19<sup>th</sup> Annual Bull Sale

Wednesday, April 16

2025

1p.m. @ the Bull Pen (Amanda's Barn)  
14551 Horseshoe Rd, Piedmont, SD 57769

# Welcome

Welcome to the 19<sup>th</sup> annual Kammerer bull sale. The sale is set for Wednesday, April 16, 2025 @ 1 p.m. (MST) at the Bull Pen which is located at Amanda's house (14551 Horseshoe Rd, Piedmont, SD 57769). This is one mile north of our driveway and half mile east on Horseshoe Rd. The easiest way is Exit 61 (Flying J/Common Cents exit) out of Rapid City. There is a map located at the back of the catalog. We made the move last year & we believe the bulls looked great. Thank you to all customers & friends who attended & were patient with us while working out the kinks.

It is a honor to present this year's offering of high-quality bulls, carefully selected to meet the needs of today's cattle producers. We take great pride in breeding for performance, soundness, and longevity that will add value to your herd for years to come. This year's lineup includes bulls that excel in calving ease, growth, maternal traits, structure, and docility. Whether you are looking for heifer-safe-bull, a powerhouse sire for your cow herd, or a genetic outcross to enhance your program, we are confident you'll find a great match here.

The Kammerer Crew has added some new adventures to their portfolio. Dillon is working full time for Wall Meats in Wall, SD and he's home on weekends filling in where needed. Jake is working on his own cow herd and working here at the house. Jessica is working for The Livestock Link, A.I.ing with Anita Pepin, preg testing, and for Cattle Business Weekly. Amanda just hosted her 3<sup>rd</sup> AK Horse Sale this past fall in Belle Fourche, after that she was off to Texas riding horses for Shane & Taylor Hanchey. She ended up in Vegas working the finals for CINCH. She is currently back in Texas with the Hanchey's.

We appreciate your trust in our program and are grateful for the relationships we've built over the years. If you have any questions about the bulls or need assistance in making your selections, we are here to help. Please feel free to reach out before the sale or visit with us on sale day. Thank you, We look forward to seeing you on April 16th at the Bull Pen! (Amanda's Place) .

Online videos and internet bidding is available thru LiveAg.com...be sure to get pre-approved. You can also contact one of our sale date contacts listed.

We invite everyone to come early to view bulls and lunch will be served.

These ET bull's dam went right to the donor after her first calf!! We purchased 0002 from Bullerman Angus, MN a few year's back and she has done nothing but have nice functional, big boned offspring while being a great momma and very maternal. You can find a lot of growth in these ET brothers (lot 1-3), they are the stout kind that offer muscle, length of body, and growth. If you are looking for added pounds on those steers in the fall, look no further.
