Welcome to the Friedt Herefords Production Sale.

We would like to welcome you to our 15th annual sale being held February 9, 2022 at Stockmen's West, Dickinson, ND. If you are unable to attend the sale, please contact us or one of the sale representatives or view the sale on the Livestock Link live bidding page. For help with online bidding please call 701-590-9597 to talk to Aaron.

Ringmen:

Art Handel	605-399-9278
Cell.....	605-391-8233
Kevin Murnin, AHA.....	406-853-4638
Will Bollum, Western Ag Reporter.....	507-244-0833
Scott Dirk, Tri-State Livestock News	605-380-6024

We are selling an outstanding group of bulls this year. We have introduced some new bulls through A.I., and have some bull calves sired by bulls we have sold in previous sales. We also have some outstanding bull calves produced through our ET program.

Insurance:

Art Handel, Merkel Livestock Insurance	605-391-8233
Troy Bargmann, Dakota Community Bank.....	701-227-4000
Cell.....	701-290-4043

The two year olds are a nice set of bulls; they are not holdovers from last year as we keep a group of younger aged bulls for this sale.

Online Bidding:

Please visit www.TheLivestockLink.com and click the "Online Auctions" tab. For questions please call Aaron Friedt at 701/590-9597.

2021 was a year for the record books. As a large portion of our state and surrounding states were hit hard by the drought. We were fortunate to have received timely rains to produce crops and feed, but we had many customers and friends that were less fortunate. We had customers disperse their herds and others who had to sell all their calves to save feed for their cow herd. Hard decisions were made throughout the year to try and keep herds together and we pray that we will receive moisture & fair weather in 2022 to replenish the land.

Videos will be available for viewing on our website two to three weeks prior to sale day.
Supplement sheet with final weights and ultrasound data will be available on sale day and on our website prior to the sale.

We welcome our consignors of F1 black baldy heifers. Feel free to contact them if you have questions about their consignments. Dallas Miller sold all his F1 baldy heifers off the cow this fall and we hope to have his consignment of quality heifers back in 2023.

Friedt Herefords purchased a semen interest in this co-top selling bull at Harrell Hereford Ranch, Baker City, Oregon because of his individual performance, carcass data and outstanding first calf producing dam. 417 has proven himself to be a performance breeding bull with outstanding carcass data. 417 sired the high selling bull in our 2020 sale and has 5 outstanding ET calves and numerous AI sired calves in this sale. Owned with Sand Rock Ranch, Benton, WI and Harrell Hereford Ranch. Semen available.

102 is a powerful calf sired by Endure 173D. Everything about this bull is BIG. Big hip, big middled, big hind end, and a big top. He is a long spined bull with a wide base on plenty of bone and walks out correct. If you're looking for your next herd bull, this guy is it. 102 is in the top 30th percentile in 10 traits. He is in the top 10 percent in both Weaning Weight and Yearling Weight and top 5 percent in Rib Eye Area and CHB Index. Homo polled by pedigree, test pending. Retaining 1/4 semen interest.

Dam: Loewen77 48 344N Miss A37ET - 43367331

Owned by 7 Mill Iron Ranch and Sand Rock Ranch, this proven donor cow continues to produce amazing cattle. Her dam can be found on the bottom side of Loewen Genesis G16 pedigree as his maternal granddam.

This has been a herd bull prospect since the day he was born. He has developed into a deep sided, long spined bull, with a huge rear quarter and big testicles. He is sired by an 0945 son that sold to Andrew Koehn in our 2020 sale. Heaviest weaning weight with good carcass numbers. Will keep 1/4 semen interest.

109 is a dark, cherry red calf with long curly hair. He has added muscle and shape with ample spring of rib and depth through his lower quarter. He is long sided and wide topped, and should turn into a good cow breeder after his first couple years in the heifer pen. This bull is in the top 20% in CED and top 15% BW. He should be heifer safe with an actual birth weight of 75 pounds.

 This 9102 has been one of my favorites since birth. He has developed into an impressive bull calf.

2-YEAR-OLD BULLS

We are offering a good selection of 2 year old bulls that were summered on pasture. They are sound on their feet, correct in their structure and not overfed. We use a late February/early March cutoff date for a bull calf to be sold as a yearling. These bulls have not been offered for sale at public auction prior to the sale.

