

Annual **BULL SALE**

Monday April 17, 2023 | 2pm at Faith Livestock | Faith, SD

Selling **34 REGISTERED YEARLING BLACK ANGUS BULLS**
16 REGISTERED YEARLING 1-A RED ANGUS BULLS

Join us for a complimentary lunch at noon

Welcome

It's hard to believe we are all geared up for our 6th annual bull sale. For those who are new to our program, we'd like to say "Welcome," and for those of you who know our program, we offer a big "Welcome back!"

Before we talk about the bulls, here's a short family update. Justin and Somer are busy with Karsin's wrestling season. Justin is helping coach again this year. Quentin finished his first season of elementary basketball and will be doing some traveling basketball this spring. Riley and Cally are busy with the high school girls' basketball season. Cally helps coach, and Madelyn is a proud water girl. Riley and Gracie are the biggest fans in the stands! In amongst all the family fun, we are getting lots of new calves, and we are making sure the bulls look their best for sale day. We keep busy, but this season of the year remains one of our favorites!

We are very proud of the set of bulls we have to offer in this year's sale. We are only selling what we consider our "best of the best." These bulls were not creep fed as calves, and they have been on a developmental, high-roughage ration since weaning the first of October. Jack Sieban of J&R Feeds helps us develop the bulls and keep them on track to be ready to go for breeding season.

The unearthly cold in December was tough on all our animals, but we survived and are thankful for the moisture we've gotten this winter. We are praying that moisture will continue to come into the spring and summer months. Our goals for both our bulls and our cows haven't changed. We continually strive toward consistency in our herd. We want eye-appealing, structurally-sound cows that produce a quality calf every year. We pay attention to the numbers, but we are not looking to blow any of the numbers through the roof. While we realize that data is important, we also know that the numbers are only part of the equation, and they are one of the many decision-making tools available to ranchers. In addition, we are always monitoring our herd docility. The bulls are handled many times throughout the development process, and because of their temperament, we enjoy being around them. We hold the same standards for our cows, and we actively cull any cows that don't meet our docility standards.

Thank you again for your interest in our program. We invite you to stop at the ranch anytime to view the bulls, see our cows, and see our herd bulls. As always, we look forward to earning your business, and we hope to see you on sale day!

*Justin, Somer, Quentin, and Karsin
Riley, Cally, Madelyn, and Gracie*

Annual Bull Sale

BULL SALE MONDAY, APRIL 17, 2023 – 2PM (MT)

Faith Livestock Auction - Faith, SD

AUCTIONEER

Dace Harper | 605-515-153

SALE REPRESENTATIVE

Dan Piroutek, Tri-State Livestock | 605-685-4556

Jon Millar, KBHB Radio | 605-347-0553

Jade Harper, Faith Livestock | 605-515-0337

INTERNET VIEWING

The sale will be broadcast via www.cattleusa.com. Click on "Live Auctions" on sale day to view the sale. If you plan to bid via the internet, register one week in advance to make sure you are approved to bid at the sale. If you have trouble bidding online, we encourage you to contact Faith Livestock to place your bid.

BULL VIDEOS

Bull videos are available at www.garrigancattle.com.

TERMS & CONDITIONS

The terms of the sale are cash or check. Registration certificates will be transferred to the new owner(s) once payment is made. **BULLS WILL SELL IN CATALOG ORDER.** The sale will follow the suggested sale terms and conditions of the American Angus Association.

SALE DAY ANNOUNCEMENTS

All announcements from the block on sale day will take precedence over the information in this catalog.

BREEDING GUARANTEE

All bulls are guaranteed 100% for soundness and fertility at delivery. If a bull is injured or dies during the first breeding season, a replacement will be supplied, if available. If a replacement is not needed or available, we will offer a sale credit of up to \$3,500. We will do our best to accommodate your individual situation.

