

MISS ADVANCE FEMALE PAGEANT 2024

ELITE FEMALE SALE

SEPT. 19, 2024 • 1 P.M. (MST)

AT THE RANCH

Holden Herefords

WELCOME

We would like to invite you attend our “Miss Advance Female Pageant 2024” sale at the ranch. We feel this is an exceptional set of elite Line One females. This is a fantastic opportunity to dip into the heart of our herd and buy females that can take any program to the next level. We have an outstanding mix of proven younger donors, top end bred heifers, elite young bred cows, and a big group of top quality fall yearling heifers out of the heart of our fall program. We are also offering an embryo interest in the great 6169D donor cow and two special ET heifer calves from our 2024 calf crop.

We also have a really nice set of females in the sale from Double Bit Ranch this year. Paul and Margaret Tisher have put together an outstanding herd over the last five years. Due to drought and a hay shortage, they are offering a nice mix of bred heifers and young cows to reduce their herd size.

2024 has been an exciting year in the cattle business. Calf markets have been through the roof this summer, and the demand for quality Hereford genetics continues to get nothing but stronger. We feel this is the start of a few great years of cattle markets, and Herefords will continue to play a large role in the beef business. The demand is out there and it's real. Herefords are back, and we are proud to be in this business and producing this great breed of cattle.

We feel this offering is one of our best in combining phenotype, EPDs, and of course proven Holden cow power. These females combine years of selection for performance, and EPDs along with phenotype, structure, udder quality, pigment, and fleshing ability. All the sale cattle have GE EPDs along with being parentage verified and tested for all known genetic defects.

We feel there is an opportunity to find a true foundation female for your operation that can be a true centerpiece of your genetics going forward. Our females have proven that they can produce progeny that excel in the pasture or show ring or any direction you want to go. The Line One females have proven time and again that they will cross well with any line of Hereford cattle and add value. They will breed true and produce progeny that are consistent, predictable, and uniform. We know they will work for you and look forward to your accomplishments with them.

The cattle will be on display from September 17th-19th. We will have a social hour and dinner here at the ranch on the evening of September 18th beginning at 5 p.m. Lunch will be served on the 18th and on sale day. Please come and be our guests, see a fantastic sale offering, and experience beautiful Montana in late summer. For those unable to attend the sale, it will be available to watch and bid online on Superior Productions and LiveAuctions.tv.

For further information or if we can assist in any way, please give us a call or drop us a text or an e-mail. We look forward to seeing you on September 19th.

- This 0159H daughter has future donor written all over her. 3079L is a full sister to the 2066K heifer that sold for \$56,000 in the Females on the Front Range Sale in Denver in 2023. A full sister also recently set the record sales price at Rancho Puerto de Nieto auction in May. Two other full sisters have also been flushed already.
- Dam 8123F sold as Lot 1 and topped our 2022 Female Sale at \$47,500 to Sadler Ranches. She is now a donor at Topp Herefords in North Dakota.
- Top 1% on Milk and very top 1% on \$BMI at 544. Top 10% on WW and MARB EPDs.
- Due 4/20/2025.

DOUBLE BIT RANCH SALE FEMALES

We are pleased to have this nice set of females from Double Bit Ranch North in our sale offering this year. Paul and Margaret Tisher bought their base herd of females from us in our 2019 Female Sale and have done an outstanding job over the last 5 years. They are in a drought and are short on hay so are cutting their numbers. This is a great mix of bred heifers and young cows with fantastic pedigrees and EPDs. They are all bred to the HH Advance 2031K ET bull that they purchased from us in our 2023 Sale.

- A maternal sister is one of our favorite cows on the ranch and a top donor for us.
- This pedigree combines the 1028L cow family with the 1010Y cow family.

OPEN FALL HEIFERS

We are offering the bulk of the heifers from our fall calving program. We will not have a fall calving herd after this fall, so here is an opportunity to get in on a group of heifers that we would normally be keeping. There are several ET heifers in this group out of our best donors. This group is loaded with potential. Help yourself to a great opportunity!
