## WELCOME...

The Jamison Family welcomes you to our annual Spring Bull Sale. Always an opportunity to establish and renew relationships with fellow cattlemen as we present this year's breeding bull offering.

Our goal has been to produce predictable, problem-free, performance Hereford genetics. With maternal traits as our #1 priority we strive for sound, fertile, balanced breeding bulls that offer calving ease, optimal growth, structure, fleshing ability and 100 percent red pigment. These bulls have been developed for the long haul to insure that sound feet and mobility maximize your JA breeding bull investment.

The Line One Herefords founded at the Miles City, MT, Range Station in 1934 are true, total performance, strong maternal cattle upon which we have based our program since 1970. Ranchers reap the benefit of heterosis from our linebred bulls, producing the industry's most proven Baldy cross from Black and Red Angus cows. Their Hereford-sired baldies are the industry's true premium feeder steer and #1 replacement heifer.

Fellow Colorado breeder and herd bull partner Ken Coleman is welcomed as guest consignor. The quality behind his PAP-tested performance bulls speaks for the reputation of his outstanding Line 1 cowherd.

Call with your questions. We look forward to seeing you Feb. 24th!

We are planning to have a sale in 2024.

This dark colored 6158D son has 100% pigment and a red neck. Moderate in frame, he's deep bodied, has a thick quarter and his pedigree promises maternal excellence. Dam, 4074, was a cow we really liked for her volume and good udder. 9164G ranks in the top 20% of the breed for CED, top 6% for Teat and Udder, and top 8% for fertility.

Another 6187 with that added charisma. His 386 mother is a two year old from a great cow family. A WWR of 111 and the performance just kept on. Should be a calving ease bull, he has a very quiet disposition.

A red-necked bull that is heavy-muscled and thick. Also raised by a heifer. The power of calving ease and strong growth numbers, sure enough a good bull.

More frame here with a WWR of 120. Herd bull prospect with depth and volume, numbers that say calving ease, and a cow family that is sure solid. Lots of red and eye appeal.

**TERMS AND CONDITIONS:** Terms of the sale are cash. Every sale animal will be sold to the highest bidder with the auctioneer settling bid disputes. Announced changes in catalog information on sale day take precedence over printed material. All cattle are the buyer's property as soon as sold and will be cared for a reasonable length of time at the buyer's risk. Any person attending the sale does so at his own risk. Neither the sale management, owners, nor any person connected with this sale, assumes any liability, legal or otherwise. In the event of default in any part of the Terms and Conditions for this sale by buyer or seller, it shall be the responsibility of the buyer or seller to instigate action needed to bring about a fair settlement of any claims and to be responsible for any and all costs involved.

**GUARANTEE:** Every animal in this sale is, to our knowledge, free from any disease or defect. Any known defect will be called at sale time. All bulls have been fertility tested by Hawkeye Breeders Services, Adel, IA prior to the sale. They are guaranteed breeders. If an animal fails to breed after a six month trial, it may be returned to the seller if it is in good condition and in compliance with Kansas health regulations. The seller reserves the right to try said animal for 90 days, and if it proves a breeder, return it to the buyer at the buyer's expense. If the animal proves to be a non-breeder, an animal of comparable rank will be substituted or the purchase price will be credited toward purchase of an animal in the next sale.

We assume no liability, legal or otherwise, to make any further compensation to the buyer. No warranty of any nature is expressed or implied. All sale cattle are IE and Diluter free.

**HEALTH:** Herd health is excellent. Individual health papers will be furnished for shipment.

**REGISTRATION AND TRANSFER:** American Hereford Association registration certificates will be transferred upon request to buyers at seller's expense. At time of settlement, buyers must give complete information.
