

Lot	Name	Footnotes
3224	HH ADVANCE 3224L	Selling Half-Interest, Full Possession. Feature for our first sale is a son of Holden's 4086 cow. 3224L has a very mellow disposition and extremely easy-fleshing bull. Many of our top cows are bred to 3224 for this spring. Maternal brothers have averaged over \$50,000 for Holdens.
306	ER DOMINO 306L	306L is loaded with muscle that won't melt away.
399	ER DOMINO 399	399 has a very maternal pedigree and his mother has an ideal udder. Big-framed with great yearling performance and is dog gentle. Dam is a very good Cooper cow.
406	HT DURA DOMINO 406	Will sire long lived, productive cows. Many generations of cows that produced 10 or more calves behind 413.
413	HT DURA DOMINO 413	Rancher's special. Loaded with cattle that get the job done year after year.
421	HT DURA DOMINO 421	Another bull with excellent balanced EPD profile. An attractive bull with a low birth weight.
418	HT DURA DOMINO 418	
415	L1 DOM 2114 1920 2415	2415 has a very balanced EPD profile with excellent thickness.
501	HT DURA DOMINO 501	Thick, big boned with a real traditional Hereford look. A 267 son.
503	HT DURA DOMINO 503	Maternal brother to the 399 bull. Will add a lot of stretch. 507 is a bull we were going to keep because of the cow family behind him. Many generations of cows that raised 10 or more calves. A semen interest will be retained by Hilltop Herefords.
507	HT DURA DOMINO 507	Real attractive, natural calf out of Churchill cow we flushed.
509	HT DURA DOMINO 509	Dark red, thick, easy-fleshing calf. Low birth weight.
511	HT DURA DOMINO 511	3224 calf out of a grand old cow. He is masculine and good!
513	HT DURA DOMINO 513	ET calf out of a Cooper flush. Hilltop will retain a semen interest.
515	HT DURA DOMINO 515ET	Consistency of a good Line 1 mating, Lucas x Cooper.
517	HT DURA DOMINO 25517	Maternal Grandam and Great Grandam produced into their upper teens.
525	HT DURA DOMINO 525	Young bull calf that is going to be strong.
527	HT DURA DOMINO 527	
537	HT DURA DOMINO 537	
764	L1 DOMINETTE 22764ET	Exposed to HT Dura Domino 411 from 11-10 to 12-31.
235	LS L1 DOMINETTE 235K	Exposed to HT Dura Domino 411 from 11-10 to 12-31.
301	ER DOMINETTE 301L	Exposed to HT Dura Domino 411 from 11-10 to 12-31.
310	ER DOMINETTE 310	Exposed to HT Dura Domino 411 from 11-10 to 12-31.
307	ER DOMINETTE 307L	Exposed to HT Dura Domino 411 from 11-10 to 12-31.
434	R STARLETTE 434	Exposed to HT Dura Domino 411 from 11-10 to 12-31.
502	HT BELLA DOMINETTE 502	Super first calf heifer's calf. Ideal udders in Dam and Grandam.
508	HT BELLA DOMINETTE 508ET	ET out of a very good Churchill cow.
524	HT BELLA DOMINETTE 524	Out of a straight Miles City bred cow.
534	HT BELLA DOMINETTE 534	Very correct, sharp profiled heifer.
560	HT BELLA DOMINO 560	Deep cherry red heifer. Looks to be a great cow.
