

MISS ADVANCE FEMALE PAGEANT 2023

Holden Herefords

ELITE FEMALE SALE

SEPT. 14, 2023 • 1 P.M. (MST)

AT THE RANCH

WELCOME LETTER

We would like to invite you attend our “Miss Advance Female Pageant 2023” sale at the ranch. We feel this is an exceptional set of elite Line One females. This is a fantastic opportunity to dip into the heart of our herd and buy females that are capable of taking any program to the next level. We have an outstanding mix of proven younger donors, top end bred heifers, elite young bred cows, and a big group of top quality fall yearling heifers out of the heart of our fall program. This year we also have added a few elite embryo matings, and another opportunity to get semen on the \$100,000 HH Advance 2116K bull.

2023 has been an exciting year in the cattle business. Calf markets have been through the roof this summer, and the demand for quality Hereford genetics continues to get nothing but stronger. We feel this is the start of a few great years of cattle markets, and Herefords will continue to play a large role in the beef business. The demand is out there and it's real. Herefords are back, and we are proud to be in this business and producing this great breed of cattle.

We feel this offering is one of our best ever in combining phenotype, EPDs, and of course proven Holden cow power. These females combine years of selection for performance, and EPDs along with phenotype, structure, udder quality, pigment, and fleshing ability. All the sale cattle have GE-EPDs along with being parentage verified and tested for all known genetic defects.

We feel there is an opportunity to find a true foundation female for your operation that can be a true centerpiece of your genetics going forward. Our females have proven that they can produce progeny that excel in the pasture or showring or any direction you want to go. The Line One females have proven time and again that they will cross well with any line of Hereford cattle and add value. They will breed true and produce progeny that are consistent, predictable, and uniform. We know they will work for you and look forward to your accomplishments with them.

The cattle will be on display from September 12th-14th. We will have a social hour and dinner here at the ranch on the evening of September 13th beginning at 5 p.m. Lunch will be served on the 13th and on sale day. Also, the Montana Hereford Fall Tour is September 12th and 13th. Plan on taking it in and then coming on up for the sale. Please come and be our guests, see a fantastic sale offering, and experience beautiful Montana in late summer. For those unable to attend the sale, it will be available to watch and bid online on Superior Click-to-Bid and LiveAuctions.tv.

For further information or if we can assist in any way, please give us a call or drop us a text or an e-mail. We look forward to seeing you September 14th.

Terms and Conditions

- All sales are cash unless other arrangements are made with the seller.
- Each animal will sell to the highest bidder without reservation. The auctioneer will settle any disputes as to bidding. His decision will be final.
- Individual health papers will be furnished with each animal, which will permit shipment to any state, Canada or Mexico.
- All sale cattle have been parentage verified and tested free for IE, DL, HY, and MSUD. All sale cattle have also been tested negative for BLV, Johnes, and BVD PI
- Exposed females will be pregnancy tested and pregnancy status will be available at sale time. Pregnant cows are considered breeders without further guarantee. All open females are guaranteed to breed by natural service. In case an adjustment is required, it will be made with a replacement animal of equal value to the animal in question or credit on the purchase of another animal. No adjustments will be made after nine months from sale day on any animals.
- The animal becomes the property of the purchaser as soon as sold, but it shall be the responsibility of the seller to see that animals are properly cared for until delivery to the purchaser.
- Any death or injury after the animal is sold is at the buyer's risk. Insurance is highly recommended.
- Anyone attending this sale attends at their own risk and without liability on the part of the owners, their employees or agents.
- Corrections or additions of any information contained in the sale catalog will be announced from the auction stand and will take precedence over any printed material.

Delivery

We are offering free delivery for the first 1,000 miles on all purchases totaling \$6,000 or more. These deliveries will be to central points but we will work to get them as close as possible for all buyers. Also, we will guarantee that the buyer's cost for delivery after the first 1,000 miles will not exceed \$400 per head.

Please join us for a social hour and dinner at the ranch on September 13th beginning at 5 pm.

Sale is located nine miles southwest of Valier on the Valier Dupuyer Road.

FALL YEARLING HEIFERS

Here is an opportunity to dip into the very best of our fall heifer group. We are moving away from our fall calving herd so have decided to offer almost all of our 2022 fall heifer crop in this sale. This is a group of females you could really start a program with. There are many ET heifers and natural calves from donor cows in this group. Look at the combination of EPDs, phenotype, and maternal strength in this group and help yourself.

• This mating will produce full sibs to the 0022H herd sire. I'm not sure anything more needs to be said. Look at the picture of 0022H on the inside back cover along with all he has done. There is no guesswork left about how well this cross has worked.

• What an opportunity! 6169D is the dam of our 1128J herd sire (\$65,000 ½ interest) and the 2025K herd sire (\$55,000 ½ interest) and my idea of a perfect brood cow. Great uddered, easy fleshing, extra pigment, and backed by an incredible cow family. 2116K is one of kind with his calving ease, rib shape, pigment, carcass, and eye appeal. This is as sure fire a mating as you can get, and it will check all the boxes!

- Here is another opportunity to get semen on this exciting young sire that sold for \$100,000 in our 2023 Sale. 2116K is still unmatched by any other Hereford bull for his combination of CED, BW, YW, MARB and \$CHB. He is also goggle-eyed, big ribbed, moderate framed and extra fancy. His dam is an ideal type of cow that is one of our best young donors. Registered semen sales are being limited to only special sales on 2116K. Here is an opportunity to be one of the early breeders to use this rising star. This will be very high-quality CSS semen. Semen is stored at ORigen and will be released there.
- Buyer has option to take more than one package.
