Welcome to the Friedt Herefords Production Sale.

We would like to welcome you to our 16th annual sale being held February 8th, 2023 at Stockmen's West Dickinson, ND.

The yearling bulls we are selling are displaying as much length, volume and muscle as we have offered.

We have a good mix of proven bulls sired by the Harrell 799 bull, and home raised bull FH Navarro 242, along with a nice selection of lighter birth weight bulls sired by SR Inspire 1060H. We also introduced some new bulls through our AI program including 3 outstanding herd bull prospects from HH Advance 0054, and 3 ET bull calves sired by H5 0945 Domino 0245.

The two year old bulls are virgin bulls held for this sale.

2022 started out dry and still in a drought. We were hit with two blizzards in April and survived them with minimal loss and sickness. Planting was a challenge due to wet conditions, and we were able to harvest a good hay crop. We had our last rain in July and entered into an extended dry period again until we had another blizzard in November.

The bulls have performed well even with the challenging weather and we look forward to seeing you on sale day.

We welcome our consignors of F1 black baldy open and bred heifers and Hereford bred heifers. Feel free to contact them if you have any questions about their consignments.

**Please join us for a
4 Brothers Hereford Beef lunch.**

**Videos will be available for viewing on our website
two to three weeks prior to sale day.**

**Supplement sheet with final weights and ultrasound
data will be available on sale day and on our website
prior to the sale.**

NATIONAL CATTLE EVALUATION TERMS

EPD — EXPECTED PROGENY DIFFERENCE:

Estimate of a bull or cow's future progeny performance compared to progeny of a breed average sire or dam. EPDs are expressed in actual pounds, plus or minus, for birth, weaning and yearling weights and maternal performance.

CED — Calving Ease Direct

BW — Birth Weight

WW — Weaning Weight

YW — Yearling Weight

MILK

M&G — Milk & Growth

CEM — Calving Ease Maternal

FAT — Rib Fat

REA — Ribeye Area

Marb (IMF) — Marbling

CHB\$ — Certified Hereford Beef Index

SCROTAL EVALUATION

Age in Months	12-14	15-20	21-30	30 plus
Acceptable Range (cm)	30-35	31-37	32-39	33-40

SC — SCROTAL CIRCUMFERENCE:

A measure of fertility. Testicle size indicated by scrotal circumference measured in centimeters is a highly heritable trait very much correlated to reproductive efficiency. A valuable indicator of bull fertility and puberty, and highly related to early puberty in heifers and cow fertility, increased bull scrotal circumference should improve fertility and inherent cow herd productivity.

2021 HEREFORD BREED EPD AVERAGE

CED	BW	WW	YW	M	M&G	CEM	FAT	REA	MARB	CHB\$
+2.9	2.8	54	87	26	53	1.7	0.017	0.41	0.12	115

TERMS & CONDITIONS

All cattle will be sold to the highest bidder without reserve. The terms of the sale will be cash. The auctioneer will settle any dispute as to bids.

Each animal will become the property of the buyer as soon as sold. Cattle will be cared for a reasonable length of time after the sale, at the buyer's risk.

All bulls of breeding age are guaranteed breeders. If an animal fails to breed after a trial of six months, it may be returned to the seller at buyer's expense. The seller reserves the right to try said animal for six months and if it proves a breeder to return it to the station of buyer at seller's expense. If the animal proves to be a non-breeder an equal animal substituted or credit on the purchase of another animal. No adjustments after 9 months.

Herd Health is excellent. Our herd veterinarian is Dr. Travis Kuhlka, DVM 701-400-2953.

Extreme care has been taken in copying each pedigree to avoid errors. We are not to be held responsible for any error which might appear and which is beyond our control in the printing of the catalog.

Everyone attending this sale does so at his own responsibility and risk, and without liability on the part of the owner or his employees.

Delivery: \$100 off sale price if picked up on sale day (bulls only). Free delivery within 300 miles. We will cooperate on all deliveries regardless of number of head or distance.

Volume Buyer Discount:

2% on 3 bulls, 3% on 4 bulls, 4% on 5 or more bulls.

Heifers: The registered heifers will be sold in groups of 2 with the bidder getting the option of choice or both heifers. The Friedt commercial Hereford heifers high bidder will have the option to take all or gate cut 5 or more.

Feeding arrangements: Will feed bull calves for free until April 1st.

Injury resulting in injury or death of a bull prior to delivery will not be the responsibility of Friedt Herefords. This is an insurable risk with coverage offered at the time of the sale. Animals are being cared for by seller are done so at the purchaser's risk. Insurance representatives Art Handel and Troy Bargmann will be on hand to provide insurance.

Our purchase from the 2018 Harrell Ranch bull sale sired an impressive group of bulls in this year's sale. 799 had his largest group of calves in 2022 and he did not disappoint. Bull calves are long and thick, with big rear quarters. He has two daughters in production with 112 WW ratio.

We grabbed some semen from our Harrell 2185 bull and he really clicked with this Scope 53 daughter. Long sided, smooth made, and marked right.

Pigment LE 100% RE 40%.
Good patterned calf with an outstanding young dam.

Pigment LE 25% RE 100%.
Long sided and trim made. Dam is going to be 12 and has an outstanding production record. On 9 head she has a WW ratio of 104.7 and a YW ratio of 103.9 on 7 head.

Pigment LE 90% RE 90%.
Herd bull prospect, long sided, deep, thick, marked right with a WW ratio of 112. Dam's WWR on 4 calves 103, YWR 102.7 on 3 calves. Retaining 1/4 semen interest.

Pigment LE 10% RE 20%.
One of our favorites since birth, comes from a hard working 4 year old. He has a great EPD profile with plenty of performance and eye appeal. WWR-112. Retaining 1/4 semen interest.

Tested homozygous polled. This ET son of Genesis is a half brother to last year's top selling bull in our sale. He is loose hided, deep bodied and long as a rope. Two goggle eyes, red necked and as wide on the ground as he is on the top. He's numbered up right: top 5% or better in CHB Index, Marbling, REA, WW and YW.

Loewen Genesis G16 ET

Genesis is an exceptionally good bull phenotypically and is an 11-trait EPD leader. He is making his mark in the Hereford breed. Genesis G16 is owned by Colyer Herefords and Angus, Express Ranches, Barber Ranch and Bill King.

PCR Ida Goldie 40X

40X is a powerful cow and has been very popular in several registered herds around the country and Canada. She is currently owned by Golden Oak Live-stock in Canada, AXA Farms and Lonestar Cattle Co.

An interesting pedigree here resulting in a thick, stout, growthy bull with a lot of balance and eye appeal. Dam is a Right On daughter and sire, 799, is a 2185 son who is making his mark at Friedts. Scurred.

2-YEAR-OLD BULLS

We are offering a good selection of virgin 2-year-old bulls that were summered on pasture. They are sound on their feet, correct in their structure and not overfed. We use a late February/early March cutoff date for a bull calf to be sold as a yearling.
