St. Onge Livestock, St. Onge, SD

Welcome

Welcome to the 17th annual Kammerer bull sale. This year we are offering 30 yearling bulls & 10 2yr old bulls. The line up will include bulls from Car Don Annuity, Sitz Stellar, Tehama Patriarch, Soo Line Motive, Musgrave Aviator, & Sydgen Enhance. We have a wide range of genetics from cow bulls to heifer bulls.

We are very fortunate that all the kids are still close and help with the operation on the ranch & the bull sale. Dillon is in his first year at Western Dakota Tech going thru the Meat Processing Program. This program is being instructed thru Ken/Wall Meats & Dillon is also working part time at Dakota Butcher. He is still raising sheep with Jessica. Jake is helping here at the house, building his own cow herd, and working for Derner Fencing. Jessica is working with Livestock Link, A.I.ing with Anita Pepin in the spring & preg testing in the fall. Amanda is now working with Tr-State Livestock News & had hosted her 1st horse sale this past fall in Belle Fourche thru her company AK Horse Sales. I'd like to say congrats to the kids for all their hard work & all they contribute to the ag industry.

We will have the bulls in St. Onge a day early for viewing. The bulls will be videoed and on our facebook page later in March. The sale can be viewed & bidding online is available thru cattleusa.com. Please remember to get pre-approved 24 hours prior to sale.

We welcome once again Kelly & Amy Erickson, CK Bar Ranch, following our sale with their great line up of sim/simangus bulls.

Once again thanks to all our customers, staffing at St Onge Livestock Barn, & family for always making sale day great. Please mark your calendar for Friday, April 7th, @ 1:00 in St. Onge.

Thank you for your interest in our program.