CATALOG DESIGN

Branding Impressions, Sturgis SD | 605-347-0402

SALE LOCATION

Faith Livestock Commission Co.
127 N. 5th Ave. W.
Faith, SD 57626

SALE DAY TELEPHONE

Faith Livestock | 605-967-2200
Justin Garrigan | 605-280-9220
Riley Garrigan | 605-280-9722

HERD HEALTH

Bulls have been on a shot protocol recommended by Dr. Tammy Winger of Faith Veterinary Service.

Birth: Alpha CD, Inforce 3

Branding: Inforce 3, One Shot BVD

Preconditioning: Ultrabac 7 with Somnus, Bovishield
Gold 1 Shot

Post-Weaning: Inforce 3, Autogenous, Pulmaguard
PHM-1, Dectomax Injectable

Fertility Testing: Fusogard (booster 3 weeks later),
Clean-Up

FERTILITY TESTING

All bulls on today's sale have passed their fertility examination as performed by Dr. Rhett Scoggins; therefore, they will be ready to take home on sale day if you choose. Scrotal and pelvic measurements will be available sale day.

FEEDING & DELIVERY

A \$50 credit will be given for each bull taken home on sale day. GLC offers free delivery within 300 miles. GLC will do all they can to accommodate any further distances. GLC will start bull delivery immediately after the sale. Talk to Justin or Riley if alternate arrangements need to be made with any bulls you purchase.

SEMEN INTERESTS

GLC plans to keep 1/3 semen interest in all bulls sold at today's sale.

THE HD50K™ FOR ANGUS

HD50K™ FOR ANGUS IS A GENOTYPING TECHNOLOGY FROM ZOETIS DESIGNED FOR ANGUS SEEDSTOCK PRODUCERS AND FULLY ENDORSED BY THE AMERICAN ANGUS ASSOCIATION AND ANGUS GENETICS, INC.

HD50K™ for Angus replaces i50K™ and the previous version of HD 50K™, and represents an advancement in Angus genotyping technology.

ZOETIS PROVIDES COMPREHENSIVE GENETIC AND MANAGEMENT SOLUTIONS FOR BEEF PRODUCERS:

- 17 staff Ph.D. geneticists driving cutting edge research and development as well as field and customer support across the livestock business
- First to market with novel wellness traits in dairy cows and calves
- Development of innovative decision support tools
- Unmatched technical support and customer service

SELECT, MATE AND MARKET ANGUS SEEDSTOCK WITH CONFIDENCE:

- Commercial bull buyers increasingly request GE-EPDs
- HD50K™ for Angus tested bull batteries enable Sire Match for GeneMax® Advantage™ tested heifers
- Reduce selection and breeding mistakes—with HD50K™ for Angus

HD50K™ for Angus is available to American Angus Association members through Angus Genetics, Inc. and may be purchased online through the AAA Login site.

HD50K™ for Angus: The people, the products, and services you have always relied on.

All trademarks are the property of Zoetis Services LLC or a related company or a licensor unless otherwise noted. GeneMax is a registered trademark of Angus Genetics, Inc. ©2019 Zoetis Services LLC. All rights reserved. 50K-00024

• A young bull that is growing into one of our favorites

• Dam MPPA 100

• Dam is one of our favorite original red cows. She has a great calf every year and is very docile to be around.

IN THE MARKET FOR BRED HEIFERS?

At Garrigan Land & Cattle, we sell a package of home-raised, home-developed, and home-bred commercial Angus heifers at Faith Livestock each winter. These heifers come straight from our own cow herd and are backed by our own genetics.

Stop by the ranch anytime if you are in the market for bred heifers and we'd be glad to show you what we have to offer. We typically AI our heifers with a due date of February 15th for one day, and then they are cleaned-up with our bulls for 45 days, with a due date beginning March 5th. They are split into short calving intervals.

Visit with Justin or Riley to learn more.
(References are available)

16699 216th Ave.
Dupree, SD 57623

A large, vibrant rainbow arches across a bright, overcast sky, casting a soft glow over a lush green field. The field is dotted with small white flowers and a few distant structures. The entire scene is framed by a rustic wooden border at the top and bottom.