COMMERCIAL BALDY YEARLING HEIFERS

Take advantage of Friedt Hereford genetics by purchasing black white face heifers from straight black Angus cows sired by our Hereford bulls. All heifers are F1 cross black baldies.

Lot A:

40 F1 BWF yearling heifers from Duane, Garrett, and Justin Zent ...701-974-3640 or 701-974-3813
Born March/April

Lot B:

60 F1 BWF yearling heifers from Bert Hauge ...701-421-1535
Born April 1st for 6 weeks.

Lot C:

35 F1 BWF yearling heifers from Paige Hagen ...701-209-0084
Born March 10th to April 20th

COMMERCIAL HEREFORD BRED HEIFERS

Lot D:

40 Bred Hereford Heifers from Warren & Jodi Woroniecki...701-290-5689
Bred to ABS owned bull Fail Safe due April 23

NATIONAL CATTLE EVALUATION TERMS

EPD — EXPECTED PROGENY DIFFERENCE:

Estimate of a bull or cow's future progeny performance compared to progeny of a breed average sire or dam. EPDs are expressed in actual pounds, plus or minus, for birth, weaning and yearling weights and maternal performance.

CED — Calving Ease Direct

BW — Birth Weight

WW — Weaning Weight

YW — Yearling Weight

MILK

M&G — Milk & Growth

CEM — Calving Ease Maternal

FAT — Rib Fat

REA — Ribeye Area

Marb (IMF) — Marbling

CHBS\$ — Certified Hereford Beef Index

SCROTAL EVALUATION

Age in Months	12-14	15-20	21-30	30 plus
Acceptable Range (cm)	30-35	31-37	32-39	33-40

SC — SCROTAL CIRCUMFERENCE:

A measure of fertility. Testicle size indicated by scrotal circumference measured in centimeters is a highly heritable trait very much correlated to reproductive efficiency. A valuable indicator of bull fertility and puberty, and highly related to early puberty in heifers and cow fertility, increased bull scrotal circumference should improve fertility and inherent cow herd productivity.

2020 HEREFORD BREED EPD AVERAGE

CED	BW	WW	YW	M	M&G	CEM	FAT	REA	MARB	CHBS\$
+2.6	2.8	53	86	25	52	1.8	0.15	0.39	0.11	113

TERMS & CONDITIONS

All cattle will be sold to the highest bidder without reserve. The terms of the sale will be cash. The auctioneer will settle any dispute as to bids.

Each animal will become the property of the buyer as soon as sold. Cattle will be cared for a reasonable length of time after the sale, at the buyer's risk.

All bulls of breeding age are guaranteed breeders. If an animal fails to breed after a trial of six months, it may be returned to the seller at buyer's expense. The seller reserves the right to try said animal for six months and if it proves a breeder to return it to the station of buyer at seller's expense. If the animal proves to be a non-breeder an equal animal substituted or credit on the purchase of another animal. No adjustments after 9 months.

Herd Health is excellent. Our herd veterinarian is Dr. Travis Kuhlka, DVM 701-400-2953.

Extreme care has been taken in copying each pedigree to avoid errors. We are not to be held responsible for any error which might appear and which is beyond our control in the printing of the catalog.

Everyone attending this sale does so at his own responsibility and risk, and without liability on the part of the owner or his employees.

Delivery: \$50 off sale price if picked up on sale day (bulls only). Free delivery within 300 miles. We will cooperate on all deliveries regardless of number of head or distance.

Volume Buyer Discount:

3% on 3 bulls, 4% on 4 bulls, 5% on 5 or more bulls.

Heifers: The registered heifers will be sold in groups of three with the bidder getting the option of choice or all three heifers. The remaining heifers will be sold as commercial heifers.

Feeding arrangements: We will offer to feed the yearling bulls until April 1st at a cost of \$150 per head. This will also include 1 semen evaluation. The charge will be made at the time of settlement on sale day. We would appreciate that the animal be insured before delivery back to the seller, as injury or death is an insurable risk. Animals that are being cared for by seller are done so at the purchaser's risk. Insurance representatives Art Handel and Troy Bargmann will be on hand to provide insurance.
