events. Due to my health, I am offering her so someone can experience how good they truly are! This filly was started in our July Kip Flatland clinic, ridden by Dane Hoover, and did very well.
