## GELBIEH & RED ANGUS

### *Welcome Cattlemen & Friends,*

We are looking forward to having you join us Friday, March 6th at  
1 p.m. for our 33rd Annual Gelbvieh, Red Angus and Balancer Bull  
Sale at the Platte Livestock Auction, Platte, S.D.

We will be offering 60 yearling bulls. Select from red and black  
Balancer, Gelbvieh or Red Angus.

The bulls have developed slowly, not pushed, started on a 46  
Mcal ration and stepped up to a 49 Mcal ration in late December.  
They are developed to promote longevity and fertility. We do not  
creep feed and all were ran on pasture with dams until November.

Complete performance and EPD's have been provided for your  
benefit. The bulls are registered and registration papers will be  
automatically transferred.

Put more pounds and value on your calf crop with proven  
Gelbvieh, Balancer, and Red Angus genetics. We use proven herd  
sires with calving ease, fertility, growth, carcass and maternal  
excellence. Many of these bulls have low birth and high growth  
EPD's. We are more than willing to recommend bulls to meet your  
specifications.

We invite you to the farm to inspect the cattle; they will be here  
until March 5th, when they will be moved to Platte Livestock Auction.

If you have any questions, please feel free to contact us.

Hope to see you March 6th—come early and join us for lunch.

**Homozygous Black results will be posted to  
our website as soon as they are available.**
